

# ADVANCE PROGRAM

2020 Vision—Focus on Evidence and Integrated Care

# AHPBA 2020

Americas Hepato-Pancreato-Biliary Association

---

# ANNUAL MEETING

---

## March 5 – 8, 2020

Loews Miami Beach Hotel , Miami Beach, FL

[www.ahpba.org](http://www.ahpba.org)

#AHPBA20

## MEETING AT A GLANCE

### Meeting Location

Loews Miami Beach Hotel  
1601 Collins Avenue  
Miami Beach, Florida 33139 USA  
Reservations: 888-879-0462

### Housing Cutoff Date: January 31, 2020

Room Rate \$350

### Meeting Dates

March 5-8, 2020

### Early Registration Deadline – Friday, January 31, 2020

Please register prior to the early registration deadline of Friday, January 31, 2020 online at [www.aphba.org](http://www.aphba.org) or by completing and mailing the registration form.

### Who Should Attend?

- HPB Surgeons
- Surgical Oncologists
- Transplant Surgeons
- Laparoscopic Surgeons
- General Surgeons
- Gastroenterologists
- Hepatologists
- Radiologists
- Endoscopists
- Scientists
- Pathologists
- Surgical trainees
- Nurses involved in HPB surgery, gastroenterology, hepatology and transplantation
- Anyone interested in HPB!

### Program Highlights

- Plenary sessions
- Oral papers
- Poster presentations
- Keynote lectures
- Update lectures
- Breakthrough science
- Educational Symposia
- Debates
- Trade exhibition
- Video symposia
- Social events

## EARLY BIRD REGISTRATION RATES

### REGISTER BY JANUARY 31, 2020

|                                 | Member | Non-Member |
|---------------------------------|--------|------------|
| Physician                       | \$580  | \$880      |
| Latin American Physician        | \$470  | \$880      |
| Junior/Trainee(Resident/Fellow) | \$230  | \$380      |
| Advanced Practice Provider      | \$230  | \$380      |
| IHPBA/A-PHPBA or IHPBA/E-AHPBA  | \$580  | \$880      |

## EXHIBIT DATES & TIMES

|          |                 |
|----------|-----------------|
| Thursday | 5:30pm - 7:00pm |
| Friday   | 7:00am - 7:30pm |
| Saturday | 7:00am - 3:45pm |

## REGISTRATION QUESTIONS?

### Americas Hepato-Pancreato-Biliary Association

## ACCOMMODATIONS

### Hotel Reservations

#### Loews Miami Beach Hotel

1601 Collins Avenue Miami Beach, Florida, 33139

Phone: 305-604-1601

Reservations: 888-879-0462

Web: <https://www.loewshotels.com/miami-beach/ahpba-2020>

The Loews Miami Beach Hotel is located in the heart of South Beach, offering direct access to the ocean and all the city has to offer. The Loews Miami beach hotel offers a freeform pool with sloped entry for children, a waterfall focal point, lounge chairs on a sundeck, cabanas, poolside service, and 2 spa tubs.

A block of rooms has been reserved at the Loews Miami Beach Hotel at special AHPBA room rates of \$350 US Single or Double occupancy. The rates are per night and are subject to state and local taxes, as well as a \$13 per night resort fee. These rates are available 3 days before and after the official meeting dates, based on availability. For reservations, please call 888-879-0462 or 615-340- 5778 and request the AHPBA room rate.

**The room reservation cut-off date is Friday, January 31, 2020.**

### Hotel Deposits and Cancellation Fees

All reservations must be accompanied by a first night room deposit with a major credit card. Reservations must be cancelled at least 72 hours prior to arrival in order to avoid a cancellation fee.

### Hotel Check-in and out

Check-in time starts at 4:00pm and Check-out time is 11:00am.

## TRAVEL INFORMATION

Loews Miami Beach hotel is 20 minutes from Miami International Airport and 35 minutes from Ft.Lauderdale/Hollywood International Airport.

### Ground Transportation

The average cost of round-trip transportation per person from Miami International Airport ranges from \$30-\$50 per person depending upon the mode of transportation. Taxis are readily available at both airports outside of the baggage claim area.

