Dear Colleagues and Guests:

We are excited to invite you and your family to the 39th Mid-America Orthopaedic Association Annual Meeting at the San Antonio La Cantera Resort, April 6 – 10, 2022. Woodie Cross and the Program Committee have done an excellent job in putting together an exceptional educational program. We will continue with the format of instructional course lectures in the morning, plenary and breakout sessions, poster viewing, and symposia. The regular meeting will offer 18.5 hours of category 1 CME credits.

The meeting will begin on Wednesday with the Pre-Meeting. Matt Dilisio and his team have put together a comprehensive shoulder course titled, “The Shoulder Surgeon’s Roadmap: From Arthroscopy to Arthroplasty” with an outstanding national faculty. This will offer an additional 7.5 CME credits.

I am excited to have our featured speakers:

Presidential Guest Speaker

Mark Pagnano, MD | Rochester, MN

“Culture of Excellence: How Vision and Principles Beat Goals and Rules”

Classics in Orthopaedics Speakers

Jeffrey E. Johnson, MD | St. Louis, MO

“Tendon Transfers about the Foot and Ankle: Surgery for Motorheads”

Amy L. McIntosh, MD | Dallas, TX

“Supracondylar Humerus Fracture Management. Evolution Over the Last 20 Years”

Rapp Lecturer

Bassem T. Elhassan, MD | Boston, MA

“Updates on Complex Reconstruction of the Shoulder”

With the meeting being held in San Antonio, the home of the Center for the Intrepid, we are fortunate to have the Steel Memorial Lecturers, Col. Joseph E. Alderete, MD and Capt. Kelly Elmlinger discuss the Wounded Warrior Program and how Capt. Elmlinger has overcome tremendous obstacles.

My wife, Kelly, and I are excited to be your hosts and hope that you will bring your family and join us for a great event. The resort features five heated pools, cabanas, and multiple waterslides as well as an arcade for the kids. Six Flags Fiesta Texas is just minutes away from the hotel and their complimentary shuttle can get you there and back. The resort also has an exceptional golf course on-site. Please visit www.lacanteraresort.com to view all the wonderful amenities.

We look forward to seeing you in San Antonio.

Norman S. Turner, MD
President, Mid-America Orthopaedic Association

CME Accreditation

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Orthopaedic Surgeons and the Mid-America Orthopaedic Association. The American Academy of Orthopaedic Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

The American Academy of Orthopaedic Surgeons designates the Mid-America Orthopaedic Association (MAOA) 39th Annual Meeting, April 6-10, 2022, in San Antonio, Texas, for a maximum of 26 **AMA PRA Category 1 Credits™**, as follows:

Pre-Meeting Course	7.5 AMA PRA Category 1 Credits™
Scientific Program	17.5 AMA PRA Category 1 Credits™
Scientific Poster Sessions	1 AMA PRA Category 1 Credits™

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Objectives

- Objective 1:** To comprehend the varied diagnoses and treatment in the athlete's ankle injury
- Objective 2:** To understand how opioids are utilized in orthopedic surgery, recognize education efforts that are employed to manage opioid prescriptions, and their effect on the patient outcomes
- Objective 3:** To understand concepts associated with choices between spinal and general anesthesia on outcomes of patients undergoing total hip and knee arthroplasty
- Objective 4:** To discuss and learn concepts of treatment in progressive flat foot deformities
- Objective 5:** To learn current concepts of ankle fracture treatment and how to identify and treat challenging fracture patterns
- Objective 6:** To comprehend current surgical treatment and indications for the pediatric supracondylar elbow fracture
- Objective 7:** To learn the latest treatment innovations in arthroplasty and the evidence behind their adoption in practice
- Objective 8:** To discuss indications and techniques of surgery for challenging anatomy and complications in adult hip, knee, and shoulder arthroplasty
- Objective 9:** To understand how scholarly literature can affect surgical quality and advance careers of academic surgeons
- Objective 10:** To discuss the global treatment options for rotator cuff disease and understand the merit of each level of treatment
- Objective 11:** To comprehend the diagnostic dilemmas and treatment strategies of complex adult orthopedic trauma

The Shoulder Surgeon's Roadmap: From Arthroscopy to Arthroplasty

Pre-meeting course on Wednesday, April 6, 2022 • 7:30 a.m. - 5:00 p.m.

