Transportation

As fewer and fewer people have chosen to travel with the pre-booked bus transfers between Gardermoen and Beitostølen we have cancelled them this year.

We suggest that you use **Nor-Way Bussekspress** which has four departures on this route on March 19. You can pre-book your tickets through their website: <https://www.nor-way.no> - the busses leaves at 09.10, 11.40, 13.40 and 17.15.

For your trip home on March 24 we suggest that you pre-book the bus that leaves at 10.45 from Beitostølen.

If you are not riding the shuttle bus or driving your own car:

For alternative transportation, go to www.beitostolen.com.