### Taxi Services

- Yellow Cab: 305-444-4444
- Super Taxi: 305-888-7777

### Airport Shuttle Services

Airport Super Shuttle service available at Miami International Airport. They offer rides from shared rides vans to car services. Phone: 305-871-2000

Website: <http://www.supershuttle.com/locations/miamimia>

### Car Rentals

Loews has a partnership with Hertz Rental Car. Cars are available on-site. Please see the link for discounted rental from Hertz: <https://offer.hertz.com/offers/index.jsp?targetPage=loewshotels.jsp>

### Hotel Parking

Parking is available for \$41US+tax for overnight/ \$31US+tax for daytime. Self -parking is available in the parking garage across the street from the hotel.

### International Visas

The United States of America requires visas to be issued to those visiting the U.S. for business or pleasure purposes. APPLY EARLY for a VISA, as the processing time has increased. For information about obtaining a VISA, please visit the following website: <http://travel.state.gov/visa>.

If you need a formal written invitation to assist you with your VISA, please email AHPBA Headquarters at [ahpba@lp-etc.com](mailto:ahpba@lp-etc.com) with your request, name and address.

## CME ACCREDITATION

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of PESI, Inc. and The Americas Hepato-Pancreato-Biliary Association (AHPBA). PESI, Inc. is accredited by the ACCME to provide continuing medical education for physicians.

## OVERALL EDUCATIONAL OBJECTIVES

The AHPBA Annual Meeting has been structured around various tracks, representing the liver, pancreas, biliary system and transplant. At the conclusion of the Annual Meeting of the AHPBA, the Association expects its attendees to have gained knowledge and skills that will lead to changes or enhancements in their own practices and improve physician training. The AHPBA expects that the Scientific Program's educational interventions will result in measurable improvements in patient care. The theme of this year's meeting is to "2020 Vision - Focus on Evidence and Integrated Care". Following the meeting attendees should have a better understanding of:

- Learning to work up and manage bile duct injuries
- Developing an understanding of the diagnosis and management of cholangiocarcinoma, including surgical and medical management
- Describing the role of molecular testing, and immunotherapy HPB malignancies
- Developing the design and implementation of clinical trials in HPB surgery
- Discussing the state of the art care for metastatic colon cancer, including the role of chemotherapy, radiation, and surgery
- Identifying the role of technology and research to optimize the safety, quality, and outcomes in HPB Surgery
- Interfacing with patient advocacy groups to learn what matters to our patients

## 7TH ANNUAL HPB ULTRASOUND AND ADVANCED TECHNOLOGY POSTGRADUATE COURSE

**Wednesday, March 4, 2020 | 7:30am – 4:30pm**  
**Course Director: Ellen Hagopian MD**

**Course Sells Out Every Year—Sign up Today!**

### Suggested Prerequisite

Participants are strongly encouraged to complete one of the following:

1. The previously offered ACS postgraduate course "Ultrasound for Surgeons"
2. The currently offered ACS postgraduate CD-ROM course "Ultrasound for Surgeons: The Basic Course" 3rd edition

### Documented Learning

1. Written pre-test given prior to start of course
2. Written post-test given at the completion of the course
3. Satisfactory participation in hands-on sessions (Parts 1 and 2)

### Certificate of Completion

Through AHPBA for completion of didactic and hands-on sessions in addition to satisfactory completion of post-test (score >80%).

### Course Objectives

1. Define the principles of ultrasound physics.
2. Appraise the various uses of ultrasound in HPB surgery.
3. Describe HPB ultrasound normal anatomic and pathologic findings.
4. Review open and laparoscopic scanning methods.
5. Demonstrate intraoperative and laparoscopic ultrasound exams of the liver, pancreas, and biliary tree.
6. Demonstrate open and laparoscopic targeting methods in US guidance.
7. Distinguish the various liver ablation technologies.

