Goal

Persons affected by cancer may enhance their quality of life through the safe and effective delivery of acupuncture, massage and mind-body practices (e.g, Yoga, Meditation, T'ai Chi, etc.) with a focus on physical, mind-spirit, and social well-being. These treatment modalities can be successfully and safely integrated with conventional cancer treatments when delivered by trained professionals to improve outcomes for cancer patients.

Purpose

This course will provide licensed acupuncturists, licensed massage therapists and trained yoga and mind-body practitioners an overview of evidence-based practice in cancer care. Topics of recent research findings, recommendations for treating common side-effects, ethical issues, safety issues and case presentations will be presented.

Target Audience

This program should be of interest to licensed acupuncturists, licensed massage therapists and mind-body practitioners.

Educational Methods

Lecture, Question-and-Answer Sessions,
Panel Discussions, Demonstrations

Educational Objectives

Upon completion of this course licensed acupuncturists should be able to:

- Explain Complementary and Integrative Medicine and its role caring for people with cancer.
- Discuss psychosocial issues common to people undergoing cancer treatment.
- Discuss communication techniques for interacting with other healthcare professionals.
- Discuss three oncology treatments and three side effects.
- Explain the benefits, indications, precautions, and contraindications of acupuncture for a person with cancer.
- Discuss recent research findings related to the use of acupuncture in cancer care.
- Explain how to develop safe, evidence-based treatment plans for common side effects of cancer therapy.
- Discuss ethical concerns related to acupuncture treatment when caring for a person with cancer.
- Discuss safety issues related to the use of herbs among people with cancer.
- Discuss two key points regarding acupuncture and healthcare reform.
- Perform medical charting and documentation.

Upon completion of this course licensed massage therapists should be able to:

- Explain Complementary and Integrative Medicine and its role caring for people with cancer.
- Discuss psychosocial issues common to people undergoing cancer treatment.
- Discuss communication techniques for interacting with other healthcare professionals.
- Discuss three oncology treatments and three side effects.
- Explain the benefits, indications, precautions, and contraindications of massage for a person with cancer.
- Discuss recent research findings related to the use of massage in cancer care.
- Explain how to develop safe, evidence-based treatment plans for common side-effects of cancer treatment.

- Explain and dispel the issues raised by the traditional massage contraindication for cancer.
- Describe common massage adjustments for surgery, radiation and chemotherapy.
- Perform an assessment for massage and formulate a treatment plan for a client with cancer.
- Perform medical charting and documentation.

Upon completion of this course mind-body practitioners should be able to:

- Explain Complementary and Integrative Medicine and its role caring for people with cancer.
- Discuss psychosocial issues common to people undergoing cancer treatment.
- Discuss communication techniques for interacting with other healthcare professionals.
- Discuss three oncology treatments and three side effects.
- Explain the benefits, indications, precautions, and contraindications of yoga and mind-body practices for a person with cancer.
- Discuss recent research findings related to the use of mind-body practices in cancer care.
- Explain how to develop safe, evidence-based treatment plans for common side-effects of cancer therapy.
- Discuss ethical concerns when teaching mind-body practices to people with cancer in groups and individual sessions.
- Describe mind-body practice modifications for the client with lymphedema or at risk for lymphedema.
- Discuss the role spirituality plays in coping with cancer.

Evaluation

A course evaluation form will provide participants with the opportunity to comment on the value of the program content to their practice decisions, performance improvement activities, or possible impact on patient health status. Participants will also have the opportunity to comment on any perceived commercial bias in the presentations as well as to identify future educational topics.

Accreditation/Credit Designation

Licensed Acupuncturists

Continuing education applications have been submitted to The Texas State Board of Acupuncture Examiners, The State of California Department of Consumer Affairs- Acupuncture Board and the National Certification Commission for Acupuncture and Oriental Medicine (NCCAOM). Please refer to the website for updates on the exact number of credits being offered for this conference.

Licensed Massage Therapists

This course has been planned and implemented in accordance with the policies of the Texas Department of State Health Services (TDSHS) and National Certification Board for Therapeutic Massage and Bodywork (NCTMB).

