

# Welcome to World Congress on Chemistry

October 24-25, 2019, Valencia, Spain

---

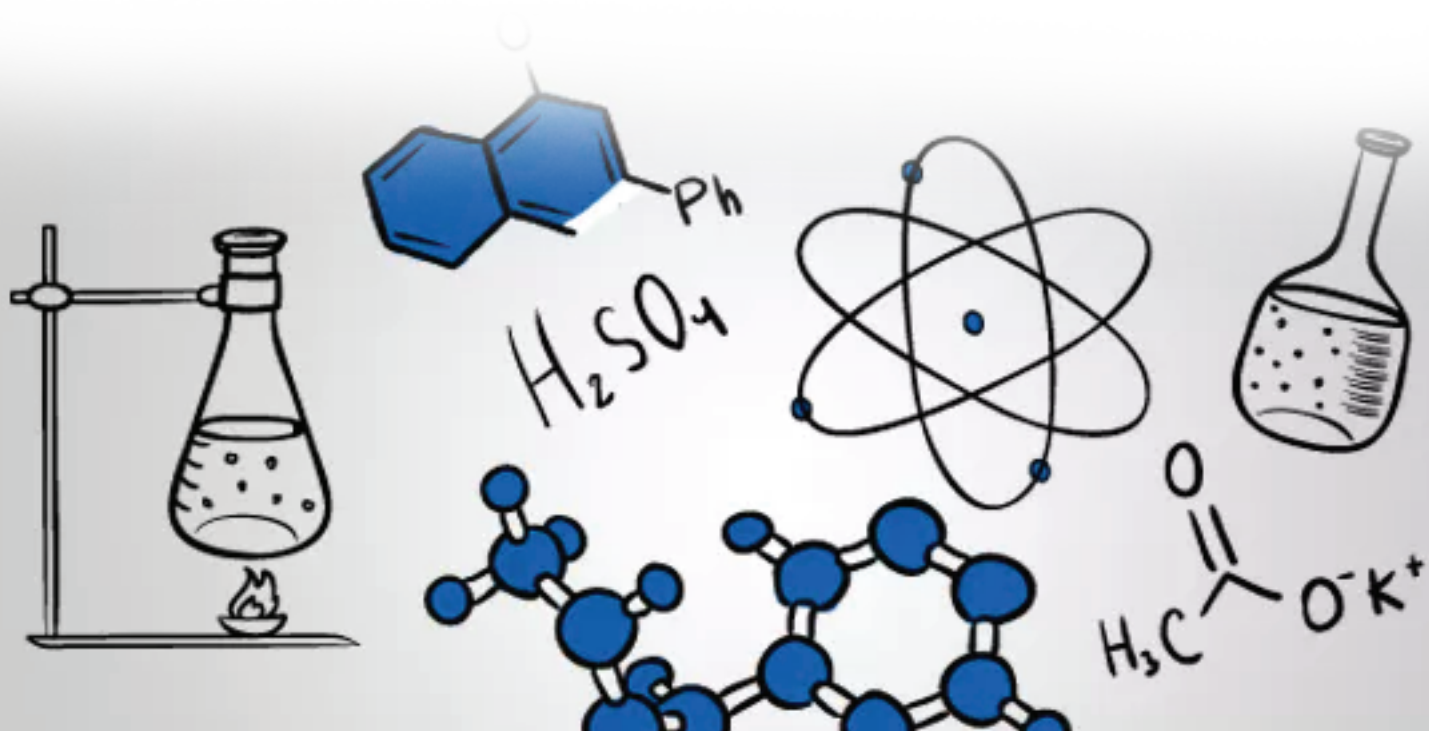

# Welcome Message

ConferenceEra would like to take this opportunity to welcome all of you to World Congress on Chemistry which is to be held during October 24-25, 2019, Valencia, Spain. The conference will analyze the recent advancements and new models that can be enforced to the research to take Chemistry one step further to create better environment to the mankind.

The main objective of the conference is to bring together leading Academicians, Scientists, Researchers, Chemical Engineers, Graduate students from the field of Chemistry, Chemical Sciences and others whose interest is to promote research at the school, college and university levels, and among the general public.

The organizing committee believes that this conference will be a great use for all the people working in field of Chemistry and Chemical Sciences in finding the solutions for all the problems that are appearing in the research.

# Topics Covered in the conference

The conference sessions will run on different topics that are related to Chemistry and Chemical Science. Below is the list of topics that will be mainly targeted during the conference. All the researchers are encouraged to submit their abstracts on any of the Earth Sciences topics. The organizing committee will consider the abstracts and will allot the slots for the speakers during the 2 day conference.

- **Adrenergic Drugs**
- **Advance Trends in Organic & Inorganic Chemistry**
- **Anti-Cancer Drug Discovery**
- **Applied Biopharmaceutics**
- **Bio-Drug Discovery**
- **Bio-Inorganic Technology**
- **Bio-Macromolecular Machinery**
- **Cancer Studies: Drug Delivery Chemistry**
- **Clinical Pharmacology and Pharmacy**
- **Food Biochemistry**
- **Formulation and Development of Biotherapeutics**
- **Medicinal Chemistry**
- **New Chemical Entity Development**
- **Novel Drug Delivery System**
- **Pharmacogenetics and Pharmacogenomics**
- **Pharmacokinetics and Pharmacodynamics**

# Important Information

A

## Important Dates

First Round Abstract Submission: 25<sup>th</sup> July, 2019  
Abstract Acceptance Notification: 30<sup>th</sup> July, 2019

B

## Venue

Valencia, Spain

C

## Email

[chemistry@conferenceera.com](mailto:chemistry@conferenceera.com)

D

## Abstract Submission

<http://chemistry.conferenceera.com/abstract-submission>

## WCC-2019

# About Spain

The port city of Valencia lies on Spain's southeastern coast, where the Turia River meets the Mediterranean Sea. It's known for its City of Arts and Sciences, with futuristic structures including a planetarium, an oceanarium and an interactive museum. Valencia also has several beaches, including some within nearby Albufera Park, a wetlands reserve with a lake and walking trails. Due to its long history, this is a city with numerous popular celebrations and traditions, such as the Fallas (featuring the traditional Spanish dish paella), which were declared as Fiestas of National Tourist Interest of Spain. Valencia is a bilingual city: Valencian and Spanish are the two official languages. Spanish is official in all of Spain, whereas Valencian is official in the Valencian Community.

### City Attractions

- ❖ The gothic courtyard of the Palace of the Admiral of Aragon
- ❖ Convento de Santo Domingo
- ❖ Llotja de la Seda (Silk Exchange, interior)
- ❖ Palace of the Marques de Dos Aguas
- ❖ L'Hemisfèric (IMAX Dome cinema) and Palau de les Arts Reina Sofia
- ❖ Museu de les Ciències Príncep Felipe
- ❖ Assut de l'Or Bridge and L'Agora
- ❖ The Museum of Fine Arts of Valencia
- ❖ Mercat Central (Central Market)
- ❖ Sea Life Bangkok Ocean World
- ❖ Real Colegio Seminario del Corpus Christi
- ❖ Monastery of San Miguel de los Reyes built between 1548-1763
- ❖ Palau de la Generalitat
- ❖ Chatuchak Weekend Market
- ❖ Sala Nova hall (16th century)