### Agenda

|                   |                                                                                                         |
|-------------------|---------------------------------------------------------------------------------------------------------|
| 7:00am - 7:30am   | Registration & Breakfast                                                                                |
| 7:30am - 7:40am   | Welcome & Course Overview                                                                               |
| 7:40am - 8:10am   | US Principles & Instrumentation                                                                         |
| 8:10am - 8:40am   | US Scanning Techniques: TAUS, IOUS & LAP                                                                |
| 8:40am - 8:50am   | Break                                                                                                   |
| 8:50am - 9:20am   | Liver US: Normal Anatomy and Pathologic Findings                                                        |
| 9:20am - 9:50am   | Pancreatobiliary US: Normal Anatomy and Pathology                                                       |
| 9:50am - 9:55am   | Introduction to Hands-On Sessions                                                                       |
| 9:55am - 10:00am  | Break                                                                                                   |
| 10:00am-11:00am   | HPB Anatomy and Technique: TAUS                                                                         |
| 11:00am -11:15am  | Working Lunch                                                                                           |
| 11:15am - 11:45am | Techniques in Ultrasound Guidance: TAUS, IOUS & LAP                                                     |
| 11:45am - 12:05pm | Methods of Tumor Ablation in HPB Surgery                                                                |
| 12:05pm - 12:15pm | US Coding, Billing for HPB Surgery                                                                      |
| 12:15pm - 12:25pm | Break                                                                                                   |
| 12:25pm - 1:25pm  | Use of US in HPB Surgery: Frame the Issue<br>Case Presentations: US in HPB Surgery<br>Panel Discussion  |
| 1:25pm - 1:30pm   | Break                                                                                                   |
| 1:30pm - 4:30pm   | Scanning Methods and Ultrasound Guidance: IOUS & LAP<br>Hands-On Lab Using Inanimate and Phantom Models |

# ADVANCED TUMOR ABLATION POSTGRADUATE COURSE

**NEW  
ITEM**

**Wednesday, March 4, 2020 | 7:30am – 12:30pm**

**Course Director: Ellen J. Hagopian MD**

## New Advanced Skills Course!

### Prerequisite

Completion of the AHPBA Postgraduate course HPB Ultrasound and Advanced Technology (or its equivalent, such as the American College of Surgeons Advanced HPB Ultrasound postgraduate course) is required.

### Documented Learning

1. Written pre-test given prior to start of course
2. Written post-test given at the completion of the course
3. Satisfactory participation in hands-on sessions (Parts 1 and 2)

### Certificate of Completion

Through AHPBA for completion of large-group and hands-on sessions in addition to satisfactory completion of post-test (score >80%).

### Course Objectives:

1. Briefly discuss the physics of the various ablation technologies.
2. Identify the important elements to consider when choosing an ablation technology.
3. Describe the indications and contraindications of tumor ablation.
4. Describe the common tumor ablation technologies and each one's use.
5. Describe techniques/approaches to difficult ablations.
6. Discuss common complications following ablation.
7. Discuss method and timing of surveillance following tumor ablation.
8. Compare and contrast the outcomes following the various ablation methods.
9. Compare and contrast the different approaches to tumor ablation.

### Agenda

|                   |                                                   |
|-------------------|---------------------------------------------------|
| 7:30am – 7:55am   | Registration & Continental Breakfast              |
| 7:55am – 8:00am   | Welcome & Course Overview                         |
| 8:00am – 8:20am   | Physics of Ablation (RF, MW, IRE)                 |
| 8:20am – 8:40am   | Choice of Ablation Technologies (RF, MW, IRE)     |
| 8:40am – 9:00am   | Indications and Patient Selection                 |
| 9:00am – 9:20am   | Ablation Techniques (RF, MW, IRE)                 |
| 9:20am – 9:40am   | Difficult ablations: tips and tricks              |
| 9:40am – 9:50am   | Break                                             |
| 9:50am – 10:10am  | Complications of Ablation (RF, MW, IRE)           |
| 10:10am – 10:30am | Post-ablation Surveillance (RF, MW, IRE)          |
| 10:30am – 10:50am | Outcomes following Ablation (RF, MW, IRE)         |
| 10:50am – 11:00am | Surgical Approach: Why?                           |
| 11:00am – 11:20am | Panel Discussion (Q/A)                            |
| 11:20am – 11:30am | Break                                             |
| 11:30am – 12:30pm | Hands-On Lab: Targeting and Ablation Technologies |

# SCHEDULE AT-A-GLANCE

## Wednesday, March 4, 2020

|                  |                                                                       |
|------------------|-----------------------------------------------------------------------|
| 7:30am - 12:30pm | <b>Advanced Tumor Ablation<br/>Postgraduate Course</b>                |
| 7:30am - 4:30pm  | <b>HPB Ultrasound and Advanced Technology<br/>Postgraduate Course</b> |

