 - You will be required to create an account or log in to their system if previously registered.
 - Complete the required questions and print your certificate.
- ✓ Direct any questions to: CEInfo@mph.org

PLEASE NOTE: CREDIT WILL NOT BE AWARDED UNLESS ALL CRITERIA IS MET

PURPOSE:

The We Treat Hep C: Focus on Michigan Medicaid training curriculum seeks to educate clinicians and advanced practice providers on the State of Michigan's hepatitis C elimination plan, and the We Treat Hep C Initiative. This initiative aims to increase hepatitis C treatment access among Michigan Medicaid and Healthy Michigan Plan beneficiaries. The goal of the curriculum is to provide the tools, education, and resources to clinicians and advanced practice providers to become confident and comfortable in testing, treating, assessing, monitoring, and evaluating patients for hepatitis C.

LEARNING OUTCOME:

The participant will have knowledge of the state's We Treat Hep C Initiative that increases access to treatment in order to eliminate Hep C along with a direct-acting antiviral (DAA) that has been approved for medicaid. In addition, the participant will know, how to create a baseline assessment, CDC testing guidelines, and follow-up care of HVC.

Purpose, Objectives, and Disclosures

LEARNING OBJECTIVES:

- Describe how to take a focused history, conduct baseline assessment, and order appropriate testing when evaluating patients for hepatitis C treatment.
- Discuss specific situations where referral to a specialist for hepatitis C treatment is warranted and how to monitor patients during and after hepatitis C treatment.
- Learn about the different tools and resources available to providers interested in testing and treating patients for hepatitis C.
- Identify advantages to using current direct-acting antiviral drugs in the treatment of hepatitis C.

EDUCATIONAL PRESENTERS:

Jonathan Cohn, MD, Wayne State University

DISCLOSURES:

None of the planners and speakers have relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare produced used by or on patients.

AVAILABLE CONTINUING EDUCATION:**Continuing Medical Education (ACCME) AMA PRA Category 1 Credits™**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Central Michigan University College of Medicine and MPHI-CES. CMU College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Central Michigan University College of Medicine designates this live activity for a maximum of **.75 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
(MPHI-CES 20218050-1cmu)
