**VERMONT
SUMMER
PEDIATRIC
SEMINAR**

JUNE 13-16, 2013

***"Absolutely the best primary care conference
I've attended!"***

Welcome!

We hope that you can join us for this year's Vermont Summer Pediatric Seminar. Once again, we have selected our guest faculty to include highly acclaimed speakers and teachers and placed them in a setting devoted to education and fun. This year's terrific guest faculty include: Drs. Kenneth Copeland, Toni Darville, Michael Glotzbecker, Frank Sinatra and James Treat, plus Drs. Lewis First, Jerry Lucey, Marie Berg, Mike D'Amico and Jill Sullivan from Vermont.

The program content has been developed to enhance the general pediatrician's knowledge in selected topic areas. Participants will improve their diagnostic skills and management techniques related to common office pediatric problems, including **Dermatology, Endocrinology, Gastroenterology, Infectious Diseases, Neonatology, Orthopedics and General Pediatrics**. By the end of the course, participants should be able to appropriately manage infants, children and adolescents with endocrine disorders, common skin diseases, gastroenterologic and nutritional diseases, issues of prematurity, common infectious diseases and orthopedic conditions. These and many other topics will be discussed at this year's course!

The Vermont Summer Pediatric Seminar will again be held at the Equinox in Manchester, Vermont. Participant comments have included: ***"...excellent conference. A lot to learn and loads of fun;" and "This conference continues to set the bar for all other pediatric conferences."***

REGISTRATION

The course fee includes tuition, comprehensive course syllabus, continental breakfast each morning, coffee breaks, lunch seminar on Friday, and breakfast seminar on Sunday for course registrants. In addition, the fee covers the receptions on Thursday and Saturday evenings for registrants and their guests.

Tickets may be purchased for a barbecue dinner buffet at the Pond House Pavilion on Friday evening by using the Conference Registration Form. There is limited enrollment for this event. Reservations will be accepted on a first come, first served basis.

Register by May 1st and pay tuition of \$545 (\$570 after May 1st). **THIS COURSE FILLS VERY QUICKLY. SPACE IS LIMITED - PLEASE REGISTER EARLY!**

Refunds may be obtained, minus a \$75 administrative fee, if notice of cancellation is received in writing by May 23, 2013. No refunds are possible after that date.

ACCREDITATION

The University of Vermont College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Vermont designates this live activity for a maximum of 16.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**