## Thursday, March 5, 2020

|                   |                                                     |
|-------------------|-----------------------------------------------------|
| 8:00am - 3:30pm   | <b>Pre Congress Symposium</b>                       |
| 11:30am - 12:30pm | <b>Attendee Lunch</b>                               |
| 11:30am - 12:30pm | <b>HPB Fellows &amp; Program Directors Luncheon</b> |
| 3:30pm - 4:30pm   | <b>HPB Collaborative Meeting</b>                    |
| 4:00pm - 5:30pm   | <b>Bernard Langer Fellows Symposium</b>             |
| 5:30pm - 7:00pm   | <b>AHPBA Welcome Reception</b>                      |

## Friday, March 6, 2020

|                   |                                                                                            |
|-------------------|--------------------------------------------------------------------------------------------|
| 6:30am - 7:30am   | <b>AHPBF Fund Run</b>                                                                      |
| 6:45am - 7:45am   | <b>Meet a Mentor</b>                                                                       |
| 7:45am - 8:15am   | <b>Welcome and Announcements</b>                                                           |
| 8:15am - 9:15am   | <b>Presidential Plenary Session</b>                                                        |
| 9:15am - 10:15am  | <b>Presidential Address</b>                                                                |
| 10:15am - 10:45am | <b>Morning Break</b>                                                                       |
| 10:45am - 11:15am | <b>State of the Art Lecture 1</b>                                                          |
| 11:15am - 11:45am | <b>State of the Art Lecture 2</b>                                                          |
| 10:45am - 11:45am | <b>Oral Presentations 1</b>                                                                |
| 10:45am - 11:45am | <b>Benign Pancreato-Biliary Disorders</b>                                                  |
| 11:45am - 12:45pm | <b>Attendee Lunch</b>                                                                      |
| 12:45pm - 2:15pm  | <b>Pushing the Limits of Resectability<br/>in Pancreatic Cancer</b>                        |
| 12:45pm - 2:15pm  | <b>AHPBA/Cholangiocarcinoma<br/>Foundation Symposium</b>                                   |
| 12:45pm - 2:15pm  | <b>Leading an HPB Program at the Executive<br/>Level in a Community Health Care System</b> |
| 12:45pm - 2:15pm  | <b>Oral Presentations 2</b>                                                                |
| 2:15pm - 3:00pm   | <b>Presidential Invited Lecture</b>                                                        |
| 3:00pm - 3:30pm   | <b>Afternoon Break</b>                                                                     |
| 3:30pm - 5:00pm   | <b>Pancreatitis</b>                                                                        |
| 3:30pm - 5:00pm   | <b>AHPBA/ILLS MIS Liver</b>                                                                |
| 3:30pm - 5:00pm   | <b>How I Do It   Biliary</b>                                                               |
| 3:30pm - 5:15pm   | <b>Oral Presentations 3</b>                                                                |
| 3:30pm - 5:00pm   | <b>Mini Oral Sessions 1 - 3</b>                                                            |

## MEMBERSHIP INFORMATION

We invite you to join the AHPBA, one of the most recognized organizations in its field. AHPBA represents both surgical and non-surgical specialists, throughout North, South and Central America who care for patients with diseases of the liver, pancreas, and biliary tree. All AHPBA members also receive dual membership in the International Hepato-Pancreato-Biliary Association (IHPBA).

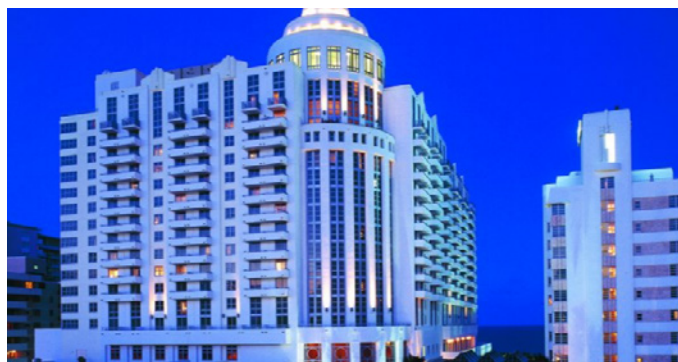

Today, more than 1,250 active members create the energy of our society. HPB is a multidisciplinary field, and our membership reflects such. We foster an atmosphere of alliance among clinicians and scientists to advance both learning and patient care.

