INVITATION

Welcome to the Annual Meeting of the Society of Thrombosis and Haemostasis 2018!

We are delighted to announce the 62nd Annual Meeting of the Society of Thrombosis and Haemostasis Research (GTH), which will be held in Vienna from February 20, 2018 until February 23, 2018.

"Thrombosis and Haemostasis Research - the wheel keeps on turning". The motto of the conference pays tribute to the tremendous and everlasting progress in thrombosis and haemostasis research over the last years and in the years to come. An array of novel antithrombotic drugs and the revolutionary achievements in hemophilia treatment are only two examples for what has been happening in our field just recently.

We expect colleagues from around the world to meet in Vienna and discuss recent advances both in clinical and in basic research. Our program shall consist of traditional plenary and state-of-the-art lectures and oral and poster presentations, but shall also include formats, which allow a more intense interaction between audience and presenter.

"The wheel keeps on turning" also refers to a Viennese landmark, das "Riesenrad" ("the Giant Ferris Wheel" covers the front page of the program), located in close proximity to the conference venue. Do not miss a ride on the "Giant Ferris Wheel", which will give you not only a spectacular view of the city of Vienna but weather permitting of the Alps in the West to the Carpathian Mountains in the East.

The congress language will be English to acknowledge the increasing number of attendees and lecturers from all over the world.

We sincerely hope that you will follow our invitation and we look forward to welcoming you in Vienna on the occasion of the 62nd Annual Meeting of the GTH.

PRESENTATION / SESSION FORMATS

Plenary Session

Seven plenary lectures in four plenary sessions will provide updates on the main topics of the congress; no discussion scheduled.

Debates

During GTH 2018, three debates will take place. Presentations will be based on questions and/or controversies proposed by the chairperson so to stimulate a lively debate.

Educational Lectures, Critical Management Decisions, How I manage, Spotlight, State of the Art

Each of these sessions will cover topics of general practical and clinical interest in an innovative way.

Meet the Expert Sessions

These sessions are targeted at our younger investigators, allowing them to meet leaders and well-known experts in the field. A short introduction by the expert will be followed by an interactive exchange of questions and a discussion. The Meet-the-Expert sessions run in parallel of four.

Oral Sessions

Several parallel sessions will provide abstract submitters with an opportunity to present their works in a lecture hall.

Poster Presentations

Posters will be on display from Wednesday, 21 February 2018, 12:00 until Friday, 23 February 2018, 12:00. Official **poster presentations** will take place on Wednesday, 21 February from 18:15-19:00. All presenters are asked to be at their poster for discussions during that time.

Workshops/Working Groups

Special workshops/working group meetings are scheduled throughout the entire congress on request. For reservation of small meeting rooms please contact the Exhibition/Sponsoring Office at gth2018@media.co.at.

Satellite/Lunch Symposia/Exhibition

According to the tradition of GTH meetings, there will be a set of interesting satellite symposia, partially planned as lunch symposia.

GUIDELINES FOR SPEAKERS & PREVIEW CENTRE

Presentation slides are to be prepared in English language only.
The preview centre will be located across from the registration desks.
Only PowerPoint presentations are accepted.
All presentations need to be prepared in 4:3 format.

Speakers should deliver and view/check their presentations at the preview centre at least two hours prior to the start of the respective session. For sessions starting in the morning, presentations should be delivered on the previous day.

In order to avoid any delays, speakers are kindly requested to hand in their presentations on a USB stick. Your PowerPoint presentation will be transferred to the congress server in the preview centre and will be available for you on the laptop present in the session at the speaker's lectern in the session room.

If you wish to bring your own laptop, it is crucial to make this known in the preview centre three hours in advance for organisational reasons. Speakers are not permitted to take PowerPoint presentations directly to the technical assistant in the session rooms.

At the preview centre, work stations are available to make final changes or additions to presentations. Technical staff is present to assist you if necessary.

In the lecture rooms, presentations will be projected from a projector to the screen.
Double projections are not possible.

Please locate your session room in due time. Please be in your session room at least 15 minutes prior to the start of the session.

GRANTS, AWARDS AND PRIZES

The GTH confers a number of awards and grants.
The recipients will be announced during the GTH 2018 opening ceremony on Tuesday, February 20, 2018 in Vienna, Austria.

For more information on GTH Awards, please visit the society website: **www.gth2018.org**
Travel grants of € 300,- each will be awarded to the authors of the best abstracts, according to reviewing results.

REGISTRATION INFORMATION

Please register through the online registration process available at www.gth2018.org.
To benefit from the early bird registration fees, payments have to be made by Monday, December 18, 2017 latest. The date of the remittance order (as stamped on the slip) will be decisive for the early bird registration.

Registration Fees

All prices are stated in Euros (€).

