Dear Healthcare Professional,

I am pleased to present to you the programme for the **6th Middle East Wound Care Conference**, taking place on **25 January 2016** at the Dubai International Convention & Exhibition Centre.

This year's conference will focus on 'barriers to the implementation of best practice in wound care'. It will look into the clinical, educational, psychological and professional or organizational barriers faced by practitioners in this field. The speaker line-up, which comprises of academics and practitioners, will give delegates a holistic view of these barriers in practice and offer strategies to overcome them.

Attend this conference for the most up-to-date best practice strategies in wound care and improve your skills and performance which will in turn improve patient outcomes.

Do not miss this must-attend continuing medical education event.

See you in January.

Yours sincerely,

Dr Jeffrey Fairley
Conference Chair
