

40th
Anniversary

INTERVENTIONAL CARDIOLOGY'S ANNUAL MEETING

ADVANCING CARE TO SAVE & ENHANCE LIVES

SCAI 2017

NEW ORLEANS | MAY 10-13, 2017

PRELIMINARY PROGRAM

NEW THIS YEAR!

- Keynote Address by Arianna Huffington
- Return of Live Cases

The Society for Cardiovascular
Angiography and Interventions
Foundation

www.SCAI.org/SCAI2017
#SCAI2017

GENERAL INFORMATION

SCAI 2017 SCIENTIFIC SESSIONS HIGHLIGHTS

If you can only attend one Interventional / Invasive Cardiology education meeting this year, it should be the Best of the Best, SCAI 2017 Scientific Sessions.

- SCAI's Cath Lab Leadership Boot Camp (*details on page 9*)
- Late-breaking clinical trials and real-world analysis (*details on page 8*)
- Keynote speaker Arianna Huffington (*details on page 5*)
- Live case presentations, Hildner, Mullins and Founders' lectures, and "40th Anniversary of SCAI & Angioplasty" session presented in the new Main Arena (*details on pages 6-8*)
- View more SCAI 2017 Scientific Sessions highlights on page 8

► EDUCATIONAL OBJECTIVES

At the conclusion of SCAI 2017 Scientific Sessions, participants will be able to:

- Describe the most recent scientific advances, clinical evidence, challenges and opportunities within the field of interventional cardiovascular or congenital heart disease;
- Recognize the appropriate diagnostic studies for evaluation of acute coronary syndromes and summarize new pharmacologic and interventional approaches to the management of patients;
- Appropriately select newly developed devices and therapies for treatment of cardiovascular disease to improve early and late clinical outcomes after coronary/peripheral/structural heart disease interventions;
- Implement quality-based practices, including appropriate use criteria, clinical guidelines, consistent documentation and assignment of quality metrics for interventional procedures;
- Collaborate with cath lab team members to optimize operations and meet new regulatory requirements, such as MACRA;
- Assess the latest techniques, technologies, and therapies (medical and interventional) for structural heart disease, congenital heart disease and peripheral vascular disease.

EDUCATIONAL FORMAT

A distinguished faculty will conduct a four-day program that includes live cases, featured speakers, case reviews, lectures, comprehensive didactic sessions, interactive discussions, abstract presentations, poster sessions and workshops.

TARGET AUDIENCE

SCAI 2017 Scientific Sessions represent a unique forum driven by issues of the day in invasive and interventional cardiology and are of special interest to:

- Invasive, interventional, and general cardiologists, as well as general internists and other physician specialists
- Pediatricians specializing in congenital heart disease
- Fellows-in-training
- Members of the Cardiovascular Cath Lab Team, including cath lab nurses, technologists, radiologic technologists, technicians, physician assistants and nurse practitioners
- Hospital administrators
- Quality improvement specialists

PROGRAM COMMITTEE

Robert J. Applegate, MD, MSCAI
Program Chair
Winston-Salem, NC

Ehtisham Mahmud, MD, FSCAI
Program Co-Chair
San Diego, CA

Sunil V. Rao, MD, FSCAI
Program Co-Chair
Durham, NC

Henri Justino, MD, FSCAI
Congenital Heart Disease Program Chair
Houston, TX

Dennis W. Kim, MD, PhD, FSCAI
Congenital Heart Disease Program Co-Chair
Atlanta, GA

Howard C. Herrmann, MD, MSCAI
C3 SUMMIT® Chair
Philadelphia, PA

Ruby Satpathy, MD, FSCAI
C3 SUMMIT® Co-Chair
Omaha, NE

Duane S. Pinto, MD, MPH, FSCAI
C3 SUMMIT® Co-Chair
Boston, MA

Emmanouil Brilakis, MD, PhD, FSCAI
Coronary Track Director
Dallas, TX

Sahil A. Parikh, MD, FSCAI
Peripheral Track Director
Cleveland, OH

James B. Hermiller, MD, FSCAI
Structural Track Director
Indianapolis, IN

Arnold H. Seto, MD, FSCAI
Cath Lab Boot Camp Track Director
Long Beach, CA

Rena L. Silver, MSN, APN, CNP
CVP Program Planner
Evanston, IL

Jeff Davis, RRT-NPS, RCIS
CVP Program Planner
Fort Myers, FL

Bernadette Speiser, BSN, MSN, CCRN, RCIS
CVP Program Planner
Milpitas, CA

David G. Rizik, MD, FSCAI
Live Case Chair
Scottsdale, AZ

ABSTRACTS

An exciting array of abstracts will be presented at the conference. The top three abstracts on both Adult and Congenital Interventions will receive special recognition. All presented abstracts will be printed in SCAI's journal, *Catheterization & Cardiovascular Interventions (CCI)*.

