

***Your definitive source for first-hand
expert guidance on essential exam areas!***

Two new lectures for 2015:

- Syncope and Clinical Syndromes
- Retrograde Conduction

2015 BOARD REVIEW COURSE

Clinical Cardiac Electrophysiology
and ABIM CCEP Prep Course

COURSE DIRECTOR

Kenneth A. Ellenbogen, MD, FHRS

CO-DIRECTORS

Gregory F. Michaud, MD, FHRS | John M. Miller, MD, FHRS

Register today at www.HRSONline.org/BRC15

Register by July 29, 2015 to lock in early registration rates!

Heart Rhythm SocietySM

The Heart Rhythm Society's Annual Board Review Course is the preferred resource for physicians seeking a comprehensive review of content focused on preparation for the American Board of Internal Medicine (ABIM) certification and recertification examinations in Clinical Cardiac Electrophysiology (CCEP). The course provides expert guidance on the essential EP curriculum. For those not preparing for the exam, this course is an excellent update and overview of cardiac electrophysiology.

COURSE HIGHLIGHTS

- ▶ Nine workshops with ABIM CCEP board format questions using audience response system
- ▶ Lectures with content focused on ABIM CCEP board preparation
- ▶ Session on "Strategies for Success: Preparing for the Boards"
- ▶ One-hour simulated exam followed by review
- ▶ Content areas feature topics in:
 - Basic cardiac and Intracardiac electrophysiology
 - Pharmacology of anti-arrhythmic drugs
 - Noninvasive testing for arrhythmias
 - Atrial and other supraventricular tachycardias
 - Catheter ablation
 - Implantable cardioverter defibrillators
 - Cardiac pacing

WHO SHOULD ATTEND?

- ▶ EP Fellows
- ▶ Clinical Cardiac EPs
- ▶ Directors of EP Labs
- ▶ Cardiologists
- ▶ MDs taking the ABIM CCEP Board Certification Exam
- ▶ MDs taking the ABIM CCEP Recertification Exam

LEARNING OBJECTIVES

Upon completion of this educational activity, you will be able to:

- ▶ Describe the current guidelines related to evaluation and management of patients with cardiac rhythm disturbances
- ▶ Describe the role of electrophysiologic testing in managing patients with bradyarrhythmias and tachyarrhythmias
- ▶ Identify the advantages and limitations of diagnostic electrophysiologic methods
- ▶ Identify the role of pharmacologic and non-pharmacologic therapies for the treatment of arrhythmias
- ▶ Recognize the basic electrophysiology and genetics of inherited conditions associated with cardiac arrhythmias
- ▶ Recognize clinical, electrocardiographic, and electrophysiologic characteristics of specific cardiac arrhythmia syndromes
- ▶ Interpret complex electrophysiologic and electrocardiographic tracings
- ▶ Interpret stored electrograms from pacemakers and ICDs

COURSE DIRECTOR

Kenneth A. Ellenbogen, MD, FHRS

Professor of Medicine
Director, Cardiac Electrophysiology and
Pacemaker Laboratory
Medical College of Virginia
Richmond, VA

COURSE CO-DIRECTORS

Gregory F. Michaud, MD, FHRS

Assistant Professor of Medicine
Harvard Medical School
Director, Brigham and Women's Hospital
Center for Advanced Management
of Atrial Fibrillation
Boston, MA

John M. Miller, MD, FHRS

Professor of Medicine
Krannert Institute of Cardiology
Indiana University School of Medicine
Indianapolis, IN

**Join our expert faculty
and enhance your exam
preparations.**

*"Excellent question format.
Lectures were very focused,
to the point, and just what you
need for the Boards."*

— Course Participant

COURSE FORMAT

This course features didactic lectures supplemented with case-based workshops utilizing an audience response system (ARS) to facilitate an interactive learning session and in-depth coverage of exam content areas. Test your decision-making skills in real time as you respond to questions using the ARS and receive immediate feedback on your decisions.

COURSE FACULTY

Samuel J. Asirvatham, MD, FHRS

Professor of Medicine and of Pediatrics
Vice Chair, Division of Cardiovascular Diseases
Director, Clinical Cardiac Electrophysiology
Training Program
Mayo Clinic
Rochester, MN

Alan Cheng, MD, FHRS

Assistant Professor of Medicine
Director, Arrhythmia Device Service
Johns Hopkins University School of Medicine
Baltimore, MD

Edward P. Gerstenfeld, MD, FHRS

Professor of Medicine
Chief, Cardiac Electrophysiology
and Arrhythmia Service
University of California San Francisco
San Francisco, CA

Bruce B. Lerman, MD, FHRS

H. Altschul Master Professor of Medicine
Chief, Division of Cardiology
Director, Cardiac Electrophysiology Laboratory
Weill-Cornell Medical Center
New York Presbyterian Hospital
New York, NY

Barry London, MD, PhD

Professor of Medicine
Chair, Division of Cardiovascular Medicine
Co-Director, Cardiovascular Research Center
University of Iowa Carver College of Medicine
Iowa City, IA

Francis E. Marchlinski, MD, FHRS

Professor of Medicine
University of Pennsylvania Health System
Philadelphia, PA

Fred Morady, MD

McKay Professor of Cardiovascular Disease
Professor of Medicine
University of Michigan Health System
Ann Arbor, MI

Jeanne E. Poole, MD, FHRS

Professor of Medicine
Division of Cardiology
University of Washington
Seattle, WA

Eric N. Prystowsky, MD, FHRS

Consulting Professor of Medicine
Duke University Medical Center
Durham, North Carolina
Director, Clinical Electrophysiology Laboratory
St. Vincent Hospital and Health Center
Indianapolis, IN

William G. Stevenson, MD, FHRS

Professor of Medicine
Harvard Medical School
Arrhythmia Service
Brigham and Women's Hospital
Boston, MA

Gordon F. Tomaselli, MD, FHRS

Professor of Medicine
Michel Mirowski Professor of Cardiology
Chief, Division of Cardiology
Johns Hopkins University School of Medicine
Baltimore, MD

2015 Board Review Course in Cardiac Electrophysiology and ABIM CCEP Prep Course Agenda

Note: Presentations and faculty subject to change

Wednesday, August 19, 2015

8 a.m. – 8:30 p.m. REGISTRATION OPEN

10 a.m. – Noon

ABIM CCEP Prep Course

Alan Cheng, MD, FHRS

Kenneth A. Ellenbogen, MD, FHRS

1 – 1:15 p.m.

Welcome and Overview of Course

Kenneth A. Ellenbogen, MD, FHRS

1:15 – 1:30 p.m.

Strategies for Success: Preparing for the Boards

Kenneth A. Ellenbogen, MD, FHRS

► Session I: Basic Science and Fundamentals of Electrophysiology

Chair: Kenneth A. Ellenbogen, MD, FHRS

1:30 – 2:30 p.m.

Basic Electrophysiology Principles for the Clinician

Gordon F. Tomaselli, MD, FHRS

2:30 – 3:30 p.m.

Inherited Ion Channelopathies

Barry London, MD, PhD

3:30 – 3:45 p.m. COFFEE BREAK

3:45 – 4:30 p.m.

Syncope and Clinical Syndromes

Bruce B. Lerman, MD, FHRS

4:30 – 5:30 p.m.

Sinoatrial and Atrioventricular Nodes and His-Purkinje System: Anatomy, Evaluation, Autonomics and Therapy

John M. Miller, MD, FHRS

5:30 – 6:15 p.m.

Retrograde Conduction

John M. Miller, MD, FHRS

6:15 – 6:45 p.m. DINNER

6:45 – 9:15 p.m.

Workshop #1: Electrocardiographic/ Electrophysiologic Correlations

6:45 – 7:10 p.m.

Physiology and Conduction

John M. Miller, MD, FHRS

7:10 – 7:45 p.m.

Basic Science and Channelopathies

Barry London, MD, PhD

7:45 – 8:15 p.m.

Antegrade Conduction and Clinical Syndromes

Alan Cheng, MD, FHRS

8:15 – 8:45 p.m.

