TWO GREAT CONFERENCES – ONE GREAT LOCATION!

July 24-27, 2013

Kiawah Island Golf Resort, Kiawah Island, SC

24th Annual Conference on

FOCUS ON THE FEMALE PATIENT

in collaboration with

16th Annual Conference on

OSTEOPOROSIS: Diagnosis, Management and Prevention

in collaboration with

Southern Medical Association is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Female Patient Conference

This activity is designed to detail evidence related to diagnosis, management guidelines, prevention strategies, and new as well as controversial therapies of common diseases relevant to women's health – across the lifespan - with an emphasis on practical clinical knowledge. After attending this activity, participants should be better prepared to:

- Review and discuss diagnosis and management of diseases and conditions with special emphasis on women's health
- Examine issues of concern within the specialty areas of obstetrics and gynecology in the management of female patients

Faculty

Veronica K. Piziak, MD, PhD, FACP,

Osteoporosis Conference

The goal of this conference is to provide primary care providers with an update on recent developments in the diagnosis and treatment of osteoporosis, increase their level of comfort managing these patients, and know when to refer a patient for specialist's care. At the completion of this activity, participants should be more competent to:

- Improve identification of patients with or at risk for developing Osteoporosis
- Identify potential benefits and adverse effects of FDA approved medications
- Tailor management of Osteoporosis to particular needs of individual patients

Faculty

Ronald C. Hamdy, MD, FRCP, FACP,
Conference Chair, Johnson City, TN

Walter Bartynski, MD, Charleston, SC

Harry Demos, MD, Charleston, SC

Margaret Gee, DPT, Charleston, SC
