Welcome to Pharmacology Virtual 2021

Dear colleagues and health care providers

We are glad to announce the 2nd International E-Conference on Pharmacology and Toxicology to be held from December 06-07, 2021 organized by United Research Forum.

Pharmacology Virtual 2021 is the International platform which brings together the collection of investigators who are at the forefront in the field of Pharmacology and Toxicology. The scientific program will include oral presentations of sub-disciplines, keynote sessions led by eminent scientists and poster sessions presented interactively by junior scientists and graduate students. It is the ultimate meeting place for all the experts world wide for new interdisciplinary scientific collaborations and networking.

The committee aims to create a friendly, warm network environment among participants which makes it easy to interact other colleges / attendee to connect with each other and share their ideas and establish the foundation for future vision and development.