Our organization promotes educational and professional development of its members and offers a yearly HPB meeting, research and traveling fellowship grants and several educational opportunities all throughout the American continents.

AHPBA/IHPBA is strong enough to represent your interests and provides an ideal setting for you to meet and share your expertise. We hope you become part of a vibrant association that promises to enhance your knowledge, professional growth and patient care practices.

## HIGHLIGHTED MEMBER BENEFITS

- Dual membership with exclusive access to a global and professional HPB network
- Annual online subscription to HPB Journal
- Expert training guides covering over 50 technical key areas
- Educational curriculum and pre/post operative case based modules
- Opportunity to participate in global outreach trips and missions
- Award and grant eligibility
- Discounted meeting registration rates for Regional Meetings and World Congresses
- Leadership opportunities
- Entry to member only Facebook Discussion Group
- Certificate of Membership

## LOEWS MIAMI BEACH HOTEL

Miami is one of the most exciting travel destinations in the world. People come here for the sun, the beaches, the nightlife, the Art Deco architecture and to experience a unique blend of American, Caribbean and South American cultures. The knowledgeable concierge and hotel staff at Loews will ensure you have all you need to enjoy the sights and sounds of the wonderful South Beach area.

### Exhale Spa

Exhale is located at Loews Miami Beach hotel and is a relaxing sanctuary designed to balance and restore the mind and body, Exhale's complete menu of spa therapies and fitness classes. For additional information or to reserve a spa appointment, please go to: <https://www.loewshotels.com/miami-beach/services-amenities/exhale-spa>

### Kids Activities

Loews loves kids, teens and grown up kids, too! Named one of the Top 10 Beach Resorts for Families by Parents Magazine, Loews Miami Beach Hotel is the only true family-friendly hotel located in the heart of South Beach.

SoBe Kids Camp at Loews offers full and half-day programs every day and evening programs on Friday and Saturday nights. The programs are packed with high-energy activities like Arts & Crafts, Shell Finding, Sand Castle Contests, Beach Sports, Water Balloon Madness, Wii competitions, our very own SoBe Scavenger Hunt and more.

SoBe Kids Camp is located in the lobby of the St. Moritz Tower at the Loews, for children 4 to 12 years old. For more information, please call 305-604-5421.

### Loews Hotel Blog

Please go to the Loews Hotel Blog for some ide current ideas for your time at Miami Beach: <http://blog.loewshotels.com/locations/miami-beach/>

## TOP MIAMI AREA ATTRACTIONS

### 1. South Beach

No visit to Miami can be considered complete without a stop at South Beach -- the quintessential Miami hot spot. From shopping to partying, this area of Miami Beach is well-known for being a trendy locale.

[www.miamiandbeaches.com](http://www.miamiandbeaches.com)

### 2. Everglades

With 1.5 million acres of swamps, saw-grass prairies and subtropical jungles, Everglades National Park is one of the most unusual public parks in the United States. Located on the southern tip of Florida, the park is home to 14 rare and endangered species, including the American Crocodile, the Florida Panther and the West Indian Manatee. A large portion of the park is primitive, explored only by adventurers and researchers – but visitors have ample opportunity to walk, camp and canoe. [www.nps.gov/ever/index.htm](http://www.nps.gov/ever/index.htm)

### 3. Miami Seaquarium

Miami Seaquarium is 38 acres of tropical paradise, featuring dolphins, killer whales and more. Founded in 1955, it is one of the oldest oceanariums in the United States. In addition to marine mammals, the Miami Seaquarium houses fish, sharks, sea turtles, birds, reptiles, and manatees. From eight different marine animal shows, astonishing daily presentations, and a variety of educational tidbits along the way, Miami Seaquarium is a place of inspiration, education - and fun! <http://www.miamiseaquarium.com/>

### 4. Jungle Island

Jungle Island, Miami's premier entertainment destination, combines the beauty of Miami's tropical landscape with a jungle full of extraordinary animals from around the globe. Building upon its rich 75-year history, today's Jungle Island is a contemporary theme park, featuring extremely rare twin orangutans and over 300 vibrant birds, including the world's only trained Cassowary <https://www.jungleisland.com/>
