

Nov. 5th and 6th, 2013 • Phoenix Convention Center
100 North 3rd Street, Phoenix, AZ 85004

DEMENTIA THERAPY SPECIALISTS OF ARIZONA
PRESENTS TO YOU OUR INAUGURAL

INTERNATIONAL DEMENTIA CONFERENCE

Providing cutting edge information & training for dementia therapy.

SIGN UP TODAY!

Spaces are expected to be snapped up with our **Early Bird special rate of \$497 for the two days** (book before 31st March to get this deal). Thereafter, prices increase to \$575.

We are expecting approximately 192 delegates who will be able to attend all 8 workshops over the 2 days, listen to some excellent presentations and visit 13 different exhibition booths.

We have an excellent line up of speakers and workshop facilitators from both the UK and USA. Included in the line up is our very own Dr. Dan Nightingale as well as Dr. Simon Duff, Dr. Roger Bullock, Dr. Gary Fitzgerald and Tony Duke – all from the UK. There will also be Kathy Balland, Marea Boylan and Linda Yee from the USA.

PRACTICAL INTERACTIVE WORKSHOPS

Workshops and presentations will challenge your current perceptions and include controversial therapies such as hypnotherapy in dementia care, Doll Therapy and Sex and Sexual relationships in a care facility.

To make the conference a truly moving and real experience, the opening keynote will be delivered by a man living with dementia who is supported by his wife. Together, they will take you through their own emotive journey.

18.00 - 19.00: Exhibitions and close

This full schedule is very busy. However, it will deliver value for the money, and each delegate is guaranteed to take away something that is practical and useful. This conference is suitable for people living with dementia, their loved ones, care facility staff, nurses, family doctors, psychiatrists, psychotherapists, geriatricians, dementia specialists, speech and language therapists, and social workers. There will be ample networking opportunities and you will meet new friends and associates.
