December 10-11, 2026 | Kuala Lumpur, Malaysia

• 16TH WORLD PROBIOTICS, NUTRITION, GUT HEALTH CONFERENCE AND

We are delighted to bring together Probiotics professionals, researchers, and experts from around the world to share knowledge, exchange ideas, and advance excellence in nursing and patient safety.

<https://probiotics.ucgconferences.com/>

About the Conference

The 16th World Probiotics, Nutrition, Gut Health Conference and Exhibition is a premier international platform that brings together researchers, clinicians, nutritionists, microbiologists, healthcare professionals, academicians, and industry leaders from around the world to exchange knowledge, present cutting-edge research, and discuss the latest advancements in probiotics, nutrition, and gut health.

Target Audience

Researchers, microbiologists, clinicians, gastroenterologists, nutritionists, dietitians, probiotic scientists, and healthcare professionals. Professors, academicians, researchers, and students in probiotics, microbiology, nutrition, and life sciences. Clinical researchers, laboratory specialists, and experts in gut microbiome, functional foods, nutraceuticals, and digestive health, along with industry professionals, healthcare executives, and policy makers in probiotics and nutrition.

Benefits UCG is providing:

1. Get to know other people in your field
2. Hear about the latest research
3. Visit a new place and have fun
4. Meet your academic heroes
5. Engage in high-level debates and refine your ideas
6. Adding to your CV
7. Avail of CME/CPD certification
8. Network with your peers
9. To expand your knowledge and find solutions to problems
10. Meet the best influencers
11. Get new ideas and solutions
12. Get certified or learn new skills

- Meet Experts & Influencers Face to Face
- Gain Targeted Knowledge
- New Tips & Tactics
- Invest In Yourself
- Gain New Collaborations
- Present your Ideas and Work
- Be Inspired
- Travel, Explore and Have Fun!!

EARN 30 CPD CREDITS

The term continuing, or continuous, professional development (CPD), is used to refer to any form of learning you do to better your knowledge, comprehension, and experiences in a certain field. It is an acronym for continuous and planned learning and development. It emphasizes what you learn and how you grow, but it could also involve a formal method for documenting it.

YOUR GROWTH STARTS WITH 21 CPD & CME CREDITS

EARN 30 CME CREDITS

The term "continuing medical education," or 30 CME, refers to learning experiences that help doctors keep their knowledge, skills, and professional relationships up to date, develop them, or improve them so they can better serve their patients, the general public, or the profession.

- ✓ Stay updated with the latest medical knowledge, research, and clinical advancements
- ✓ Enhance practical skills and improve the quality of patient care
- ✓ Strengthen your professional profile and credibility in the probiotics, nutrition, and gut health field.
- ✓ Support career growth, promotions, and new opportunities

Testimonials

Dr. William Song
Internal Medicine Ochsner Health

Priceless Educational Possibilities: The available sessions were thought-provoking and educational. The panelists and keynote speakers discussed innovative research and best practices that I can immediately implement in my day-to-day job.

Dr. Federica Riccobene
Doctor of Medicine

"Well-organized conference with strong scientific value and meaningful discussions on probiotics and gut health."

Mr. Jared Bearss
Chief Operating Officer, Halia Therapeutics, USA

Making connections with colleagues and professionals from a variety of backgrounds was one of the conference's highlights. My perspective has been widened and fresh ideas for next projects have been generated by participating in meaningful talks and group discussions.

Dr. Randa Kaskas
Intereagitive Gut Health Experts

It was a pleasure to meet all of you. It was a great experience full of knowledge. All was perfect, thank you again.

Dr. Mohammad Almobarak
Consultant Physician

"An inspiring forum promoting collaboration and innovation in probiotics and gut health."

Dr. Naim Abu Freha
M.D. Tuebingen University -Germany

It was a very fulfilling experience that had a big influence on my professional growth to attend the 14PGHUCG2024 Conference. I came away from the conference feeling educated, motivated, and armed with fresh concepts and resources to enhance gut health care and promote probiotic use.

