

UPDATES IN KIDNEY AND PANCREAS TRANSPLANTATION AND LIVING KIDNEY DONATION CONFERENCE

PROGRAM OVERVIEW: Kidney transplantation is the best option to restore quality of life for patients with end stage renal disease. In-center dialysis in particular, requires a huge time commitment from patients who undergo treatment 3 times weekly for several hours each session. This conference is designed to educate dialysis unit staff, particularly technicians, enabling them to provide accurate information to their dialysis patients about what they can expect once referred for kidney transplant evaluation.

Through partnership with dialysis unit staff, we are able to provide a consistent message about the lifesaving benefit of kidney transplantation, the best option for kidney transplant which is living donation and what patients will encounter as a part of their evaluation. We also hope to familiarize dialysis unit staff regarding requirements for pancreas transplantation. Patients may be declined for kidney transplantation due to restrictive BMI criteria. Weight loss on dialysis is difficult. Through the use of robotic surgery, patients may be eligible for transplant while still encouraged to have a healthy nutritional lifestyle.

Social media can be used as a tool to inform communities regarding a patient's need for kidney transplant and promote living donation as their best option. Our goal is to inform regarding appropriate use of social media for this purpose. Financial barriers to kidney transplantation are of significant concern to recipients. We will inform attendees of success stories they can share with their patients.

Thursday, June 28, 2018

8:00AM - 4:00PM

OMNI HOTELS & RESORTS, CHARLOTTESVILLE, VA

EDUCATIONAL OBJECTIVES

- 1 Understand why kidney transplantation is the best option for most patients diagnosed with end stage renal disease.
- 2 Describe benefits of robotic surgery for patients with increased BMI or pancreas recipients.
- 3 Describe changes in renal transplantation over the past 50 years and what the new frontier may look like in the next decades.
- 4 Understand decision making process by selection committee in approving or declining candidates for kidney transplantation.
- 5 Discuss impact of social media for identification of living donors.
- 6 Discuss what techniques have been utilized by kidney transplant candidates to fundraise for their surgery.

Nursing Continuing Education

SPEAKERS AND PLANNING COMMITTEE (*)

Barb Shephard, BSN, RN*
Course Director
Renal Transplant Outreach Coordinator

Avi Agarwal, MD
Assistant Professor of Surgery

Benjamin Beitzel, RN, MSN*
Nurse Manager of Transplant Services

Kenneth Brayman, MD*
Transplant Program Surgical Director

Alden Doyle, MD*
Transplant Program Medical Director

Deborah L Firebaugh*
Financial Coordinator

Mallory Foster, RD, CNSC
Nutritionist

Christine M Gries, RD*
Nutritionist

Roxanne D Hickman*
Transplant Financial Coordinator

Shannon James*
Financial Coordinator of Kidney Transplant Program

Barbara Jefferson, RN*
Amherst Dialysis Nurse

Sarah Klick, LCSW*
Counselor, Fresenius Medical Care, Roanoke VA

Emily Lyster, MSW, LCSW*
Living Donor Advocate

Angie G Nishio-Lucar, MD*
Assistant Professor of Nephrology

Jose Oberholzer, MD, MHCM, FACS
Director of Charles O Strickler Transplant Center

Kathryn Reid, PhD, RN, FNP-C*
Nurse Planner; Associate Professor of Nursing

Anita Sites, MSN, RN, AG-ACNP, CCTC*
Living Donor Nurse Practitioner

Lisa Williams, RN, BSN*
Living Donor Nurse Coordinator for Transplant Services

Andrea M Zimmerman, EdD*
Continuing Medical Education Program Manager

AGENDA

8:00-9:00 A	Registration, Breakfast, and Visit Exhibitors	
9:00-9:45	Why Kidney Transplantation?	Alden Doyle, MD
9:45-10:30	Patient Panel	
10:30-10:45	Break and Visit Exhibitors	
10:45-11:30	Robotic Surgery: Increased BMI, pancreas	Jose Oberholzer, MD
11:30-12:00 P	Nutritional Issues and Kidney Transplant	Mallory Foster
12:00-1:00	Lunch provided	
	Mock Selection Conference	Multidisciplinary Team
1:00-1:30	Living Donation and Social Media	Lisa Williams, RN
1:30-2:30	Success Stories: Fundraising for Transplant	Shannon James & Patient
2:30-2:45	Break and Visit Exhibitors	
2:45-3:45	Kidney Transplant: Past, Present and Future	Avi Agarwal, MD
3:45-4:00	Closing Remarks	Ken Brayman, MD

ACCREDITATION AND DESIGNATION STATEMENT

University of Virginia School of Nursing Continuing Education is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

UVA School of Nursing Continuing Education awards 6.25 contact hours for nurses who participate in this educational activity and complete the post activity evaluation.

The University of Virginia School of Nursing Continuing Education awards 6.25 hours of participation to each non-nurse participants who successfully completes this educational activity. The University of Virginia School of Nursing Continuing Education maintains a record of participation for six (6) years.