Basic Science

Gordon F. Tomaselli, MD, FHRS

8:45 – 9:15 p.m.

Assorted Topics: SVT Tracings, VT Tracings, Physiology

Bruce B. Lerman, MD, FHRS

9:15 p.m.

Adjourn

Thursday, August 20, 2015

7 – 7:30 a.m. CONTINENTAL BREAKFAST

► Session II: Invasive Diagnosis and Treatment

Chair: John M. Miller, MD, FHRS

7:30 – 8:10 a.m.

Use of Entrainment in Supraventricular Tachycardia

John M. Miller, MD, FHRS

8:10 – 8:45 a.m.

Principles of Entrainment – VT

William G. Stevenson, MD, FHRS

8:45 – 9:30 a.m.

Techniques of Differentiating SVT Mechanisms: Part I

Gregory F. Michaud, MD, FHRS

9:30 – 9:45 a.m. COFFEE BREAK

9:45 – 10:15 a.m.

Techniques of Differentiating SVT Mechanisms: Part II

Gregory F. Michaud, MD, FHRS

10:15 – 11:45 a.m.

Workshop #2: Entrainment and SVT Maneuvers

10:15 – 10:45 a.m.

SVT Maneuvers Cases

Gregory F. Michaud, MD, FHRS

10:45 – 11:15 a.m.

Entrainment Cases – VT

William G. Stevenson, MD, FHRS

11:15 – 11:45 a.m.

Entrainment Cases – SVT

John M. Miller, MD, FHRS

11:45 a.m. – 12:45 p.m. LUNCH

12:45 – 2 p.m.

Catheter Ablation of Atrial Tachycardia and Atrial Flutter

William G. Stevenson, MD, FHRS

2 – 2:45 p.m.

Catheter Ablation of Accessory Pathways

Fred Morady, MD

2:45 – 3:15 p.m. COFFEE BREAK

3:15 – 5:15 p.m.

Workshop #3: SVT Mechanisms/Maneuvers

3:15 – 3:45 p.m.

William G. Stevenson, MD, FHRS

3:45 – 4:15 p.m.

Eric N. Prystowsky, MD, FHRS

4:15 – 4:45 p.m.

Gregory Michaud, MD, FHRS

4:45 – 5:15 p.m.

Fred Morady, MD

5:15 – 6 p.m.

Catheter Ablation of AV Nodal Reentrant Tachycardia

Fred Morady, MD

6 p.m.

Adjourn

2015 Board Review Course in Cardiac Electrophysiology and ABIM CCEP Prep Course Agenda

Note: Presentation and faculty subject to change

Friday, August 21, 2015

7 – 7:15 a.m. CONTINENTAL BREAKFAST

► Session III: Invasive Diagnosis and Treatment

Chair: Francis E. Marchlinski, MD, FHRS

7:15 – 8:30 a.m.

Ventricular Tachycardia: Ischemic and Nonischemic Cardiomyopathy and Other Unique VT Syndromes

Francis E. Marchlinski, MD, FHRS

8:30 – 9:30 a.m.

Workshop #4: SVT and VT Invasive/Noninvasive Correlation

8:30 – 8:50 a.m.

Fred Morady, MD

8:50 – 9:10 a.m.

John M. Miller, MD, FHRS

9:10 – 9:30 a.m.

Francis E. Marchlinski, MD, FHRS

9:30 – 9:45 a.m. COFFEE BREAK

9:45 – 10:45 a.m.

Wide Complex Tachycardias: Idiopathic VTs, Bundle Branch Reentry, Antidromic Tachycardias, Mechanisms, Electrocardiographic Manifestations, Invasive Assessment, and Ablation

Samuel J. Asirvatham, MD, FHRS

10:45 – 11:45 a.m.

Workshop #5: Invasive/Noninvasive Correlation

10:45 – 11:05 a.m.

Gregory F. Michaud, MD, FHRS

11:05 – 11:25 a.m.

William G. Stevenson, MD, FHRS

11:25 – 11:45 a.m.

