

Hilton Sandestin Beach Golf Resort and Spa All-suite accommodations, four-diamond service, and a sparkling location along the beaches of the Emerald Coast. Accommodations include refrigerator, microwave, wet bar, coffee/tea maker, sleeper sofa, sitting area, private balcony, internet access (fee may apply), safe, iron/board, hairdryer, and complimentary newspaper. If you really want to be wined and dined, make a reservation at Seagar's, featuring an 800-label wine cellar, prime steaks and seafood, plus a superb location. Treat yourself to a luxurious spa treatment at the Serenity by the Sea Spa or play a game of golf on one of four championship courses at the resort. The Hilton Sandestin is located minutes from Village of Baytowne Wharf; a short drive from Eden State Park, Gulfarium, and Destin Fishing Docks; and midway between Pensacola and Panama City.

HOTEL RATES: A portion of the room rate is used to partially offset the cost of refreshments served during the meeting for participants only. All rooms are non-smoking.

Emerald Deluxe Junior Suite – Partial View: \$277
Emerald Deluxe Junior Suite – Beach View: \$277

- Single or double occupancy plus 11.5% tax and \$15 per room, per day daily resort fee.
- Additional \$20 per adult over double occupancy.

Daily resort fee is discounted to \$15 from \$25 for those who book their room through NWAS/NWWT only and includes: Self-parking, upgraded guest room wi-fi internet access, local and 800 calls, access to resort fitness center, resort tram service (operating times are based upon Sandestin operating schedule), and children under age five receive complimentary breakfast with a paying adult in Sandcastles Restaurant. Inclusions subject to change without notice.

DEPOSIT REQUIRED: First night deposit within 10 days of booking required to hold your room. Rooms are limited and available only through Northwest World-wide Travel. Rate and availability not guaranteed until deposit received.

CANCELLATIONS: Cancellations of room reservations accepted until 17 days prior to arrival. Early departure fees apply.

COURSE DIRECTOR: Mark T. Murphy, MD, MSN Education, Austin, Texas, and Medical Director, Northwest Anesthesia Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, CRNAs, physician assistants, registered nurses, and other medical care providers who must maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it.

PROGRAM PURPOSE: The practitioner of anesthesiology must possess the scientific background for clinical practice; maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures necessary for the provision of quality patient care; manage self and colleagues to function toward common goals in the clinical setting, the clinical and educational institutions, and the community in which the practice resides; serve as an expert in matters involving health care delivery; serve as an informed manager of clinical and educational services provided, including the acquisition and distribution of resources necessary in meeting professional goals; and provide assistance with and support of other service providers, departments, institutions, and organizations dependent upon the professional expertise of the practitioner. Presentations are designed to facilitate the physician, nurse specialist, and other providers maintaining skills of the same kind to review and update knowledge and abilities in one or more of these areas vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences—to include but not be limited to advanced anatomy and physiology, pathophysiology, chemistry, physics, psychology, and social sciences—as they impact and are affected by the planning, delivery, and monitoring of anesthesia and related services inherent in the anesthesiology professions.

Explain the selection, dosing considerations with methods of administration, safe use, and contraindications and precautions of presented pharmacological agents through the understanding of their physicochemical properties, pharmacokinetics and pharmacodynamics, updated uses, and more recently developed additional, related, and similar drugs.

Outline comprehensive management plans for the group of patients discussed, whether related in age, physical status, cultural background, invasive procedure, anesthetic or analgesic requirements, clinical setting, adverse reactions, and/or goals of care.

Apply the principles of safety and asepsis in the performance of anesthetic procedures and administrations, equipment use, and other applications encountered during the provision of anesthesia and analgesia whether in the surgical unit, the labor and delivery suite, the pain management clinic, or other more remote location of anesthetizing services.

Incorporate the appropriate recommendations and/or requirements of pertinent external organizations, institutions, and professional groups—recognized as serving as the authority for and/or holding the responsibility to compile and approve such tenets—in the provision of anesthesia and related services, whether medical, legal, philosophical, ethical, or health care management standards.

Apply the new techniques in the clinical setting of the participant.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas and Northwest Anesthesia Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas, designates this live activity for a maximum of 20 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Anesthesiologist Assistants: The National Commission for Certification of Anesthesiologist Assistants (NCCAA) will accept CME credit for programs approved for continuing medical education by the AMA, AAPA, and ACCME.

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: This program has been prior approved by the AANA for 20 Class A CEC; AANA Code #1032618; Expiration Date 5/8/16.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category I credit for completing this program.

Registered Nurses: NWAS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), and the Georgia Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

Destin has grown from a historic fishing village to a premiere resort destination. The city sits along the coast in the Florida Panhandle, at the end of a peninsula separating Choctawhatchee Bay from the Gulf of Mexico. The area is famous for its emerald-colored waters and sugar-white sand beaches, hence the nickname “Emerald Coast”.

Visit the Village of Baytowne Wharf in the Sandestin Resort for shopping, dining, and exciting nightlife. The Market Shops and Silver Sands Factory Outlet Stores, both nearby, offer more shopping. Why not try Big Kahuna Water Park, just a short drive away or, if you're willing to travel a little farther, check out the Ebro Dog Track for greyhound racing. Eden State Gardens and Mansion is a perfect place to enjoy the beautiful scenery and perhaps a picnic. Make a trip to the Harborwalk Marina at the foot of the Destin bridge where you can rent a slip, or chat with fishermen to perhaps pick up a few deep sea fishing secrets. Climb aboard a chartered fishing or party boat or simply lounge on the beach.

