

# Recognizing Parkinson's Disease and Its Look-A-Likes:

*The 3rd Annual Weekend Symposium in  
Movement Disorders for the Busy Clinician*

April 6-7, 2013

## Target Audience

This educational symposium is intended for the *busy clinician* who treats patients with Parkinson's disease and other Movement Disorders including: neurologists, primary care physicians, physician assistants, nurses, nurse practitioners and other allied health professionals such as physical, occupational and speech therapists.

## Program Description

The "modern clinician" is a practical and caring clinician who realizes that therapeutic advancement in Parkinson's disease and other Movement Disorders are occurring at an unprecedented pace. They seek to be constantly informed and updated so as to provide comprehensive care in the most efficient yet compassionate manner. This interactive symposium is developed with the *busy clinician* in mind. It focuses on the recognition of Parkinson's disease and its mimickers, its work-up and treatment. And it will be provided in the most interactive and practical yet authoritative and balanced manner, all in one weekend. It is intended for the busy clinician who has to "know it all" in the shortest amount of time!

## Goals and Objectives

Upon completion of their symposium, the busy clinician will be able to:

- Recognize Parkinson's disease, its look-a-likes, and other common movement disorders;
- Describe the work-up for Parkinson's disease, its mimickers, and other movement disorders;
- Review the current treatment options for the newly diagnosed Parkinson patient;
- Recognize and treat the most common "non-motor" problems associated with Parkinson's disease;
- Identify "the perfect" Deep Brain Stimulation candidate for Parkinson's disease and other indications;
- Discuss why DBS failures occur and know how to manage them.

## Location

Cleveland Marriott Downtown at Key Center  
127 Public Square  
Cleveland, OH 44114  
216-696-9200

A block of rooms has been reserved at Marriott Cleveland Downtown at Key Center until **April 5, 2013**. To make your reservations, contact the Hotel Reservations Department at 216.696.9200 or 800.228.9290. Please identify yourself as being with the **2013 Parkinson's Symposium Group** for a special rate of \$149 plus tax.

## Deadline for Registration and Cancellation

Register at [www.ccfme.org/pd13](http://www.ccfme.org/pd13). Deadline for registration for the symposium is **5:00 pm (EST), Tuesday, April 2, 2013**. A request for a refund must be received in writing by April 2, 2013. No refunds will be given after April 2, but registration is transferable through April 7, 2013. A \$50 cancellation fee will be deducted from the refund for all cancellations. If you register by mail, please allow up to three weeks for your registration to be processed. For questions about registration, please call 216-448-0777 or email [cmeregistration@ccf.org](mailto:cmeregistration@ccf.org).

## Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of **12.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

The Ohio Board of Nursing will accept at face value the number of contact hours awarded for an educational activity that has been approved for CE by a nationally accredited system of CE approval. Therefore, the **12.50 AMA PRA Category 1 Credits™** will be accepted for nursing credits.

## Faculty Disclosure Statement

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.

## Americans with Disabilities Act

The Cleveland Clinic Foundation Center for Continuing Education fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify Beth Viscomi at 216-444-7591 at least two weeks prior to the activity.
