HOMI BHABHA CANCER HOSPITAL & RESEARCH CENTER, NEW CHANDIGARH

Dear Colleagues

It is with great pleasure and immense gratitude that I welcome you all to a significant gathering being organized for the first time by Homi Bhabha Cancer Institute and Research Center (HBCH & RC), New Chandigarh. The conference titled **"Homi Bhabha Cancer Conclave 2024"** is to be held on 24th - 25th August 2024, at Chandigarh. The theme of the meeting is **"Multidisciplinary Management of Common Cancers"**.

At this meeting, we will find some of the brightest minds in the field of oncology, including esteemed researchers, dedicated clinicians, and compassionate caregivers will deliberate and bring a unique perspective and expertise, which will contribute to our collective understanding and help in the pursuit of the management of common cancers.

Throughout this conference, we will have a rich program of keynote speeches, panel discussions, workshops, and presentations that will delve into the most pressing issues surrounding cancer diagnosis, treatment, and survivorship. Together, we will explore emerging trends, breakthrough therapies, and innovative approaches that have the potential to revolutionize the way we combat cancer.

However, this conference will not just be about scientific advancement - it will also be regarding fostering connections, nurturing collaborations, and providing a platform for shared experiences. We encourage each one of you to actively engage in networking opportunities, and fruitful discussions, and forge partnerships that will amplify the impact of our collective efforts.

Together, we can transform the landscape of cancer care and usher in a future where cancer is no longer a source of fear, but a conquered foe.

I look forward to welcoming you all for this inaugural conference of HBCH & RC, New Chandigarh.

Thank you & with warm regards

Dr. Ashish Gulia

Director,

*Homi Bhabha Cancer Hospital and Research Center,
New Chandigarh*

Dr. Vandita Pahwa
Dr. Varun Shukla

Welcome to Chandigarh!

"We are ready to host the event with new norms in place, taking care of all the measures as well as following all the rules laid down by the administration."

About The City!

Chandigarh, 'The City Beautiful,' is one of the early planned modern cities of India designed by the French architect Le Corbusier. Chandigarh and the area surrounding it were constituted as a Union Territory on November 1, 1966.

Chandigarh serves as the combined capital for both Punjab and Haryana states. It is one of the perfect cities in the world in terms of architecture, cultural growth, and modernization. Chandigarh's Capitol Complex was declared a World Heritage site by UNESCO in July 2016.

Apart from the various city attractions, including the world-famous Rock Garden, Sukhna Lake, Capitol Complex, Sector 17 Plaza, cultural & leisure activities, Chandigarh also acts as the gateway to a number of picturesque and historical tourist attractions within striking radius, including Shimla and other hill stations in the Shivalik Range of the Great Himalayas.

On behalf of the organizing team, we cordially invite you to a memorable conference and an enriching experience in this 'City Beautiful'...
