About Switzerland

Zürich is the largest city in Switzerland and the capital of the canton of Zürich. There are 401,144 people living in Zürich making Switzerland's largest city, it is the global city and one among the largest financial centers in the world. Zürich is a hub for railways, roads, and air traffic. Both Zürich Airport and railway station are vast and active in the country. It is located in north-central Switzerland and is located at the north-western head of Lake Zürich. Zürich is situated at 408m above sea level. Zurich has the oceanic climate with four different climatic zones. According to several surveys from 2006 to 2008, Zürich was named the city with the best quality of life in the world as well as the wealthiest city in Europe. Zürich ranked first in Monocle's 2012 "Quality of Life Survey" among the world and also the wealthiest city in Europe. The Economist Intelligence Unit's Global Liveability Ranking sees Zürich rank among the top ten most liveable cities in the world.
