

EARN CME/CPD CREDITS

February 1–2, 2027 | Novotel Al Barsha, Dubai

13TH INTERNATIONAL CANCER AND MEDICAL ONCOLOGY CONFERENCE AND EXHIBITION

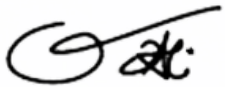

We are delighted to bring together oncologists, cancer specialists, medical professionals, researchers, and experts from around the world to share knowledge, exchange ideas, and advance excellence in cancer care, medical oncology, and innovative treatment approaches.

WELCOME MESSAGE

**MR. OMAR
ALI**

Best Regards

I am Mr. Omar Ali, a dedicated professional engaged in advancing global healthcare initiatives and fostering collaboration within the medical community. With a strong commitment to supporting innovation and excellence in healthcare, I actively contribute to organizing international platforms that bring together experts and thought leaders.

It is my pleasure to invite you to the 13th International Cancer and Medical Oncology Conference & Exhibition, taking place on February 1–2, 2027 in Dubai, UAE. This prestigious event will bring together leading oncologists, cancer researchers, clinicians, and healthcare professionals from around the world to share knowledge, explore the latest advancements in cancer research and treatment, and discuss innovative approaches in medical oncology.

Join us for an enriching experience filled with insightful sessions, collaborative discussions, and valuable networking opportunities, as we work together to advance cancer care and improve patient outcomes globally.

I look forward to having you as part of this brilliant event

About the Conference

The 13th International Cancer and Medical Oncology Conference & Exhibition is a premier international platform that brings together oncologists, medical oncologists, cancer researchers, clinicians, nurses, healthcare professionals, academicians, and industry leaders from around the world.

Target Audience

Oncologists, Medical Oncologists, Radiation Oncologists, and Surgical Oncologists. Cancer Researchers, Clinical Scientists, and Translational Oncology Experts. Oncology Nurses, Nurse Practitioners, and Oncology Nursing Students. Professors, Academicians, and Researchers in Oncology, Cancer Biology, and Medical Sciences. Clinical Specialists in Cancer Care, Rehabilitation Experts, and Palliative Care Professionals. Experts in Patient Safety, Oncology Quality Care, and Risk Management. Healthcare Leaders, Hospital Administrators, Department Heads, and Policy Makers in Cancer Care and Medical Oncology.

Benefits UCG is providing:

1. Get to know other people in your field
2. Hear about the latest research
3. Visit a new place and have fun
4. Meet your academic heroes
5. Engage in high-level debates and refine your ideas
6. Adding to your CV
7. Avail of CME/CPD certification
8. Network with your peers
9. To expand your knowledge and find solutions to problems
10. Meet the best influencers
11. Get new ideas and solutions
12. Get certified or learn new skills

REGISTRATION

We warmly welcome oncologists, cancer specialists, medical educators, academic leaders, healthcare professionals, and industry experts to participate as a group of three (3) members, representing esteemed oncology societies and associations, cancer hospitals and treatment centers, oncology departments, professional medical organizations, multispecialty hospitals, universities and medical colleges, as well as research and academic institutes.

PACKAGE REGISTRATION

2-5 Nights Accommodation | Presentation/Participation Slot | 10-30 CME/CPD Credits | Access to 80+ Scientific Sessions | Networking Opportunities | Coffee Breaks & Lunch | Conference Kit & Program | Photography & Videography Coverage | Complimentary Wi-Fi | Professional Profile & Banner Promotion | Award Nomination | Chairperson Opportunity | 25% Publication Discount | Amenities: Swimming Pool, Laundry Service, Air Conditioning, High-Speed Internet, Room Service, Parking Facilities

SPEAKER REGISTRATION

Join as a Speaker at the 13th International Cancer and Medical Oncology Conference & Exhibition and showcase your research, insights, and expertise to a global audience of oncologists, cancer specialists, clinicians, and healthcare leaders.

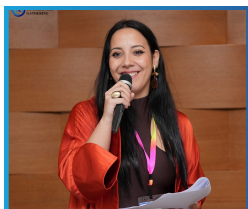

As a speaker, you will have the opportunity to present your work, engage with international experts, and contribute to advancing cancer research, medical oncology, and patient care worldwide.

