

# Lung Cancer and Pleural Mesothelioma: Cleveland Clinic Multidisciplinary Approaches to Care

Saturday, April 27, 2013

Cleveland Marriott Downtown at Key Center  
127 Public Square  
Cleveland, Ohio

## About the Course

This one-day course will provide a topical, clinically based overview of current issues in the multidisciplinary management of lung cancer and mesothelioma patients, with an emphasis on recent advances and possible upcoming changes in standards of care.

Medical oncologists, radiation oncologists, pulmonologists, thoracic surgeons, internists, and nurses are encouraged to attend.

## Learning Objectives

1. Describe the role of low dose CT scans in screening high-risk individuals for lung cancer.
2. Discuss the options for treatment in patients with medically high risk, early stage non-small cell lung cancer (NSCLC).
3. Recognize current recommendations for routine molecular testing of patients with NSCLC, and the use of molecularly targeted therapies for defined subgroups of patients.
4. Define the role of palliative care in the treatment of patients with advanced or metastatic NSCLC.
5. Discuss the role of a multidisciplinary team in the treatment of patients with pleural mesothelioma.

## Program Location

The course will take place at Cleveland Marriott Downtown at Key Center, 127 Public Square, Cleveland, Ohio.

## Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 8.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association Council for Continuing Medical Education for Category 2 credit.

The Ohio Board of Nursing will accept at face value the number of contact hours awarded for an educational activity that has been approved for CE by a nationally accredited system of CE approval. Therefore the 8.0 physician *AMA PRA Category 1 Credits™* will be accepted for nursing credits. Nurses from other states should contact their State Board of Nursing.

## Faculty Disclosure

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.

## Cleveland Clinic Course Co-Directors

### **David Mason, MD**

Department of Cardiothoracic Surgery

### **Peter Mazzone, MD**

Department of Pulmonary, Allergy and Critical Care Medicine

### **Sudish Murthy, MD**

Department of Cardiothoracic Surgery

### **Nathan Pennell, MD, PhD**

Department of Solid Tumor Oncology

### **Gregory Videtic, MD**

Department of Radiation Oncology

## Cleveland Clinic Faculty

### **Francisco Almeida, MD\***

Department of Pulmonary, Allergy and Critical Care Medicine

### **Joseph Cicenía, MD**

Department of Pulmonary, Allergy and Critical Care Medicine

### **Mellar Davis, MD**

Department of Solid Tumor Oncology

### **Nooshin Hashemi, MD**

Department of Solid Tumor Oncology

### **Patrick Ma, MD\***

Department of Solid Tumor Oncology

### **Michael Machuzak, MD\***

Department of Pulmonary, Allergy and Critical Care Medicine

### **Siva Raja, MD\***

Department of Cardiothoracic Surgery

### **Daniel Raymond, MD\***

Department of Cardiothoracic Surgery

### **Kevin Stephans, MD**

Department of Radiation Oncology

### **James Stevenson, MD**

Department of Solid Tumor Oncology

### **Raymond Tubbs, DO**

Department of Molecular Pathology

\*Lunch discussions, non CME

# Agenda

April 27, 2013

Cleveland Marriott Downtown at Key Center

7:30-7:50 am **Registration and Breakfast**

7:50 am **Introduction and Welcome**

8:00 am **Lung Cancer Screening and Management of Pulmonary Nodules**

Lung Cancer Screening and the Cleveland Clinic Screening Program

*Peter Mazzone, MD*

Management of Pulmonary Nodules Found on CT in the High Risk Patient

*Joseph Cicenia, MD*

Case presentation with joint discussion and Q&A session.

9:15 am **Management of Early Stage NSCLC**

Stereotactic Body Radiotherapy (SBRT) for Early Stage NSCLC

*Kevin Stephans, MD*

Surgical Approach for the High Risk Early-stage Lung Cancer Patient

*Sudish Murthy, MD*

Case presentation with joint discussion and Q&A session.

10:30 am **Break**

10:45 am **Personalized Therapy for Lung Cancer**

Tissue Requirements and Molecular Testing for ALK and EGFR – *Raymond Tubbs, DO*

Treating Patients with Common Molecular Subtypes of NSCLC in 2013

*Nathan Pennell, MD, PhD*

Case presentation with joint discussion and Q&A session.

12-1:30 pm **There will be four informal lunchtime roundtable sessions planned, case-based.**

- (1) Interventional pulmonology: demonstrate instruments and discuss difficult cases.
- (2) Surgery: Case presentation, show intraoperative films, etc.
- (3) Radiation oncology: Role of radiotherapy in lung cancer treatment.
- (4) Medical oncology: Clinical trials and upcoming targeted agents in lung cancer.

1:30 pm **Palliative Treatment for Advanced Lung Cancer**

Update on Chemotherapy for Lung Cancer in 2013 – *Nooshin Hashemi, MD*

Integration of Palliative Care into Standard Treatment of Patients with LC

*Mellar Davis, MD*

Case presentation with joint discussion and Q&A session.

2:45 pm **Multidisciplinary Management of Pleural Mesothelioma**

Chemotherapeutics for Mesothelioma: Current Status and Novel Agents in Development – *James Stevenson, MD*

The Evolving Role of Surgery in Mesothelioma – *David Mason, MD*

What Role does Radiation Play in the Management of Mesothelioma Patients?

*Gregory Videtic, MD*

4 pm **Adjourn**

**Reception**

*Time for questions and answers are included in each presentation.*

# Lung Cancer and Mesothelioma: Cleveland Clinic Multidisciplinary Approaches to Care

April 27, 2013

Cleveland Marriott Downtown at Key Center

**Mail completed registration form to:**

**Sheryl Krall**

**Cleveland Clinic Taussig Cancer Institute**

**9500 Euclid Ave. R-26**

**Cleveland, OH 44195**

To expedite your registration, you may fax it to: 216.636.1396

Once registration is faxed, please do not send original. There is no registration fee, however registration is required.

Registration includes syllabus, CME credit, lunch, and refreshment break.

Area of Specialization: (check one)

☐ Medical Oncology      ☐ Pulmonology

☐ Radiation Oncology      ☐ Surgery

☐ Other (specify) \_\_\_\_\_

☐ I am a resident/fellow

☐ I will attend the Reception

**To register after April 22, 2013, please call the Taussig Cancer Institute Education office, 216.444.7940.**

## Americans with Disabilities Act

The Cleveland Clinic Foundation Center for Continuing Education fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify Cleveland Clinic at 216.444.7924 at least two weeks prior to the activity.