Dr. Hichem Bouhouche
Graduation in medical sciences at the Faculty of Medicine of Algiers

In addition to broadening my knowledge, the conference motivated me to approach my work with fresh enthusiasm and insight. The leadership and professional development sessions were especially inspiring, providing me with tactics to further my career and make a more meaningful contribution to the probiotics industry.

Mr. Pedro López Martinez
Gastroenterologist

As distinguished academics in the medical and healthcare fields, we are constantly in awe of the commitment and creativity displayed at the 13PGHUCG Conference. The advancement of our knowledge and use of gut health safety best practices has been greatly aided by this meeting.

Prof Arthur Sun Myint
FRCP, FRCR, FFRCSI, FICS, FRSM

I learned a lot about the most recent developments and difficulties in our area from attending the conference. The probiotics innovations sessions were really insightful and provided useful tactics that I can't wait to use in my practice.

Dr. Zeina Ghossoub
ICF Coach - MCC level, Ph.D. Human Behavior, Leadership and Wellness Coach, Founder and CEO

"A great global platform to share insights on the gut-brain connection and connect with diverse professionals."

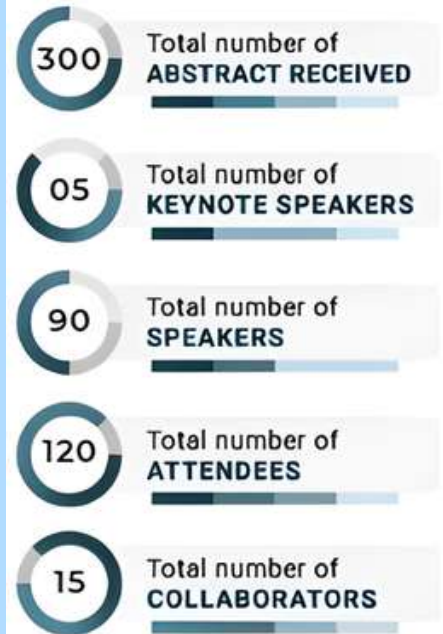

Past Event Report

Utilitarian Conference Gathering successfully hosted its 15th series on "15th World Probiotics, Nutrition, Gut Health Conference and Exhibition", held in Dubai, UAE. The conference was organized with a theme focused on "Nurturing Health from Within: The Transformative Role of Probiotics, Nutrition and Gut Health Science." The event was a remarkable success, where eminent keynote speakers from various universities and organizations addressed the gathering and shared their valuable insights.

The generous response and active participation of the Organizing Committee Members played a major role in the success of this global healthcare event. We extend our sincere gratitude to all esteemed guests, keynote speakers, poster presenters, and delegates for dedicating their time and sharing their valuable research within our global scientific network.

The Organizing Committee would also like to thank everyone who attended the conference for making the sessions a worthwhile and enriching experience. We express our special appreciation to the moderators of the conference sessions and all contributors who ensured the smooth functioning of the event...(click here for more)

Experience Kuala Lumpur

Malaysia

Batu Caves:

Discover the iconic Batu Caves, home to the towering golden Lord Murugan statue and vibrant Hindu temples. Climb 272 colorful steps to explore stunning caves, ancient shrines, and playful monkeys. Perfect for adventure, culture, and unforgettable photos!

KL Tower:

Reach new heights at the iconic KL Tower, one of the tallest telecommunication towers in the world! Enjoy 360° panoramic views of Kuala Lumpur's skyline from the observation deck, dine in the revolving restaurant, or take an adrenaline-pumping adventure with the Sky Deck and Sky Box.

Petronas Twin Towers:

Experience the awe of the Petronas Twin Towers, the world's tallest twin skyscrapers and an iconic symbol of Kuala Lumpur. Take in breathtaking city views from the Skybridge and observation deck, explore the vibrant Suria KLCC shopping mall, and enjoy the beautifully landscaped KLCC Park.