Visit www.SCAI.org/SCAI2017 to learn how you can submit your abstract to present your research amongst the biggest names in Interventional Cardiology! Accepting abstracts through **December 19, 2016**.

SPECIAL ASSISTANCE

SCAI is committed to making this conference accessible to all individuals. If you require special assistance to fully participate in the program, please email a written description of your requirement for any auxiliary aid(s) and/or service(s) (as identified in the Americans with Disabilities Act) to AMcLeod@scai.org. Dietary restrictions may also be indicated. Most requests can be accommodated if notification is received within one month prior to the conference start date.

CREDIT

CME and CE certificates, as well as certificates of participation, will be provided to registered attendees based upon completion of the evaluation. For questions regarding credit for this event, please email CME@scai.org.

DISCLOSURE STATEMENT

As a provider of continuing medical education through the Accreditation Council for Continuing Medical Education (ACCME), it is the Society's policy to ensure balance, independence, objectivity and scientific rigor in all of its programs. All participating faculty, course directors, and planning committee members and staff are required to disclose to SCAI any financial relationships related to the subject matter of the activity/session in which they are participating. Disclosure information is reviewed in advance in order to manage and resolve any possible conflicts of interest. The intent of the disclosure is not to prevent the planner or presenter from being involved in the activity, but rather to provide participants with information on which they can make their own judgments.

COMMERCIAL SUPPORT

SCAI 2017 Scientific Sessions are funded in part by educational grants from various commercial entities. A complete list of commercial supporters and contributors will be provided at the meeting.

ACCREDITATION / CME CREDIT

- **Physicians:** The Society for Cardiovascular Angiography and Interventions (SCAI) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

SCAI designates this live activity for a maximum of 25 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

- **CME for MOC:** Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to xx MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
- **International Physicians:** The American Medical Association (AMA) has determined that physicians not licensed in the U.S. who participate in this CME activity are eligible for *AMA PRA Category 1 Credit*[™].
- **Doctors of Osteopathy:** The American Osteopathic Association (AOA) awards Category 2 credit for formal educational programs that are ACCME-accredited or AAFP-approved.
- **Physician Assistants:** The American Academy of Physician Assistants (AAPA) accepts Category I credit from the ACCME. SCAI is an accredited provider through the ACCME.
- **Nurses:** SCAI will apply to the Maryland Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation, for up to 25 credits for this activity.
- **Technologists:** SCAI will apply to the American Society of Radiologic Technologists for up to 25 Category A credits for this activity.

HOTEL ACCOMMODATIONS

SCAI 2017 will take place entirely at:

Hilton New Orleans Riverside
Two Poydras Street
New Orleans, Louisiana, 70130, USA

Reserve your room at **Hilton New Orleans Riverside starting at \$229** with SCAI's discounted room block while availability lasts. Rooms are offered on a first come, first served basis.

Room Rates: Guests have a choice of reserving three room types.

Standard: \$229

View: \$239

Executive: \$259

▶ MAKE YOUR HOTEL RESERVATIONS TODAY!

- **Online Reservations:** Visit www.SCAI.org/SCAI2017Hotel
- **Phone Reservations:** Call 1(800) 445-8667 and reference "SCAI"

Please note, a reservation access code will be provided to the following SCAI 2017 attendees to make their room reservations:

- Fellows-in-training attending C3 SUMMIT[®]
- SCAI 2017 faculty members
- Exhibitors

OUT & ABOUT IN NEW ORLEANS

New Orleans is well known for its centuries-old architecture, vibrant live-music scene and unique cuisine, whether you have a craving for French, Cajun or Creole.

When not taking part in SCAI 2017, attendees can enjoy a wide range of historic neighborhoods, top-ranked museums and sightseeing throughout the city.

FRENCH QUARTER

The French Quarter, also known as the Vieux Carré or the "Quarter" to locals, sits on a crescent in the Mississippi River on some of the highest ground in New Orleans. The city's cultural hub, New Orleans' oldest neighborhood has exerted a spell over writers and artists since the time of Mark Twain, Lafcadio Hern and John James Audubon. French Quarter architecture blends Spanish, French, Creole and American styles together in an idyllic, enchanting setting. From fine dining to casual local eats, the French Quarter is the best place to sample Creole and Cajun cuisine and truly has something for every taste.

► CUISINE

Time in New Orleans isn't kept in hours or days, but in meals. When dining in New Orleans, experience a culinary adventure that spans a wide array of cuisines. From Cajun and Creole to Soul and Contemporary French, award-winning chefs create food for your taste buds and nourishment for your soul.

Start the day with a beignet drenched in powdered sugar and a steaming café au lait, lunch on a shrimp po-boy or mouth-watering muffuletta and end the day with gumbo, shrimp creole and flaming bananas foster. Taste for yourself why *Bon Appétit* named New Orleans one of America's Top 5 Restaurant Cities.

MUSIC

The birthplace of Jazz and Louis Armstrong, music is where New Orleans' first settlers found common ground. No other city love music more. Jazz, America's only original art form, was born here. Rhythm & Blues, Gospel, Cajun and Zydeco all express the melting pot that is our heritage. The city's music will put an extra hop in your step!

CENTRAL LOCATION

Conveniently situated in the central region of the US, New Orleans is ideal for travelers to join us during our 40th Anniversary Celebration. The Louis Armstrong International Airport is just 20 minutes from the Hilton New Orleans Riverside in the center of the city.

KEYNOTE & FEATURED SPEAKERS

KEYNOTE ADDRESS BY ARIANNA HUFFINGTON

Arianna Huffington is best known as the visionary behind the *Huffington Post*, as well as the author of fifteen books, including the *New York Times* #1 bestseller *The Sleep Revolution: Transforming Your Life, One Night At A Time*. She has been named one of *Forbes'* Most Powerful Women and has been recognized on *Time Magazine's* annual list of the world's 100 most influential people, in addition to numerous other accolades.

In August she launched Thrive Global, a corporate and consumer well-being and productivity platform with the mission of changing the way we work and live by ending the collective delusion that burnout is the price we must pay for success.

Huffington will launch the official start of SCAI 2017 on Wednesday, May 10, with a keynote presentation about the current sleep deprivation crisis we find ourselves in and its profound consequences – on our health, our job performance, our relationships and our happiness. She will explain how renewing our relationship with sleep can allow us to take back control of our lives. This special, first-of-its-kind event at SCAI Scientific Sessions will resonate with the Interventional Cardiology Community, which is constantly dealing with the effects of interrupted and reduced sleep.

"Arianna Huffington is an innovator, a thought leader, and a global success story, helping to popularize online journalism and redefine it for a new generation," said SCAI President Kenneth Rosenfield, MD, MSCAI. "Her message about the Sleep Revolution is critical to our community and SCAI's mission to *Save and Enhance Lives*. In order to provide the very best care to our patients, we need to make sure we are addressing occupational health issues in our cath labs and this is a critical piece of that effort."

**Arianna
Huffington**

"Arianna Huffington is an innovator, a thought leader, and a global success story, helping to popularize online journalism and redefine it for a new generation."

Kenneth Rosenfield, MD, MSCAI

WEDNESDAY | MAY 10, 2017

7 AM	CHIP Symposium - I: From Basics to Advanced		Volume to Value <i>In partnership with MedAxiom</i>		
8 AM	CHIP Symposium - II: How CTO Techniques Can Help Any PCI		State of the Union <i>In partnership with MedAxiom</i>		
9 AM	Break		Break		
10 AM	CHIP Symposium - III: Live Case		Understanding and Succeeding in MACRA <i>In partnership with MedAxiom</i>		
11 AM					
Noon	🍴 Satellite Lunches (11:15 AM - 12:15 PM)				
	Welcome to SCAI 2017 (12:30 PM - 12:45 PM)				
1 PM	Keynote Address: Arianna Huffington (12:45 PM - 1:15 PM)				
2 PM	Live Cases - I: TAVR Technologies	Shock and Hemodynamic Support: Case-Based Presentations	Succeeding in AMI Bundles <i>In partnership with MedAxiom</i>	Structural Tool Box: Skill Sets Required	Through the Looking Glass: Assistive Imaging for Complex Interventions
3 PM	Controversies in Interventional Cardiology: TAVR	Final Frontiers - I: Complex Lesions – Case-Based Presentations	Cath Lab Optimization <i>In partnership with MedAxiom</i>	Non-Valvular SHD: State of the Art	Image Gently Campaign: Radiation Safety in Pediatric Catheterization
4 PM	Exhibits & Abstract Posters (4:00 PM - 4:30 PM)				
5 PM	40 for 40: 40 th Anniversary of SCAI and Angioplasty	Final Frontiers - II: Left Main & Bifurcation Lesions – Case-Based Presentations	Aligning Incentives With Interventional Physicians <i>In partnership with MedAxiom</i>	Plugging the Paravalvular Leak	Great Minds Think Differently
6 PM	Poster Session - I (5:30 PM - 6:00 PM) Presidents' Reception (5:30 PM - 7:00 PM) Satellite Dinners (7:30 PM - 9:00 PM)				

THURSDAY | MAY 11, 2017

...	Satellite Breakfasts (6:30 AM - 7:45 AM)				
8 AM	Hildner Lecture (8:00 AM - 8:30 AM)				
9 AM	Keynote Speaker (8:30 AM - 9:00 AM)				
10 AM	Live Cases - II: Technique for Complex PCI	Challenges and Controversies in Interventional Pharmacology	VIVA at SCAI 2017: Challenges and Controversies in Peripheral Vascular Intervention	Cath Lab Administrators Boot Camp	Transcatheter Mitral Repair and Replacement
11 AM	Exhibits & Poster Session - II (10:30 AM - 11:00 AM)				
Noon	Late-Breaking Clinical Trials - I	Coronary Imaging and Physiology	Acute Stroke and Cerebrovascular Intervention: The Time is Now	Cath Lab Management Skills: Taking the Reins	TAVR - I: Fundamentals
1 PM	Satellite Lunches (12:15 PM - 1:15 PM)				
2 PM	Live Cases - III: Transeptal Technologies	TRIP VASC - I: Radial and Femoral	CTO's: Coronary Meets Peripheral	Implementation of Quality Measures in the Cath Lab: How I Did It	TAVR - II: Beyond the Basics
3 PM	Exhibits & Abstract Posters (3:00 PM - 3:30 PM)				
4 PM	Coronary Case Based Presentation Competition	TRIP VASC - II: Radial and Beyond	SFA: Endo First!	Occupational Hazards: My Neck Hurts, My Back Is Shot and I Can't See!	TAVR - III: Optimizing TAVR Outcomes
5 PM	Poster Session - III (5:00 PM - 5:30 PM) Cases Over Cocktails (5:30 PM - 6:30 PM) CVP Reception (6:30 PM - 7:30 PM) Satellite Dinners (7:30 PM - 9:00 PM)				
...					

Schedule is tentative and subject to change.

CELEBRATING THE 40TH ANNIVERSARY OF SCAI SCIENTIFIC SESSIONS & PCI

Join the Interventional and Invasive Cardiology Community as we celebrate the 40th Anniversary of SCAI Scientific Sessions as well as 40 Years of Angioplasty. SCAI 2017 will be a can't-miss celebration of our community's commitment to Save and Enhance Lives through innovation and evidence-based practice, including the very special 40 for 40 session featuring several of our field's most iconic figures.

With the highlights below, SCAI 2017 will be bigger and better than ever before!

INTRODUCING THE MAIN ARENA!

New this year, we'll be introducing the Main Arena to feature the most dynamic content from across SCAI 2017 programming and specialty areas.

KEYNOTE & FEATURED SPEAKERS

We'll be celebrating this special anniversary with an impressive lineup of keynote and featured speakers that will challenge and motivate you to better focus on to Save and Enhance Lives. Arianna Huffington will launch the official start of SCAI 2017 with a special, first-of-its-kind keynote address. Anne LeGrand of IBM Watson will lead our list of featured speakers. Visit www.SCAI.org/SCAI2017 as we add more!

▶ RETURN OF LIVE CASES!

Need another reason to celebrate? How about the return of Live Cases to Interventional Cardiology's Annual Meeting? SCAI 2017 will feature fascinating, instructive, educational cases from across the US aimed at helping you enhance your technique and decision-making. You'll be employing what you learn during these sessions as soon as you return to the cath lab.

LATE-BREAKING CLINICAL TRIALS

SCAI's Late-Breaking Clinical Trials have been results have been prominently featured in mainstream and trade media including: *The Wall Street Journal*, *USA Today*, *The L.A. Times*, and *The Washington Post*, fostering collegial education, collaboration, and dialogue in important interventional cardiology topics.

Learn more about presenting your trial results at SCAI 2017 at www.SCAI.org/LBCT.

FULL-DAY CTO & CHIP SYMPOSIUM

Last year's half-day symposium focusing on chronic total occlusion (CTO) and complete revascularization of higher-risk-indicated patients (CHIP) was a standing-room-only event. Building on that success, SCAI 2017 will feature an expanded full-day sequel on Wednesday with Live Cases.

DESIGNED FOR THE WHOLE CATH LAB TEAM, INCLUDING HOSPITAL ADMINISTRATORS

This year's program is designed for the whole cath lab team including cardiovascular services line and hospital administrators. Want to run a more efficient cath lab designed for coming changes to our healthcare environment? Don't miss SCAI 2017!

► GEAR UP TO TACKLE HEALTHCARE REFORM & CATH LAB ECONOMICS WITH CATH LAB BOOT CAMP TRACK

SCAI's Cath Lab Leadership Boot Camp has been expanded to a track of its own to help you cope with coming healthcare reform including special symposia in partnership with MedAxiom.

Designed for hospital and cardiovascular service line administrators as well as cath lab managers and directors and those who aspire to be, the three-day Cath Lab Boot Camp Track will help you stay ahead of the curve with a close look at real-world solutions to navigating MACRA and AMI Bundles as well as a deeper dive into alternative payment methods, efficient care protocols and pathway strategies, occupational hazards, how to make a business case for new technologies, etc.

Learn more about the Cath Lab Leadership Boot Camp at www.SCAI.org/BootCamp.

SCAI 2017 ON DEMAND NOW INCLUDED IN YOUR REGISTRATION FOR FREE!

Can't be at two places at once? With this year's programming you may find yourself in that predicament quite a bit. That's why we are now including a free subscription to SCAI 2017 On Demand as part of your registration. SCAI 2017 On Demand will capture presentation slides side-by-side with video of the speakers and can be viewed on-the-go from your smartphone or laptop. It's a great way to make sure you don't miss a minute of SCAI 2017 content!

C3 SUMMIT® FOR INTERVENTIONAL CARDIOLOGY FELLOWS-IN-TRAINING

If you are an interventional cardiology fellow-in-training in your last year of training and can only attend one fellows course this year, make sure it's the Best of the Best. Make sure it's SCAI's C3 SUMMIT®, held in conjunction with SCAI 2017 Scientific Sessions. The world's premiere figures in interventional cardiology will be there. Shouldn't YOU?

Thanks to educational grants, SCAI is able to provide interventional cardiology fellows-in-training with:

- **Complimentary registration** for SCAI 2017 Scientific Sessions (May 10-13, 2017) and C3 SUMMIT® (May 12, 2017)
- **Complimentary hotel accommodations** during the SCAI 2017 Scientific Sessions and the C3 SUMMIT®
- **Lowest Coach airfare to / from New Orleans** up to \$500

Hotel and airfare restrictions apply. Learn more about the C3 SUMMIT® at www.SCAI.org/C3.

SO MUCH, MUCH, MORE

SCAI 2017 will feature something for everyone in the interventional community and beyond. Review the program and stay tuned for updates! Visit www.SCAI.org/SCAI2017 for the latest information.

Join SCAI

► SCAI MEMBERSHIP IS A SMART INVESTMENT – JOIN SCAI TODAY!

SCAI's membership is open to the entire cath lab team, recognizing that engaging the whole cath lab team is key to advancing OUR interventional cardiovascular specialty through education, advocacy and quality improvement. SCAI Member Benefits Include:

- Tuition discounts for SCAI meetings including up to \$700 Off SCAI 2017 Scientific Sessions tuition
- SCAI Advocacy efforts on your behalf
- FREE subscription to SCAI's official journal, *Catheterization & Cardiovascular Interventions (CCI)*
- Diverse CME / CE / CEU offerings and access to SCAI's e-Learning Library to meet your needs
- Access to SCAI Quality Improvement Toolkit (SCAI-QIT) and clinical guidelines
- And More!