Francis E. Marchlinski, MD, FHRS

11:45 a.m. – 12:45 p.m. LUNCH

► Session IV: Noninvasive Diagnosis and Treatment

Chair: Gregory F. Michaud, MD, FHRS

12:45 – 2 p.m.

Pharmacokinetics, Pharmacodynamics, Pharmacogenetics, and Clinical Electrophysiology of Anti-arrhythmic Drugs: Parts I & II

Jeanne E. Poole, MD, FHRS

2 – 3 p.m.

Workshop #6: Electrocardiographic/Electrophysiological Correlations

2 – 2:20 p.m.

Edward P. Gerstenfeld, MD, FHRS

2:20 – 2:40 p.m.

Jeanne E. Poole, MD, FHRS

2:40 – 3 p.m.

Samuel J. Asirvatham, MD, FHRS

3 – 3:15 p.m. COFFEE BREAK

3:15 – 4 p.m.

Mechanisms, Pharmacologic, and Non-pharmacologic Treatment of Atrial Fibrillation

Edward P. Gerstenfeld, MD, FHRS

4 – 4:20 p.m.

Biophysics of Catheter Ablation

Edward P. Gerstenfeld, MD, FHRS

4:20 – 6:30 p.m.

Workshop #7: Electrocardiographic/Electrophysiological Correlations, Atrial Fibrillation, Clinical Scenarios, and Syndromes

4:20 – 4:50 p.m.

Edward P. Gerstenfeld, MD, FHRS

4:50 – 5:20 p.m.

Jeanne E. Poole, MD, FHRS

5:20 – 6 p.m.

Samuel J. Asirvatham, MD, FHRS

6 – 6:30 p.m.

Eric N. Prystowsky, MD, FHRS

6:30 p.m.

Adjourn

Saturday, August 22, 2015

7 – 7:30 a.m. CONTINENTAL BREAKFAST

► Session V: Clinical Scenarios/Device Management

Chair: Samuel J. Asirvatham, MD, FHRS

7:30 – 8:30 a.m.

Device: Evaluation, Management, and Troubleshooting

Kenneth A. Ellenbogen, MD, FHRS

8:30 – 9:45 a.m.

Workshop #8: Device Cases

8:30 – 8:55 a.m.

Kenneth A. Ellenbogen, MD, FHRS

8:55 – 9:20 a.m.

Jeanne E. Poole, MD, FHRS

9:20 – 9:45 a.m.

Samuel J. Asirvatham, MD, FHRS

9:45 – 10 a.m. COFFEE BREAK

10 a.m. – 12:15 p.m.

Board Session: Simulated Exam and Review

Kenneth A. Ellenbogen, MD, FHRS

Gregory F. Michaud, MD, FHRS

John M. Miller, MD, FHRS

Samuel J. Asirvatham, MD, FHRS

12:15 – 12:45 p.m.

Workshop #9: Arrhythmia Case Studies/Putting It All Together for the Boards

12:15 – 12:30 p.m.

Kenneth A. Ellenbogen, MD, FHRS

12:30 – 12:45 p.m.

John M. Miller, MD, FHRS

12:45 – 1 p.m.

Concluding Remarks/Course Adjourns

Kenneth A. Ellenbogen, MD, FHRS

NEW IN 2015

Presentations will be available to download two weeks prior to the live course. Attendees are encouraged to download the content on all their devices in advance.

GENERAL INFORMATION

AMERICAN BOARD OF INTERNAL MEDICINE (ABIM) EXAMINATION

The ABIM will be administering certification and recertification examinations in Clinical Cardiac Electrophysiology (CCEP) on October 1, 2015. For information on the certification or recertification examinations, please contact the ABIM at 800-441-2246 or 215-446-3500 or visit www.abim.org.

ABIM CCEP PREP COURSE

The ABIM CCEP Prep Course is the newly released (March 30, 2015) Self-evaluation Medical Knowledge Module. The Prep Course is intended to provide participants with an opportunity to assess their knowledge of recent advances that have affected clinical practice in the field of clinical cardiac electrophysiology. Led by ABIM Board Certified faculty, participants of this Maintenance of Certification (MOC) Learning Session will develop group consensus answers to the questions in the module. ABIM awards 10 MOC points upon completion of this Module.

