CONFERENCE DESCRIPTION

Our **28th Annual Spring Conference on Pediatrics** is designed to provide physicians, nurse practitioners, PAs, nurses, and other healthcare professionals involved in the care of pediatric patients with up-to-date and evidence-based clinical data in Pediatrics. The goal of this conference is to increase knowledge and enhance the competence of attendees. Emphasis will be placed on practical application of the evidence-based topics presented.

Topics for this year's conference have been selected based on the educational needs determined from the identified professional practice gaps. The gaps were derived from a variety of sources including evaluations and outcomes data from past participants; clinical expert input; Symposia Medicus' online survey; and other medical and nursing data.

Conference format will include didactic lectures, smaller group breakout and interactive sessions, case studies, and question and answer sessions.

An outstanding faculty has been assembled for this conference. Each member was selected based on their individual area of expertise and ability to communicate current, evidence-based, and practical information to participants.

You are sure to enjoy our **28th Annual Spring Conference on Pediatrics** while sharing ideas and experiences with colleagues from across the country in the beautiful setting of Naples, Florida.

CONFERENCE OBJECTIVES

As a result of participating in this conference, you should have increased knowledge and enhanced competence to...

- Diagnose and manage a variety of pediatric disorders
- Discern the dual roles of insulin secretory dysfunction and insulin resistance in hyperglycemia
- Discuss how the field of toxicology contributes to environmental medicine and highlight the number and diversity of toxicants in our environment that could be a factor in the symptoms and diseases seen in our pediatric population
- Comfortably and confidently decide who needs neuroimaging studies to further evaluate the patient with headache
- Identify risks associated with inappropriate treatment of bipolar depression in teenagers

ATTENDEE REQUIREMENTS

At the conclusion of attending this conference, participants are entitled to a certificate of credit which will be available online. Successful completion of this activity is determined by attending the live activity, review of the educational session materials, and submission of the pre/post case study survey, evaluations, and attendance verification form. Each participant should only claim credit commensurate with the extent of their participation in the activity.

ACCREDITATION

This educational activity was planned and produced in accordance with the **ACCME** and **ANCC** Essentials and Standards relating to continuing medical and nursing education.

CONFERENCE LOCATION

Naples is graced with miles of white-sand beaches, beautiful weather, sumptuous restaurants, fine shopping, and entertainment. The Naples Pier, first erected in 1888, is the city's symbol and a popular fishing and dolphin-spotting destination.

The Naples Beach Hotel & Golf Club promises you an experience you'll always remember. Whether you come to play along the beach, on their tennis courts or golf course. Relax by the pool, indulge yourself at their impressive spa or in their beachfront restaurants or take try sailing, parasailing, kayaking, or even experience unique Eco Tour and shelling excursions, The Naples Beach Hotel & Golf Club has it all.

With more than 80 championship golf courses in the Naples area, Naples is the self-titled "Golf Capital of the World", claiming to have more holes per capita than any other community.

Just a short drive away is **Everglades National Park**, the largest subtropical wilderness in the United States – a place where you can tour the park with a ranger, photograph birds, take an afternoon hike, spot alligators sunbathing, or ride an airboat through the marshes.

Whatever your pleasure, you'll be sure to find it in Naples, at our **28th Annual Spring Conference on Pediatrics**.

For our complete calendar of conferences, please visit www.symposiamedicus.org. Brochures are available 6-8 months prior to the conference.
