The Lakefront Anchorage Set on the shore of Lake Spenard next to Lake Hood, The Lakefront Anchorage has daily flightseeing and fishing pickups from its own dock, from which you can also gaze at floatplanes with the majestic Chugach Mountains behind.

This lodge-style hotel is for adventure seekers and business travelers alike, with welcoming hospitality, comfortable amenities, fitness center and more. Take in your Last Frontier adventure and try a bison burger or jumbo king crab legs paired with an icy pint of Alaskan Amber at the Flying Machine Restaurant, or dine lakeside at the Deck at Lake Hood. Newly renovated Deluxe Guest Rooms offer 350 square feet of comfort, complimentary Wi-Fi access, safe, mini-fridge, coffee/tea maker, hair dryer, iron/board and more. Getting here is a breeze.

Ted Stevens Anchorage International Airport (ANC) is just one mile away and free 24 hour airport shuttle service is provided by the hotel. As a bonus, downtown Anchorage is just four miles out.

HOTEL RATES: A portion of the room rate is used to partially offset the cost of refreshments served during the meeting for participants only. NWAS/NWWT room rate includes complimentary internet access in guest room.

Deluxe Room:
Single/Double Occ. – \$260 Triple Occ. – \$280 Quad Occ. – \$300
• 1 King bed or 2 Queen beds

CANCELLATIONS: Cancellations of room reservations accepted without penalty until 6 days prior to arrival. Early departure fees apply. **Travel insurance recommended.**

MEDICAL DIRECTOR: Mark Murphy, MD, MSN Education, Austin, Texas and Northwest Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, physician assistants, nurse practitioners, registered nurses, paramedics, pre-hospital emergency medicine care providers and all other medical care providers who must maintain state-of-the-art knowledge of the specialty or are impacted by it.

PROGRAM PURPOSE: The practitioner of emergency medicine must possess evidence-based scientific background for competent clinical practice; maintain state-of-the-art knowledge of the specialty and all additional related disciplines; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures; manage self and colleagues to function toward common goals in providing consistent care in all settings in which emergency care is provided; serve as an expert in matters involving quality, safe and equitable health care delivery and support of other service providers, departments, institutions, and organizations dependent upon professional expertise. Presentations are designed to facilitate the acquisition of cognitive and technical skills as defined through evidenced based data translated to best practice standards by the pertinent governmental and professional organizations including the American College of Emergency Physicians, American College of Surgeons and the Emergency Nurses Association and abilities in one or more of the disciplines vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences as they impact and are affected by the planning, delivery, and monitoring of services inherent in the professions

Explain the selection, dosing considerations with methods of administration, safe use, contraindications and precautions of drugs based on their chemical and pharmacologic properties

Outline comprehensive patient management plans for the special patient population

Apply the principles of safety and asepsis in the performance of all aspects of patient care regardless of the clinical environment in which the practice resides

Incorporate the published tenets of pertinent, recognized external organizations, institutions, and professional groups defining medical, legal, philosophical, ethical, and health care management standards.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health and Northwest Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 20 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Anesthesiologist Assistants: The National Commission for Certification of Anesthesiologist Assistants (NCCAA) will accept CME credit for programs approved for continuing medical education by the AMA, AAPA, and ACCME.

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: This program is designed to meet requirements for Class A CE credit. Once approved by AANA, this will be indicated.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category 1 credit for completing this program.

Registered Nurses: NWS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), and the Georgia Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

Anchorage Looking for outdoor adventure? Anchorage has got you covered. Stroll or bike the 11-mile Tony Knowles Coastal Trail which follows the shoreline of Cook Inlet from downtown Anchorage to Kincaid Park. For a scenic drive, take the Seward Highway south to Chugach State Park and beyond into the great Alaskan wilderness where you're sure to spot wildlife from eagles to moose. Another popular mode of transportation is the Alaska Railroad. Head to the Anchorage Depot and catch a train to Denali Park, Fairbanks, Seward, and Whittier giving you access to cruise tours, glacier viewing, and all the scenery you could hope for along the way.

You don't have to leave town to glimpse Alaska's native wildlife. Visit the Alaska Zoo for a wide variety of animals, many rescued or rehabilitated and now living in comfortable habitats, some recently expanded including the polar bear habitat. A great way to get a taste of Alaskan history is the Anchorage Museum at Rasmuson Center. Exhibits include artwork, audio, video, and text displays covering Alaskan Native history, nature, and even a planetarium.

Shopping opportunities include the 5th Avenue Mall, with five floors of shops including a few Alaskan themed gift stores. The downtown area is very walkable and also offers a selection of gifts including jewelry, native art, and even furs!

We have a block of rooms for seminar participants. Once this block is sold, rooms are based upon availability only and may be at a higher rate. To make reservations, please visit our website: www.northwestseminars.com or call (800) 222-6927.

Call Universal Travel for your airfare needs. Be sure to mention Northwest Seminars when booking. Booking fee applies. Contact Kellee Kilmer: Phone: (858) 456-7887 Email: kellee@universaltravel1.com

Course Registration

17EMAAKL

TUITION: In USD	MD/DO	CRNA/PA	RN/Others
Early <i>(Paid by 5/16/17)</i>	\$850	\$750	\$650
Regular <i>(Paid after 5/16/17)</i>	\$900	\$800	\$700
Daily	\$230	\$205	\$180

PAYMENT METHODS:

Payment methods accepted for tuition include Visa, Mastercard, American Express, Discover, check, or money order in US funds, payable to NWS.

SCHEDULE AND FACULTY CHANGES:

Factors beyond our control sometimes necessitate changes in the schedule and faculty. If time permits, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

COURSE CANCELLATION BY PROVIDER:

We reserve the right to cancel a course for any reason. In such case, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NWS and NWWT will not be responsible for any non-refundable airfare, hotel, or other liabilities you may incur. **We highly recommend purchase of travel insurance. Travel at your own risk.**

COURSE CANCELLATION FEE:

\$100 June 15, 2017 to July 15, 2017. No refund after July 15, 2017; however, 50% of tuition paid may be applied toward tuition for another NWS program within the next 12 months. **Cancellation must be made in writing.**

FAP (FREQUENT ATTENDEE POINTS):

FAP lets you accumulate points based on dollars spent with NWS including net hotel and tuition booked through NWS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NWS.

ERRONEOUS PRICING NOTICE:

Northwest Anesthesia Seminars, Northwest Seminars, and Northwest World Wide Travel reserve the right not to honor any published prices or coupons that it determines were erroneous due to printing, electronic, or clerical error.