ACCREDITATION STATEMENT

The Heart Rhythm Society is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION STATEMENT

The Heart Rhythm Society designates this live activity for a maximum of 31 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The AMA has determined that physicians not licensed in the United States who participate in this CME activity are eligible for *AMA PRA Category 1 Credits*[™].

HEART RHYTHM BOARD REVIEW ON DEMAND!

Extend your learning with **Heart Rhythm Board Review On Demand**. The Heart Rhythm Society is pleased to offer the digital on-demand product to registrants of Board Review Course at one-third the retail value.

Heart Rhythm Board Review On Demand delivers video presentations with slides and fully synchronized audio allowing the opportunity to re-review critical components likely needed for successful completion of the board certification examination, all from the convenience of your own computer.

With **Heart Rhythm Board Review On Demand**, sessions become available online 24 hours after the live presentation has concluded, so you can continue preparing for your boards right away!

Additional features of **Heart Rhythm Board Review On Demand** include:

- Compact USB drive for complete access offline
- Mobile streaming for most mobile devices, including iPad, iPhone, and Android devices*
- MP3 downloads for convenient on-the-go audio

Get the complete package (Board Review Course, Board Review On Demand, and the ABIM CCEP Prep Course) and save! Become a member and save even more. See pricing on the following page.

*Android 4.0 and higher

DISCLOSURE OF FACULTY'S COMMERCIAL RELATIONSHIP(S)

It is the policy of the Heart Rhythm Society to ensure balance, independent objectivity, and scientific rigor in all its certified educational activities. Everyone involved in the planning and participation of continuing medical education activities is required to disclose any real or apparent conflict of interest related to the content of his/her presentations and also disclose discussions of unlabeled/unapproved uses of drugs or devices during his/her presentations. In accordance with the ACCME's Standards for Commercial Support of Continuing Medical Education, all faculty and planning partners must disclose any financial relationship(s) or other relationship(s) held within the past 12 months. The Heart Rhythm Society implements a mechanism to identify and resolve all conflicts of interest prior to delivering the educational activity to learners. Detailed disclosure information will be made available prior to the activity and in the activity slides.

MEMBER REGISTRATION REQUIREMENTS

To receive the member rate you must be a Heart Rhythm Society member in good standing at the time of registration. All non-members must register at the non-member rate.

To apply for membership, please visit www.HRSONline.org/Join. Anyone applying for membership with the Heart Rhythm Society during the Board Review Course registration period must complete his/her application packet and be approved by the Society prior to registering for the course. The Society will not reimburse the difference between the member and non-member rates for attendees who register prior to membership approval.

CANCELLATION/REFUND POLICY

All requests for cancellation of your registration for the Board Review Course and/or the ABIM CCEP Prep Course must be made in written format and received by July 29, 2015. A **\$75.00** processing fee will be withheld. Course registration fees are non-refundable for cancellations received after July 29, 2015. There is no refund for "no-shows." Written cancellations should be faxed to 208-979-7777 or sent via e-mail to reghousing@internationaleventconnection.com.

REGISTRATION/COURSE FEES

Registration fees for Board Review Course only include all sessions, workshops, and course materials for the main course, as well as dinner on Wednesday, August 19, continental breakfasts August 20 – 22, and lunches on August 20 and 21. They do not include the ABIM CCEP Prep Course or Board Review On Demand. You may buy each individually (Board Review Course, Board Review On Demand, and the ABIM CCEP Prep Course), or purchase all three as a complete package and get the ABIM CCEP Prep Course for free. Pricing is shown on the following page.

PAYMENT POLICY

The Heart Rhythm Society will process and accept the following credit cards: American Express, VISA, and MasterCard. Checks submitted must be drawn on a U.S. bank in U.S. dollars and made payable to the Heart Rhythm Society. The registrant pays all fees or charges connected with payment. Please note:

- All registration information must be complete in order to be processed.
- Registration forms may be reproduced.
- Wire/bank transfers are **not** accepted.

