4th Annual Summit in Seattle

July 25–27, 2013

WHO SHOULD ATTEND

- Orthopaedic and fracture/trauma surgeons with advanced training in musculoskeletal trauma and musculoskeletal reconstruction
- Orthopaedic surgeons and general surgeons with interest in knee injuries/reconstruction
- Sports medicine physicians with an interest in knee injuries
- Community physicians and practitioners interested in diagnosis/rehabilitation of patients with musculoskeletal conditions
- Emergency medicine physicians and musculoskeletal radiologists
- Physician assistants and nurse practitioners involved in musculoskeletal trauma, knee disorder care
- Physical therapists and occupational therapists

COURSE DESCRIPTION

This unique symposium hosted by one of North America's leading Orthopaedics and Sports Medicine Departments offers state-of-the-art updates on clinical care concerns and advanced research in a variety of musculoskeletal disorders with an emphasis on injuries of the knee delivered by leading surgeons from around the world in a time efficient and highly engaging format. A combination of case-based conferences, interactive live surgical technique demonstrations and lectures in symposium format provide for an unparalleled learning exposure delivered by true masters of their fields. The Fourth Annual Summit in Seattle provides a unique learning experience of a major national meeting in a personal and fun environment while representing UW Medicine at its finest.

COURSE OBJECTIVES

Upon completion of this program, attendees should be able to:

- Discuss state-of-the-art care for the patient with severe musculoskeletal injuries and in particular knee injuries
- Describe on-going research endeavors in the field of orthopaedic trauma and knee surgery especially in areas of enhanced patient outcomes research and patient safety in orthopaedic trauma surgery and knee reconstructive surgery
- Describe surgical anatomy necessary for the advanced surgical techniques
- Discuss treatment algorithms currently in use for fractures and soft tissue injuries and knee injury care and aftercare
- Recognize controversies and deficiencies of current knowledge base and attempt to resolve these

ACCREDITATION

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Washington School of Medicine designates this live activity for a maximum of 15.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
