

12th Annual Mid-Atlantic *Hospital Medicine Symposium*

MASTERING THE CARE OF THE HOSPITALIZED PATIENT

Friday & Saturday
October 20-21, 2017

Course Director

Andrew S. Dunn, MD, MPH, FACP, SFHM

Icahn School of Medicine at Mount Sinai

1470 Madison Avenue • New York, NY

Co-provided by

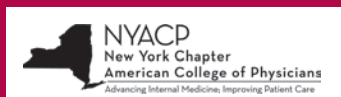

Department of Medicine

Icahn School of Medicine at Mount Sinai

and the

New York Chapter, American College of Physicians

***An SHM-affiliated
Meeting***

www.icaahn.mssm.edu/cme/courses

We all recall the Master Clinician who helped train us; this was the clinician we most wanted to emulate and hoped to become. Clinicians gain acumen and skill over time through experience, discussion with colleagues, and development activities. Our symposium's key topics, expert faculty, and flexible format are designed to ensure a highly valuable experience that will move you forward towards your goal of becoming a master clinician.

Our faculty consists of national and international leaders in their fields and our sessions have been designed to provide highly relevant material in a concise and stimulating format.

HIGHLIGHTS INCLUDE:

- **Keynote speaker, Dr. Scott A. Flanders**, Past-President of the **Society of Hospital Medicine (SHM)**, speaking on What's New in Pneumonia. Learn about cutting edge strategies, including whether it's time for steroids.
- **Renowned experts**, including Sean Pinney presenting Advances in CHF.
- **Pearls for Practice** series presenting rapid fire lectures on core topics, including Air it Out – choosing HiFlo or NIPPV, All Access – choosing midline or PICC, and how to Manage Pain without Opioids.
- **Skills Workshop** – Enhance your expertise in essential skills that impact patient care on a daily basis. Stations include Acid-base interpretation, CXR evaluation, and advanced ECG analysis.
- **Handheld Ultrasound Skills** – Develop your expertise in bedside sono!

Our **WORKSHOPS** provide participants with a **choice of Three Tracks** in which to gain expertise. Concentrate in one track to develop expertise or mix-and-match tracks to experience a variety of topics:

- (1) **HOSPITALIST AS GENERALIST**—Develop mastery of core topics, including Pain Management, Pre-Operative Assessment, and Post-Op Management
- (2) **HOSPITALIST AS SPECIALIST**—Develop expertise in areas such as stabilizing critically ill patients, caring for patients with HIV, and inpatient diabetes challenges
- (3) **ENHANCING QUALITY & VALUE**—Workshops will educate and enlighten on topics including Team-based Care with physicians, NPs, and PAs; Peeking behind the SNF curtain; and Bedside Ultrasound

Come to increase your knowledge of core topics, learn more of subspecialty conditions, increase your value to your hospital, and network with colleagues. Come to continue your quest to become a **Master Clinician!**

PROGRAM OBJECTIVES

At the conclusion of this CME activity, the participant should be able to:

- Apply cutting-edge data to provide the most up-to-date treatment for patients with pneumonia
- Treat patients with pain syndromes with effective regimens that do not include opioid analgesics
- Choose HiFlo nasal cannula or Bipap for appropriate patients with acute respiratory failure
- Optimize patients with major comorbidities prior to surgery and recognize common complications in the post-operative setting
- Identify best practices in teamwork and collaboration among hospitalists and Advanced Practice Clinicians on hospitalist teams

WHO SHOULD ATTEND?

Hospitalists, General Internists, Nurse Practitioners, Physician Assistants, House Staff, Medical Students.

ACCREDITATION

The Icahn School of Medicine at Mount Sinai is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

CREDIT DESIGNATION

The Icahn School of Medicine at Mount Sinai designates this live activity for a maximum of **11.0 AMA PRA Category 1 Credit(s)™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

VERIFICATION OF ATTENDANCE

Will be provided to all professionals.

COURSE LOCATION

All sessions will be held in **The Bonnie M. Davis, MD and Kenneth L. Davis, MD Auditorium, 2nd floor**, 1470 Madison Avenue (Between 101st & 102nd Streets), New York, NY 10029.

Directions and Parking, go to www.ichn.mssm.edu/about/visiting

ACCOMMODATIONS

Discounted sleeping rooms can be reserved with our Housing Manager, Denise Newman, Cell/Text: 347-236-7181 Phone: 718-835-4911; email: dnew229@aol.com

Park Lane Hotel, 36 Central Park South. Rate: \$319 ++ ■ The Bentley Hotel, 500 East 62nd street. Rate: \$289++ New York, NY.

Mount Sinai Health System

Maria Reyna, MD

Assistant Professor of Medicine
Unit Medical Director, Department of Medicine
Mount Sinai Hospital

Dorian Royal, NP, DNP

Department of Nursing
Mount Sinai Hospital

Mary Salvatore, MD, MBA

Assistant Professor of Radiology
Mount Sinai Health System

Sangyoon Jason Shin, DO

Assistant Professor of Medicine
Medical Director, Pre-Surgical Testing
Mount Sinai Beth Israel

FACULTY DISCLOSURE

It is the policy of the Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course material.

12th Annual Mid-Atlantic
Hospital Medicine Symposium

MASTERING THE CARE OF THE HOSPITALIZED PATIENT

Friday & Saturday, October 20-21, 2017

The Bonnie M. Davis, MD and Kenneth L. Davis, MD Auditorium, 2nd floor
1470 Madison Avenue (Between 101st & 102nd Streets) New York, NY

REGISTRATION FEES

☐ Physicians	\$300	☐ Mount Sinai Health System (MSHS) Physicians	\$200
☐ Allied Health Professionals	\$250	☐ Mount Sinai Health System (MSHS) Allied Health Professionals	\$150
☐ Residents, Fellows	\$175	☐ Mount Sinai Health System (MSHS) Residents, Fellows	*Complimentary

**To receive complimentary registration code Mount Sinai Health System (MSHS) Residents and Fellows must email: cme@mssm.edu with a copy of their Hospital ID or letter from their program director; then Register Online. MSHS Residency and Fellowship will be verified.*

☐ Yes, I would like information about The Society of Hospital Medicine (SHM) www.joinshm.org

Online Registration: www.icahn.mssm.edu/cme/courses