The University of Texas MD Anderson Cancer Center is approved by the Texas Department of State Health Services (license #CE1056) and by the National Certification Board for Therapeutic Massage and Bodywork (NCTMB license #450586-08) to provide continuing massage therapy education for licensed massage therapists.

MD Anderson designates this live activity for 24 hours of massage therapy continuing education as authorized by the Texas Department of State Health Services and the National Certification Board for Therapeutic Massage and Bodywork.

Mind-Body Practitioners

Certificates of Attendance will be available at the registration desk on the final conference day.

Satisfactory CE Completion

Attendees securing continuing education credits must attend all sessions and complete an evaluation form in order to receive a certificate of completion. These certificates will be distributed at the end of the conference. Partial credit for individual sessions is not available.

In order to receive the maximum number of credits, you should attend all sessions for the particular discipline you registered for. Please do not mix disciplines.

Dress Code

Casual is appropriate for the conference sessions. Please remember that meeting room temperatures and personal comfort ranges vary. Because meeting rooms may be cold for some attendees, please bring a sweater or jacket.

Agendas are subject to change because we are always striving to improve the quality of your educational experience. MD Anderson may substitute faculty with comparable expertise on rare occasions necessitated by illness, scheduling conflicts, and so forth.

Photographing, audio taping and videotaping are prohibited.

Please let us know what specific topics, issues or questions you wish to see addressed or emphasized in this activity. Fax or e-mail this material to CME/Conference Management. All responses will be forwarded to the Program Chairs for consideration.

Registration Information

Onsite registration opens at 7:00 am on Wednesday, July 17, 2013 in the foyer outside the Conference Center, on Floor 8 of the Dan L. Duncan Building (formerly the Cancer Prevention Building), 1155 Pressler Street, Houston, Texas. The conference will begin at 8:00 am on Wednesday, July 17, 2013 and adjourn at 5:00 pm on Friday, July 19, 2013.

Advance registration is encouraged as space and materials are limited. Please see the registration form for applicable fees.

The deadline for advance registration is July 12, 2013.

- Acupuncturists and massage therapists must submit a copy of their license along with their registration form.
- Mind-Body practitioners must submit a brief history of their training and background along with their registration form.

There are three ways to register:

- Online at www.mdanderson.org/conferences
- Mail to the Department of CME/Conference Management, Unit 1381, The University of Texas MD Anderson Cancer Center, PO Box 301439, Houston, Texas 77230-1439
- Fax to 713-794-1724

We accept the following forms of payment:

- Check (payable through US banks only)
- Money Order
- Credit Cards (MasterCard, VISA, and American Express)
- Cash (accepted at on-site registration only)

If you register online, a receipt/confirmation letter will be automatically e-mailed to the e-mail address you provide on the registration form. If you register by fax or mail, a receipt/confirmation letter will be sent to you within ten working days of receipt of your fee.

The conference registration fee includes tuition, final conference materials, breaks, and lunches. Please refer to the registration form for specific information regarding fees.

Refund/Cancellation Policy

The registration fee, minus a \$50 administrative handling fee, is refundable if a written request is received on or before Friday, July 12, 2013. No refunds will be granted after that date. The request for a registration refund must include the tax identification number of the company or institution if registration was paid by a company or institution check. For additional information, contact CME/Conference Management at 713-792-2223 or toll free at 866-849-5866.

The Department of CME/Conference Management reserves the right to cancel activities prior to the scheduled date if low enrollment or other circumstances make it necessary. Each registrant will be notified by mail, e-mail, or at the phone or fax numbers given on the registration form.

In case of activity cancellation, the liability of the Department of CME/Conference Management is limited to the registration fee. CME/Conference Management will refund the full registration fee. The Department of CME/Conference Management reserves the right to limit the number of participants in a program and is not responsible for any expenses incurred by an individual whose registration is not confirmed and for whom space is not available.

Special Assistance

Contact the Department of CME/Conference Management at 713-792-2223 or toll free at 866-849-5866 if you have ADA accommodation needs.

Complete the registration form to indicate your dietary needs.

Please note: No dietary accommodations will be made on site the day of the conference.
