**Re: American Academy of Podiatric Sports Medicine
"Best Sports Medicine Meeting in the Country"**

On behalf of Meeting Chair Brian Fullem, DPM and the American Academy of Podiatric Sports Medicine (AAPSM), would like to personally invite you to exhibit at our 2018 AAPSM Stand Alone Meeting. This meeting is scheduled to take place September 13-16, 2018 at the Hyatt Centric at Fisherman's Wharf in beautiful San Francisco, California. The meeting will be marketed to a variety of sports medicine professionals and we are limiting attendance this year along with limiting the number of exhibit spaces.

Exhibit set up will take place from 8 am to 6 pm on Thursday, September 13. Our schedule has the exhibit hall opening to a welcome reception on Thursday evening from 7-9 pm where attendees will be able to mingle with your company representatives while enjoying a beverage and light snacks.

The exhibit hall will reopen at 8 am on Friday morning, September 14. The exhibit teardown will take place after the afternoon break on Saturday, September 15. These will be table top exhibits with a 6-foot table provided. Please indicate if you have an exhibit that is taller than 8 feet so we can make sure you are located in an area as to not obscure others' views.

Reserve your space now – the 2018 Stand Alone exhibit space was sold out and we will only feature the first 35 exhibitors to sign up. Please fill out the application and return as soon as possible to ensure your participation in the meeting. Any questions please email me at ritayates2@aol.com.

If you need accommodations at the Hyatt Centric, please use the following link for the special meeting attendee rate:
