2017 CNS Spine Complications Course

Crossing the Chasm: Critical Peer Review for Spine Surgeons

January 26-29, 2017 • Park City, Utah

Course Description

This course provides a peer review forum for the discussion of complications related to spinal surgery. Management, technical, and equipment related issues will be discussed in order to pass along lessons learned, point out safety concerns, and improve the surgical management of patients with spine disorders.

Participants will be asked to present a complication for which they were the responsible surgeon and will receive feedback from peers and expert faculty.

Learning Objectives

Upon completion of this course, participants will be able to:

- Recognize factors that lead to complications and poor outcomes when treating spine disorders.
- Discuss new and different strategies for how to best resolve spine surgery complications should they arise.
- Discuss current research and developments in diagnostic techniques, methods of therapy and treatment alternatives for the management of spine diseases.

Accreditation

The Congress of Neurological Surgeons is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation Statement

The CNS designates this live activity for a maximum of 24* *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

*This includes 4.5 *AMA PRA Category 1 Credits*[™] for optional sessions.
