

The XXII North American Testis Workshop

April 10 – 13, 2013

Preceding the American Society of Andrology Annual Meeting, April 13 – 16, 2013

Chair: William Wright, PhD, Johns Hopkins University

Abstracts to the 2013 Testis Workshop will be submitted via the web site for the American Society for Andrology. The link to the 2013 North American Testis Workshop will be posted on the ASA website later this year.

Abstract Submissions Open: September 1, 2012, noon CT

Abstract Submissions Close: January 14, 2013, noon CT

PROGRAM HIGHLIGHTS

April 10, 2013

Keynote Address

David Zarkower, PhD, *University of Minnesota*

April 11, 2013

Benchmark Lecture

Michael D. Griswold, PhD, *Washington State University*

Session I

Topic: Regulation and Restoration of Fertility in Men

John K. Amory, MD, *University of Washington*

Renee A. Reijo Pera, PhD, *Stanford University*

Dolores J. Lamb, PhD, *Baylor College of Medicine*

Session II

Topic: Genome Integrity

Monika A. Ward, PhD, *University of Hawaii at Manoa*

Christi A. Walter, PhD, *University of Texas—San Antonio*

James F. Amatruda, MD, PhD, *University of Texas—Southwestern*

Scott Keeney, PhD, *Memorial Sloan-Kettering Cancer Center / Howard Hughes Medical Institute*

April 12, 2013

EMBO Young Investigator Lecture

Antoine H.F. M. Peters, PhD, *Friedrich Miescher Institute*

Session III

Topic: Regulation of Gene Expression by Transcription Factors and Imprinting

Richard N. Freiman, PhD, *Brown University*

Sarah Kimmins, PhD, *McGill University*

Margaret T. Fuller, PhD, *Stanford University*

Session IV

Topic: Somatic Cells

Jeffrey J. Lysiak, PhD, *University of Virginia*

Robert Braun, PhD, *The Jackson Laboratory*

Mario Ascoli, PhD, *University of Iowa*

Kenneth S. K. Tung, MD, *University of Virginia*

April 13, 2013

Session V

Topic: Stem Cells and their Niche

Shosei Yoshida, MD, PhD, *National Institute for Basic Biology, Japan*

Jon M. Oatley, PhD, *Washington State University*

Erika Matunis, PhD, *Johns Hopkins University*

Ina Dobrinski, MVSc, PhD, *University of Calgary*
