

New Zealand Simulation Instructors Course (NZSIC) Course

DATE

19 - 20 March 2018

COST

NZD \$1150 (including GST)

Target audience

This course is suitable for healthcare professionals training to become competent instructors using simulation.

This includes Specialist Anaesthetists who have completed an ANZCA EMAC course and who would like to become an EMAC instructor.

The course is also suitable for doctors, nurses, paramedics and allied health workers wishing to use simulation techniques in their education practices.

Course information

Course participants should have completed at least two days of simulation-based education prior to undertaking this course.

This course qualifies for the ANZCA CPD programme. A certificate will be issued upon completion of the course.

Course objectives

An introduction to principles and techniques of adult education, including instruction and facilitation and the use of simulation and debriefing.

LOCATION

The Simulation & Skills Centre | Level 9 | CSB

Wellington Regional Hospital
Riddiford Street | Newtown
Wellington 6021 | New Zealand