Course Chair:

Matthew F. Dilisio, MD
Omaha, NE

Learning Objectives:

1. To understand indications for soft tissue versus bone-based shoulder stabilization techniques in the setting of shoulder instability.
2. To review biceps/labrum management options in athletes.
3. To review pearls to optimize rotator cuff healing.
4. To review surgical treatments of irreparable rotator cuff tears as it relates to superior capsule reconstruction, tendon transfers, and reverse shoulder arthroplasty.
5. To gather expert tips to optimize consistency and success in managing proximal humerus fractures.
6. To review how the shoulder surgeon should introduce the use of biologics in their practice.

This course will focus on the full spectrum of care for shoulder pathology. Regional leaders in the field will use a case-based approach starting with the most common issues a shoulder surgeon manages and advance into more complex and complicated problems. This course will be an excellent review of both the fundamentals and the latest advances in the tools that an orthopedic surgeon uses to manage shoulder-related problems in 2022.

Pre-Course Topics:

Session 1 – The Athlete's Shoulder

- Shoulder Instability: Repair, Latarjet, Remplissage, DTA?
- Biceps and SLAP Tears
- How and When to Use Biologics
- Pediatric Shoulder Instability
- How I Do It: Latarjet

Session 2 – Rotator Cuff

- Rotator Cuff: Pearls to Optimizing Healing
- The Irreparable Cuff (SCR, Tendon Transfer, Balloon, BAR, Lat, or Reverse)
- Subscapularis Tears
- How I Do It: Lower Trapezius Transfer

Session 3 – Arthritis

- Pearls of Primary Shoulder Arthroplasty
- Pearls of Reverse Shoulder Arthroplasty
- The Management of B Glenoids
- Infection: Dx, 1 stage, 2 stage
- Prosthetic Shoulder Instability
- How I Do It: Subscap Sparring TSA/Hemi and Subscap Management

Session 4 – Trauma

- Proximal Humerus Fracture Fixation Pearls
- Clavicle Fractures
- Pediatric Shoulder Trauma
- AC and SC Joint Injuries
- How I Do It: Reverse for Fracture

12:00 p.m. - 1:30 p.m. **Industry-Sponsored Luncheon Symposium** (no CME credit offered)

Join us one day prior to the MAOA Annual Meeting for this CME event of faculty presentations followed by discussions.

- \$250 for practicing orthopedists
- \$150 for residents, fellows, medical students, and allied health
- 7.5 Category 1 CME Credits will be offered for this one-day course
- Additional pre-meeting course information will be posted on the MAOA website.

Registration for the Pre-Meeting Course can be completed while registering for the annual meeting on the MAOA website:

www.maoa.org or by contacting the MAOA office: **midmamerica@maoa.org**.

Resident Quiz Bowl

Saturday, April 9, 2022

8:30 a.m. - 9:30 a.m.

Back by popular demand! This session will be a fun, interactive hour focusing on important issues in all areas of orthopedics. Format will be similar to a quiz show where orthopedic residents from academic programs in the Mid-America region will compete against one another answering questions from a well-informed moderator. Score will be kept. This will be an educational experience for both participants as well as the audience.

For a complete list of the scientific presentations and posters, please visit the MAOA website: www.maoa.org.

Meeting Registration

Please visit www.maoa.org to register for the meeting and reserve a hotel room under the MAOA block. Make plans early to attend a great meeting. **All presenters are required to register and pay a registration fee.**

What is Included in Your Registration Fee?

Physician Registration

- Continental Breakfast in Exhibit Area on Thursday, Friday, and Saturday
- Coffee Breaks in the Exhibit Area
- Wednesday Welcome Reception and Buffet Dinner
- Friday Night Dinner
- Meeting Expenses - As with all meetings, your registration fee helps to cover all expenses of the annual meeting, such as name badges, printing, postage, audiovisual equipment, etc.

Spouse/Guest Registration

- Thursday and Friday Continental Breakfast at the Spouse/Guest Hospitality
- Wednesday Welcome Reception and Buffet Dinner
- Friday Night Dinner
- Name badge
