ASIPP 15TH ANNUAL MEETING

ANNUAL MEETING, LEGISLATIVE SESSION & CAPITOL HILL VISITS
JUNE 8-11, 2013 | WASHINGTON DC

FROM THE ASIPP BOARD

We are quite certain that the sequester, The Affordable Care Act (Obamacare), and the survival of IPM into the future is heavy on your minds. These are what keep us awake each night because these are what threaten the survival of our practices. These are what are threatening our FUTURE.

Due to all the quarries we are facing, including extinction of IPM through NCDs, LCDs, the ASIPP 15th Annual Meeting entitled "IPM: Strategies to Prevent Falling Over the Cliff," will likely be the last Annual Meeting held in Washington. Beginning next year, the Annual Meeting will be moved to different locations. Our Legislative Sessions, if they exist in the future, will be held separately. This year will be our last Legislative Session in conjunction with the Annual Meeting and we have also modified it for your convenience.

Day 1 of the Annual Meeting starts with a historic, never to be repeated, session featuring two of the greatest IPM founders, Prithvi Raj, MD and Gabor Racz, MD, covering the history of our evolution from the beginning to the rapid growth that followed. The eminent pain specialist and professor, Dr. Marc Hunko, will follow by discussing what is foreseen in the academic circles: opioids, interventions, or extinction of the specialty of interventional pain management. We will also present the views from a new physician and discuss some of the new regulations we must implement.

The first lecture on Sunday is by well-known speaker and friend of the late and great, Surgeon General, C. Everett Koop, MD. Robert Laszewski will present a lecture entitled, "The Affordable Care Act (Obamacare): Strategies for Survival of Independent Practice in the Era of Regulation and Empowered Insurance and Hospital Industry." This lecture should be quite enlightening as Dr. Koop once said, "I have known no one with a better grasp of what's going on in Washington than Bob Laszewski..."

This will be followed by need-to-know lectures covering the many changes in regulations in coding, billing, and quality parameters; fraud, abuse, compliance; transformational documentation, as well as exciting and illuminating discussions about our survival into the future.

Even the lunches and afternoon sessions will be packed full of exciting learning opportunities!

Laxmaiah Manchikanti

Laxmaiah Manchikanti, MD
Chairman of the Board and CEO, ASIPP

Frank J. E. Falco

Frank J. E. Falco, MD
President, ASIPP

Hans C. Hansen

Hans C. Hansen, MD
President-Elect, ASIPP

As you know, ASIPP has worked tirelessly on a multitude of issues for the survival of interventional pain management. As we stated, this will be your last opportunity to participate in the traditional Annual Meeting Legislative Session and Capitol Hill Visits. We encourage you to take advantage of this opportunity and please attend the meeting with your colleagues, employees, family and friends.

This is an important meeting for you and your future, in fact, it is "the meeting of the decade that you can't afford to miss." Don't miss this historic meeting and your chance to learn how to survive into the future.

Thank you.

GENERAL INFORMATION

ACCREDITATION STATEMENT

This CME activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education thru the Joint Sponsorship of the Institute for Medical Studies (IMS) and the American Society of Interventional Pain Physicians. The Institute for Medical Studies is accredited by the ACCME to provide continuing medical education for physicians.

CATEGORY I CREDIT

The Institute for Medical Studies designates this live activity for a maximum of 17.5 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians of Osteopathic Medicine — the American Osteopathic Association (AOA) accepts *AMA PRA Category 1 Credits™* as AOA Category 2-B credit.

RN, NP AND PA CREDIT

Nurses may claim credit for activities approved for *AMA PRA Category 1 Credits™* in most states, for up to 50% of the nursing requirement for recertification. Please check with your own state association for specific information.

Nurse Practitioners: The American Academy of Nurse Practitioners (AANP) accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME.

The American Academy of Physician Assistants (AAPA) accepts *AMA PRA Category 1 Credits™* from organizations accredited by the ACCME.

CODING CREDIT

This course has been approved for 14 Continuing Education Units by the American Academy of Professional Coders (AAPC). Granting this approval in no way constitutes endorsement by the Academy of the program, content or any sponsors.

AMERICANS WITH DISABILITIES ACT

Organizers fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any participant in this educational activity is in need of accommodations, please contact the organizers at (270) 554-9412 at least 10 days prior to the conference.

AGENDA

Three days of lectures designed to educate interventional pain physicians, mid-level providers, administration, and support personnel. The faculty will thoroughly explore the topics and provide insight into many important issues facing interventional pain physicians and ambulatory surgery centers.

AUDIENCE

Physicians, nurses, and other health care professionals practicing within field of interventional pain management as well as office administrators.

OBJECTIVE:

- Identify and discuss the evolution and future of interventional pain management
- Consider the issues related to controlled substance management, its use, as well as abuse
- Consider and discuss various emerging technology in interventional pain management
- Understand Coverage Policies
- Identify and discuss the various advances in spinal cord stimulation therapy
- Identify, consider, discuss the various aspects of guidelines for IPM
- Consider and discuss coding and billing, and documentation for IPM
- Identify compliance issues in IPM, such as fraud and abuse, medical records, and documentation.

OUTCOME

The American Society of Interventional Pain Physicians will provide you with an opportunity to improve knowledge and skills regarding multiple aspects of interventional pain management so that you can better diagnose, manage and treat patients using the latest interventional pain technology and information for improved patient outcomes. Identify multiple issues facing interventional pain management.

- There is no commercial support for this activity.
- No duplication or distribution of materials, or recording of lectures associated with this conference is permitted without express written consent of the American Society of Interventional Pain Physicians. All rights reserved.