Member Fees

Member fees apply to individual members of GTH only. Member registrations will be checked on a regular basis.

PhD student, MTA, nursing staff, physician in training, student

To verify your status, a written confirmation from your chairman, head of department or programme director is required.

Please note that registrations can only be accepted via online registration and confirmed upon receipt of full payment. As soon as the Organising Secretariat has received your payment, a letter of confirmation will be emailed.

The date of the remittance order (as stamped on the slip) will be decisive for the early and regular registration fee.

Please present your letter of confirmation at the registration desk upon arrival.

REGISTRATION INFORMATION

Terms & Conditions

Deadline for pre-registration is Friday, February 16, 2018. For payment/registration after this date, your confirmation will be available on-site at the registration counter. On-site registration is possible throughout the entire congress during the opening hours of the registration counter.

Cancellations must be made in writing to the congress secretariat, Mondial Congress & Events. If received before Monday, December 18, 2017, all fees, except for a cancellation charge of € 40,- will be refunded. No refunds will be made after this date. For name changes and replacements a handling fee of € 25,- will be charged.

Group Registrations (10 or more registrations)

Group registrations are done via individual forms and agreements. For group registrations, we kindly ask you to contact the Congress Secretariat to arrange details.

Please note that the deadline for group registrations is on Friday, January 26, 2018.

You will receive a personalised badge when collecting your registration documents. During the congress, this badge must be clearly visible at all times and grants access to the scientific sessions, commercial exhibition and official networking events. Admission to the congress will not be allowed without badge identification.

FURTHER CONGRESS INFORMATION FROM A-Z

Currency

Payment of congress-related matters such as registration fees and tickets for the networking programme will be handled in Euro (€) only.

Certificate of Attendance

For official delegates to the congress, a Certificate of Attendance is available at the registration desk.

Insurance

The congress organisers will not assume any responsibility for accidents, losses or damages, as well as for delays or modifications in the programme, caused by unforeseen circumstances. No claims for indemnification from the organisers shall arise for contractors or participants in case of cancellation, for any reason, of the entire Congress.

Delegates are advised to arrange cancellation insurance for their congress costs (i.e. registration fee, travel or accommodation costs). A cancellation insurance offered by the „Europäische Reiseversicherung“ can be booked during the online registration process. The insurance sum also covers costs incurred for services which have not been booked via Mondial Congress & Events.

Passport and Visa

Please check passport and visa requirements in due time before your departure. Three month tourist visas are issued by Austrian embassies or consulates. They can take a while to be processed, so leave enough time before departure to apply. Fees vary depending on your nationality. There are no entry requirements or restrictions on EU nationals visiting Austria. Visa information can be obtained from the Austrian Ministry of Foreign Affairs website: www.bmeia.gv.at.

Visa – Letter of Invitation

On request, the Congress Secretariat will be pleased to send letters of invitation to individual scientists. Invitations of this kind are intended to assist potential delegates to raise their travel funds or obtain visas. They do not imply any commitment or responsibility on behalf of the Congress to provide financial support. Please note that letters of invitation can only be sent after receipt of registration and payment of full registration fee.

Please note that visa applications can take a while to be processed, so please send us your request for a letter of invitation in due time.

Information Updates

All congress information will be updated on a regularly basis on the congress website: www.gth2018.org

HOTEL INFORMATION

Mondial Congress & Events has secured a sufficient number of hotel rooms in 4* and 3* hotels at competitive rates. Please book your hotel room via the online registration process. In case of specific questions regarding your accommodation, please contact the congress secretariat at gth2018@mondial-congress.com.

Congress Hotels

All rates are quoted in Euro (€), per room, per night, including breakfast and all taxes.

Hotel	Price DSU	Price DBL	Distance to venue
4 Star Standard			
Astoria	€ 147,00	€ 164,00	20 min by public transport
Europa	€ 147,00	€ 164,00	20 min by public transport

Double Room booking

If you are sharing a room with another delegate, please book only one hotel room and provide the name of the person with whom you will be sharing.

Terms & Conditions

Hotel bookings can only be guaranteed upon receipt of the required deposit of two nights. The number of nights booked serves as a basis for your hotel invoice. Should the desired hotel no longer be available, similar accommodation will be offered.

All changes or cancellations must be made in writing. Cancellation deadlines are mentioned in the "Terms and Conditions" PDF available on the first page of the online registration process.

Hotel bookings will be handled on a "first come – first served" basis. In case the requested hotel is no longer available, Mondial Congress & Events will do its utmost to offer similar accommodation. This may, however, involve a change in price. We therefore recommend early booking to ensure availability.

Group Bookings (10 or more rooms)

Group bookings are done via individual contracts. For group bookings, we kindly ask you to contact the congress secretariat to arrange details.
