

AO CMF NA Pre-Course Symposium—Unsolvable Problems

September 17, 2021 - September 17, 2021
Minneapolis, Minnesota, USA

Tuition for this 1-Day Symposium is \$95.00, if you will NOT be attending the 2-Day Management of Facial Trauma Course (MFT).

If you want to attend this 1-Day Symposium AND the 2-Day MFT Course, you will receive a tuition discount for the 1-Day Symposium, which will be \$49.00. The 2-day MFT course tuition is \$215.00.

[Register here for the 1-Day Symposium and the 2-Day MFT Course](#)

Challenging patient problems may occur after a traumatic craniofacial injury that may not be solvable. Surgeons must be able to adopt and implement best practices to facilitate optimal outcomes and patient satisfaction in these complex clinical scenarios. Managing patient expectations and effectively communicating the limitations of interventions and their impact on patient outcomes is critically important. Expert faculty will discuss case scenarios that focus on continuity of care as well as system and patient challenges and barriers.

Target Audience

Practicing surgeons and residents at all levels of training in craniomaxillofacial surgery will benefit from attending.

Event Summary

Tuition:

Level Name: Participant - Craniomaxillofacial
Pricing Tier: Attending
Tuition: \$95.00

CME

- 
 AO North America is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
 AONA has been resurveyed by the Accreditation Council for Continuing Medical Education (ACCME) and awarded Accreditation with Commendation.

Below Wording CMF Only- Continuing Education Dental Credit Statement

As an Accreditation Council for Continuing Medical Education (ACCME) accredited provider, AO North America meets the definition of a constituent or component organization of the AMA and thereby meets most state dental board requirements of an approved sponsor of continuing education. This course is focused on clinical issues in oral-maxillofacial surgery that are relevant to the treatment and care of dental patients. Most states accept AMA constituents as approved sponsors for continuing dental education credit. If you have questions, your state dental board can confirm eligibility of this course.

- Designation Statement** - AO North America designates this live educational activity for a maximum of [Hours Pending] **AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Continuing Medical Education (CME) mission of AO North America (AONA®) is to provide comprehensive multidisciplinary needs based education to surgeons, fellows, and residents in the specialties of orthopedic, hand, craniomaxillofacial, spine, neurosurgery, and veterinary surgery in the areas of trauma (i.e., operative reduction and fixation), degenerative disorders, deformities, tumors, and reconstruction.

Expected results of AONA's CME activities for surgeons, fellows, and residents are to:

- Increase their knowledge base and surgical skill level
- Improve competence by applying advances of knowledge in patient care in the areas of trauma, degenerative disorders, deformities, tumors, and reconstructive surgical techniques
- Address practice performance gaps by improving management of aspects of traumatic injuries and musculoskeletal disorders (i.e., pre-operative planning to post-operative care)

Learning Objectives

Upon completion, participants should be able to:

Faculty

Schubert, Warren - Chairperson

MD, FACS

Professor, University of Minnesota

Department of Plastic & Hand Surgery

Regions Hospital

St. Paul, Minnesota

General Surgery Residency, McGill University Plastic Surgery Residency, Case Western Reserve University Maxillofacial Trauma Fellowship, Atlanta Medical Center Past Chair, AOCMF International Board Past President, American Society of Maxillofacial Surgeons Professor, University of Minnesota Chair, Department of Plastic & Hand Surgery, Regions Hospital

AO NA Disclaimer Information

Faculty Disclosure:

It is the policy of AO North America to abide by the Accreditation Council for Continuing Medical Education Standards for Commercial Support. Standard 2: "Disclosures Relevant to Potential Commercial Bias and Relevant Financial Relationships of Those with Control over CME Content," requires all planners, including course directors, chairs, and faculty, involved in the development of CME content to disclose their relevant financial relationships prior to participating in the activity. Relevant financial relationships will be disclosed to the activity audience. The intent of the disclosure is not to prevent a faculty with a relevant financial or other relationship from teaching, but to provide participants with information that might be of importance to their evaluation of content. All potential conflicts of interest have been resolved prior to the commencement of this activity.

Off-Label / Experimental Discussions:

Some medical devices used for teaching purposes and/or discussed in AO North America's educational activities may have been cleared by the FDA for specific uses only or may not yet be approved for any purpose. Faculty may discuss off-label, investigational, or experimental uses of products/devices in CME certified educational activities. Faculty have been advised that all recommendations involving clinical medicine in this CME activity are based on evidence that is accepted within the profession of medicine as adequate justification for their indications and contraindications in the care of patients.

All scientific research referred to, reported or used in this CME activity in support or justification of a patient care recommendation conforms to the generally accepted standards of experimental design, data collection and analysis.

Disclaimer:

AONA does not endorse nor promote the use of any product/device of commercial entities. Equipment used in this course is for teaching purposes only with the intent to enhance the learning experience.

USE THE BELOW TEXT FOR DIDACTIC COURSES ONLY!

The opinions or views expressed in this live continuing medical education activity are those of the faculty and do not necessarily reflect the opinions or recommendations of

AO North America or any commercial supporter. The certificate provided pertains only to the participants' completion of the course.

Conflict of Interest Resolution Statement:

When individuals in a position to control or influence the development of the content have reported financial relationships with one or more commercial interests, AO North America utilizes a process to identify and resolve potential conflicts to ensure that the content presented is free of commercial bias.

Liability Statement:

AO North America faculty and staff assume no personal liability for the techniques or the use of any equipment and accessories used for teaching purposes in the laboratory. The certificate provided pertains only to the participants' completion of the course and does not, in any way, attest to the proficiency of the participants' clinical experience.

Laboratory Waiver:

To participate in this surgical skills course, you will be required to sign a waiver of liability prior to the course. In order to participate, AONA's policy mandates that every individual must wear appropriate protective garments provided by AO NA during the lab sessions. Participants who do not sign the waiver and wear protective garments will not be allowed to participate in the laboratory sessions.