HOTEL RESERVATIONS

A block of rooms has been reserved at the Renaissance Chicago Downtown at the special meeting rate of **\$248 plus applicable tax (16.40%) per night (single/double)**. The first-come, first-served special rate is available until 11:59 p.m. July 29, 2015, after which, rooms will be offered on a space and rate available basis. Hotel reservations must be made through one of the registration options offered by the Heart Rhythm Society. A one-night room and tax deposit is required to secure your reservation and is refundable up until 72 hours prior to your arrival date. If you cancel your hotel reservation within 72 hours of arrival or if you are a "no-show," a one-night room and tax penalty will apply. This hotel is a non-smoking facility.

In the unlikely event that the course is cancelled, the Heart Rhythm Society is responsible only for full refund of the registration fee and not for transportation, hotel accommodations, or any miscellaneous expenses.

- ☐ Retired
- ☐ Veterans Administration
- ☐ Other, please specify: _____

5. Are you a member of the American Medical Association?

- ☐ Yes
- ☐ No

2015 BOARD REVIEW COURSE – PRE-COURSE QUESTIONNAIRE (*required field)

As we look forward to the 2015 Board Review Course, the Society would like to learn briefly about your goals for this course along with the level of your current knowledge regarding the course material. Your feedback on these questions is imperative for planning effective educational opportunities in the future.

Are you planning to take the ABIM CCEP Exam on October 1, 2015?

☐ Yes ☐ No

If yes, for: ☐ Certification ☐ Recertification

Which of the following, if any, are among the goals you would like to achieve from your experience at the Heart Rhythm Society's 2015 Board Review Course?

- ☐ Gain knowledge about a subject in which I currently have a specific interest or focus
- ☐ Gain knowledge about a subject with which I'm not currently familiar
- ☐ Meet a particular person or number of persons I don't currently know personally
- ☐ See and spend time with a particular person or number of persons with whom I'm currently acquainted (e.g., colleagues, old friends)
- ☐ Ensure that I get exposure to others in the field who are important to me
- ☐ Learn more about new drugs, equipment, products, and/or services in which I currently have an interest
- ☐ Learn about drugs, equipment, products and/or services with which I'm not currently familiar

How well would you rate your knowledge in the following areas on a scale of 1 – 3 with 1 = highly knowledgeable, 2 = somewhat knowledgeable, and 3 = little to no knowledge?*

Current guidelines related to evaluation and management of patients with cardiac rhythm disturbances

1 2 3

Electrophysiologic testing in patients with bradyarrhythmias and tachyarrhythmias

1 2 3

Advantages and limitations of diagnostic electrophysiologic methods

1 2 3

Use of pharmacologic and non-pharmacologic therapies in the treatment of arrhythmias

1 2 3

Basic electrophysiology and genetics of inherited conditions associated with cardiac arrhythmias

1 2 3

Recognition of clinical, electrocardiographic, and electrophysiologic characteristics of specific cardiac arrhythmia syndromes

1 2 3

Interpretation of complex electrophysiologic and electrocardiographic tracings

1 2 3

Interpretation of electrograms from pacemakers and ICDs

1 2 3

Do you plan to stay in the host conference hotel, the Renaissance Chicago Downtown?

☐ Yes ☐ No

If no,

- ☐ I plan to stay with family and/or friends
- ☐ I plan to stay in alternative hotel accommodations for cost reasons
- ☐ I plan to stay in alternative hotel accommodations for hotel brand loyalty reasons
- ☐ I plan to stay in alternative accommodations as a matter of preference
- ☐ Other (please specify): _____

Please indicate the city you prefer for the annual Heart Rhythm Society Board Review Course:

- ☐ Boston
- ☐ Chicago
- ☐ Dallas
- ☐ San Francisco
- ☐ Washington, D.C.

Please indicate the hotel/venue you prefer for the annual Heart Rhythm Society Board Review Course:

- ☐ Downtown Hotel
- ☐ Airport Hotel
- ☐ No Preference

Thank you for sharing your time and thoughts. The Society will follow up with you after the course to obtain feedback on your experience by asking you to complete a similar survey at the conclusion of the course.