Destin can be accessed by arriving in the following airports: Okaloosa County Air Terminal (approx. 35 min drive); Northwest Florida Regional Airport (approx. 45 min drive); Pensacola Regional Municipal Airport (approx. 1 hr drive); Panama City Airport (approx. 1-1/2 hr drive).

We have a block of rooms for seminar participants. Once this block is sold, rooms are based upon availability only and may be at a higher rate. To make reservations, please visit our website: www.nwas.com or call (800) 222-6927.

Call Universal Travel for your airfare needs. Be sure to mention Northwest Anesthesia Seminars when booking. Booking fee applies. Contact Kellee Kilmer: Phone: (858) 456-7887 or E-mail: kellee@universaltravel1.com

SCHEDULE

Thursday, May 4

0700	Registration – Mandatory Sign In – Continental Breakfast	
0725	Welcome and Announcements	NWAS Staff
0730	Preoperative Cardiac Evaluation: Do the Guidelines Tell Us What We Need to Know?	E.Lobato
0830	Preoperative Pulmonary Evaluation: Why Is It Important and What Do We Really Need to Know	E.Lobato
0930	Break	
0945	Intraoperative Myocardial Ischemia: Diagnosis and Management	E.Lobato
1045	Propofol Clinical Concerns	M.Welliver
1145	Propofol Abuse: An Analysis of Case Reports	M.Welliver
1245	Adjourn	

Friday, May 6

0700	Registration – Mandatory Sign In – Continental Breakfast	
0730	Key Issues for Safe Anesthesia in the Morbidly Obese	A.Wadhwa
0830	Strategies of Postoperative Analgesia in Morbidly Obese	A.Wadhwa
0930	Break	
0945	Sleep, Respiration, and Pain: What Is the Connection?	A.Wadhwa
1045	Systematic Approach to Patients with Pacemakers or Implantable Defibrillators	E.Lobato
1145	Incorporating Evidence-Based Practices into Clinical Practice	M.Welliver
1245	Adjourn	
1330	Optional PALS*	

Saturday, May 7

0700	Registration – Mandatory Sign In – Continental Breakfast	
0730	New Developments in Anesthesiology	M.Welliver
0830	Consciousness and Anesthetic Action	M.Welliver
0930	Break	
0945	When to Say Yes, When to Say No to Regional Anesthesia	A.Wadhwa
1045	Failed Blocks: Analysis of Possible Reasons, Avoidance and Emergency Strategies	A.Wadhwa
1145	Anesthetic Management of the Patient with Valvular Heart Disease during Noncardiac Surgery	E.Lobato
1245	Adjourn	
1330	Optional ACLS*	

Sunday, May 8

0700	Registration – Mandatory Sign In – Continental Breakfast	
0730	Anesthesia in the Elderly Patient: Clinical Pearls	E.Lobato
0830	The Cocaine Positive Patient Scheduled for Elective Surgery: Cancel, Delay, or Press On?	E.Lobato
0930	Break	
0945	Role of NMDA Antagonists in Perioperative Analgesia and Hyperalgesia	A.Wadhwa
1045	Postoperative Nausea and Vomiting in Bariatric Surgery: Prophylaxis and Treatment	A.Wadhwa
1145	Muscle Relaxation: Is Residual Paralysis Still a Problem?	M.Welliver
1245	Adjourn	

20 CME I / 20 CEC / Pharmacology TBD†

***Separate tuition and schedules apply**

Children and non-registered guests are not allowed to attend the lectures.

University of Louisville
Louisville, Kentucky

Mark D. Welliver, DNP, CRNA, ARNP
Associate Professor of Professional Practice
School of Nurse Anesthesia
Harris College of Nursing and Health Sciences
Texas Christian University
Fort Worth, Texas

Course Registration

5MAY16 – 16MFL

TUITION: In USD	MD/DO	CRNA/PA	RN/Others
Early <i>(Paid by 2/5/16)</i>	\$900	\$850	\$750
Regular <i>(Paid after 2/5/16)</i>	\$950	\$900	\$800
Daily: 1 st Day Attending	\$315	\$295	\$225
Additional Day(s)	\$220	\$210	\$200
ACLS <i>(Paid by 4/14/16)</i>	\$340	\$295	\$230
PALS <i>(Paid by 4/14/16)</i>	\$340	\$295	\$230

For ACLS/PALS, payment received after 4/14/16 add \$25.

PAYMENT METHODS:

Payment methods accepted for tuition include Visa, Mastercard, American Express, Discover, check, or money order in US funds, payable to NWAS.

SCHEDULE AND FACULTY CHANGES:

Factors beyond our control sometimes necessitate changes in the schedule and faculty. If time permits, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

COURSE CANCELLATION BY PROVIDER:

We reserve the right to cancel a course for any reason. In such case, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NWAS and NWWT will not be responsible for any non-refundable airfare, hotel, or other liabilities you may incur. **We highly recommend purchase of travel insurance. Travel at your own risk.**

COURSE CANCELLATION FEE:

\$100 March 6, 2016 to April 5, 2016. No refund after April 5; however, 50% of tuition paid may be applied toward tuition for another NWAS program within the next 12 months. **Cancellation must be made in writing.**

FAP (FREQUENT ATTENDEE POINTS):

FAP lets you accumulate points based on dollars spent with NWAS including net hotel and tuition booked through NWAS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NWAS.

ERRONEOUS PRICING NOTICE:

Northwest Anesthesia Seminars, Northwest Seminars and Northwest World Wide Travel reserves the right not to honor any published prices or coupons that it determines were erroneous due to printing, electronic, or clerical error.