DELEGATE REGISTRATION

Join as a Delegate at the 13th International Cancer and Medical Oncology Conference & Exhibition and gain valuable insights from leading experts in oncology, cancer research, and medical oncology. Engage in scientific sessions, explore the latest advancements, and expand your professional network.

As a delegate, you will receive full access to all conference sessions, learn from international experts, explore the latest research and innovations in cancer care and treatment, connect with global professionals, engage in meaningful discussions, and receive a certificate of participation—all while enhancing your knowledge and professional growth.

POSTER PRESENTER

Join as a Poster Presenter at the 13th International Cancer and Medical Oncology Conference & Exhibition to showcase your research in a visual format and share your findings with a global audience. This is an excellent opportunity to present your work, receive valuable feedback, and engage with experts and peers in the field of oncology and cancer research.

As a poster presenter, you will gain visibility for your research, interact with international professionals, receive constructive feedback, expand your professional network, and receive a certificate of presentation while contributing to knowledge exchange in cancer care and medical oncology.

EXHIBIT OR REGISTRATION

Join as an Exhibitor at the 13th International Cancer and Medical Oncology Conference & Exhibition to showcase your products, services, and innovations to a global audience of oncologists, cancer specialists, clinicians, decision-makers, and industry leaders. This is a valuable opportunity to enhance your brand visibility and connect with potential clients and partners in the oncology and healthcare sector.

As an exhibitor, you will gain direct exposure to a targeted audience, promote your brand, generate new business leads, build strategic partnerships, and strengthen your presence in the global cancer care and medical oncology market.

CPD ACCREDITATION UNITED STATES | CPD CERTIFICATION THAT'S RECOGNISED WORLDWIDE!

EARN 30 CPD CREDITS

The term continuing, or continuous, professional development (30 CPD), is used to refer to any form of learning you do to better your knowledge, comprehension, and experiences in a certain field. It is an acronym for continuous and planned learning and development. It emphasizes what you learn and how you grow, but it could also involve a formal method for documenting it.

AMERICAN ACCME ACCREDITATION GLOBALLY RECOGNIZED

EARN 30 CME CREDITS

The term "continuing medical education," or 30 CME, refers to learning experiences that help doctors keep their knowledge, skills, and professional relationships up to date, develop them, or improve them so they can better serve their patients, the general public, or the profession.

YOUR GROWTH STARTS WITH 30 CPD & CME CREDITS

- ✓ Stay updated with the latest medical knowledge, research, and clinical advancements
- ✓ Enhance practical skills and improve the quality of patient care

Win Best Speaker Awards

Best Keynote Speaker

Honoring an outstanding and inspiring keynote presentation that delivers impactful insights.

Best Oral Presentation

Awarded for delivering a clear, impactful, and well-structured oral presentation.

Best Poster Presentation

Awarded for an outstanding, clear, and visually engaging poster presentation.

Listener/Delegate Award

Recognizes active participants for their engagement, learning, and contribution to the conference experience.

Young Researcher Award

Honoring early-career researchers for innovation and excellence.

Best Research Award

Recognizing exceptional research that advances cancer care and medical oncology.

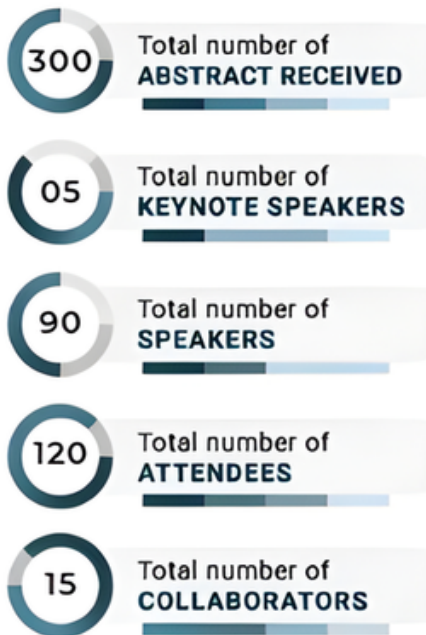

Past Event Report

The Utilitarian Conference Gathering successfully hosted its 12th International Cancer, Oncology and Therapy Conference, held from April 9–10, 2026, in Dubai, UAE. The conference was organized under the theme “Advancing Cancer Care: Integrating Oncology, Innovative Therapies, and Patient-Centered Approaches.” The event marked a significant success, bringing together distinguished keynote speakers from leading universities and organizations who shared their valuable expertise and latest advancements in the field.

The overwhelming response and active involvement of the Organizing Committee Members greatly contributed to the success of this global oncology event. We extend our sincere appreciation to all esteemed guests, keynote speakers, poster presenters, and delegates for their time, commitment, and valuable research contributions to our global scientific community.

The Organizing Committee also expresses its gratitude to all participants for making the sessions insightful and impactful. Special thanks are extended to the session moderators and all contributors whose efforts ensured the seamless execution and overall success of the conference.

Testimonials

Dr. Matus Coma

Pharmacology, Medical Faculty

It was a pleasure participating in the Dubai conference. The scientific sessions, speakers, and overall organization were excellent. Congratulations to the organizing committee....([click here for more](#))

Dr. Sanya Arora

Oncology Fellow

It was a pleasure meeting everyone. The experience was enriching, full of knowledge, and perfectly organized. Thank you once again.... ([click here for more](#))

Dr. Silky Rai

Department of Oncopathology

I recently had the honor of attending the Cancer and Medical Oncology Conference and Exhibition, and it was truly an inspiring experience. The event brought together leading oncologists, researchers, clinicians, and healthcare innovators from around the world, all united by a shared commitment to advancing cancer care, improving patient outcomes, and driving innovation in oncology.....
.... ([click here for more](#))

Dr. Mehrdad Mohammadi

Assistant Professor SUMS and chief executive officer

I am Mehrdad, I want to thank you and the team and organizers of Conference for the opportunity to be a part of the conference. I look forward to future collaborations in subsequent years.

Dr. Ankurita Kuppasad

Histopathology Specialty Registrar

I really like this conference, and I truly appreciate being here and joining this event. I hope that tomorrow all the doctors, PhD students, and other attendees will like my presentation, and that we can discuss it together at this international conference.

Mrs. Uta Rouse Bsc

Oncology Humanitarian & Project Lead, Green Bereavement

My experience at the conference was excellent. High-quality scientific sessions, knowledgeable speakers, and well-managed organization. Thank you, and I look forward to future events.... ([click here for more](#))

Dr. Ekaparna Hazarika

MD in Pathology

It had the pleasure of attending the Cancer and Medical Oncology Conference and Exhibition in Dubai. With over 250 oncology professionals, researchers, and healthcare experts in attendance, the event served as a powerful platform for knowledge exchange and innovation in cancer care..... ([click here for more](#))

Dr. Rohin Mehta

Associate Professor

It was a wonderful experience at this conference. As a speaker I have really enjoyed the interactive sessions going on. The topics have been very relevant and also covering a wide range of relevant topics as it has. I look forward to having more such conferences. Thank you.

Dr. Eshraq El Masry

Clinical Oncologist

Thank you for the opportunity to present my research at this excellent conference full of experts from all over the world. I sincerely recommend it to everyone. Thank you for your help.

Dr. Mohammed Alharthi

Saudi Board in Ophthalmology

As a Ophthalmology, I am continually seeking opportunities to enhance my knowledge and improve Oncology care. Attending this year's Cancer UGCConference has been an incredibly enriching experience.

Experience Dubai UAE

DUBAI

Burj Al Arab:

Known as one of the most luxurious hotels in the world, Burj Al Arab is designed like a sail. It stands on an artificial island and offers ultra-luxury suites, fine dining, and world-class hospitality. It symbolizes Dubai's opulence.

Dubai Marina:

Dubai Marina is a stunning waterfront area filled with skyscrapers, restaurants, and cafes. Visitors can enjoy yacht cruises, nightlife, and scenic walks along the Marina Walk. It's one of the most vibrant areas in the city.

Desert Safari Dubai:

A must-do experience, Desert Safari offers dune bashing, camel rides, sandboarding, and traditional Arabian entertainment. It gives visitors a taste of desert life along with cultural performances and BBQ dinners.
