

Newborn Life Support Course

Friday 3rd August 2018

South Tees Institute of Learning, Research and Innovation
The James Cook University Hospital, Marton Road, Middlesbrough, TS4 3BW

A one day course to give those responsible for initiating resuscitation at birth the background knowledge and skills to approach the management of a newborn infant during the first 10 – 20 minutes.

The Newborn Life Support (NLS) course has been developed under the auspices of the Resuscitation Council (UK) to provide clear practical instruction in airway support and the theoretical background to illustrate its importance in resuscitation of the newborn. It is designed for any healthcare professional, regardless of discipline or status, who may be called upon to resuscitate a newborn baby.

The course concentrates on the importance of temperature control, practical airway management and ventilatory support and topics covered on the course include: History & Physiology; Resuscitation at Birth; Special Cases; Airway Management; Vascular Access; Equipment Familiarisation; and Chest Compressions.

Duration	A one day course
Min / max attendance	24 candidates
Aimed at	Anyone working as a healthcare professional and / or involved in the care of the newborn. Junior and senior medical staff, midwives, neonatal nurses, paramedics, resuscitation officers and experienced nursing staff
Cost	£145 per candidate
Certification	Resuscitation Council (UK) NLS provider certificate valid for four years
