

UC DAVIS HEALTH SYSTEM

24TH ANNUAL UC DAVIS ANESTHESIOLOGY UPDATE

ENHANCED RECOVERY AFTER SURGERY

November 15-17, 2013
Monterey Plaza Hotel, Monterey, California

SPONSORED BY:
UC DAVIS HEALTH SYSTEM
OFFICE OF CONTINUING MEDICAL EDUCATION AND
DEPARTMENT OF ANESTHESIOLOGY AND PAIN MEDICINE

- 7:00 AM **REGISTRATION, CONTINENTAL BREAKFAST, VISIT EXHIBITS**
- 7:45 **Welcome and Course Objectives**
Moderator: Stephen M. Macres, MD
- *8:00 **Tips and Tricks for Setting Up an Outpatient Peripheral Nerve Catheter Service**
Edward R. Mariano, MD, MAS
- *8:55 **Essential Peripheral Nerve Blocks for Day Surgery**
Robin J. Aldwinckle, MD, FRCA
- 9:45 **Refreshment Break, Visit Exhibits**
- 10:15 **Lecture & Case Discussions**
- *10:15 **Think Outside the Box! Joint Arthroplasty Acute Pain & Enhanced Recovery**
Stephen M. Macres, MD
- *11:05 **Minimize Opioids - The Key to Enhanced Recovery**
Kenneth T. Furukawa, MD
- 11:55 **Panel Discussion, Q & A**
Robin J. Aldwinckle, Kenneth T. Furukawa, MD, Stephen M. Macres, MD, Edward R. Mariano, MD, MAS Mauro Giordani, MD
- 12:15 **Adjourn**
- 12:30 **Lunch for Workshop Participants**

***1:00 - 5:00 PM
INTERMEDIATE ULTRASOUND GUIDED PERIPHERAL NERVE BLOCK WORKSHOP**

Additional fee, registration required, lunch included, registration limited, four (4) AMA PRA Category I Credits™
The Friday afternoon workshop will be a comprehensive overview of ultrasound guided peripheral nerve blockade techniques offered in a small group format (5 participants per station). Upper extremity, lower extremity and truncal blocks will be reviewed.
Drs. Robin J. Aldwinckle, Kenneth T. Furukawa, Stephen M. Macres, Edward R. Mariano, Brian L. Pitts

**MEET THE FACULTY NETWORKING RECEPTION
5:30 PM - 7:30 PM**

Included in tuition, pre-registration required (guest invited for \$35)

Lectures marked with asterisk (*) qualify for recognized content for California Assembly Bill 487 which requires physicians and surgeons to obtain 12 hours of continuing education in the subject of pain management and palliative care.

**6:30 - 7:45 AM
PROBLEM BASED LEARNING SESSIONS**

Additional fee, registration required, breakfast included, registration limited, 1.25 AMA PRA Category I Credits™

- *1. **Pain Management Strategies for the Opioid Dependent Patient**
Stephen M. Macres, MD
- *2. **How to "Sell" Regional Anesthesia to My ____ (fill in the blank)**
Edward R. Mariano, MD, MAS
- *3. **No Ultrasound, No Stimulator, No Worry.**
Kenneth Furukawa, MD
4. **OK, I get the Enhanced Recovery Thing! How do I Set This Up at My Hospital?"**
Jeffrey Uppington, MD

- 7:00 **Registration, Continental Breakfast Visit Exhibits**
- 7:45 **Welcome and Course Objectives**
Moderator: Peter G. Moore, MD, PhD
- 8:00 **Getting to Zero, Preventing Perioperative Infection In Joint Replacement Surgery**
Mauro Giordani, MD
- 8:55 **Hospital Acquired Pressure Ulcers (HAPU)**
Pirko Maguina, MD
- 9:45 **Refreshment Break, Visit Exhibits**
- *10:15 **Enhanced Recovery After Surgery - Survival of the Fittest!**
Peter G. Moore, MD, PhD
- *10:40 **Enhanced Recovery after Specific Surgeries**
Jeffrey Uppington, MD
- 11:05 **Standardization: Cookbook Medicine and Why I Love It!**
Gary Levin, MD, MBA
- *11:30 **Enhancing Recovery After Day Surgery. What Should We Be doing?**
Robin J. Aldwinckle, MD, FRCA
- 11:55 **Panel Discussion, Q & A**
Robin J. Aldwinckle, MD, FRCA, Gary A. Levin, MD, MBA, Peter G. Moore, MD, PhD, Jeffrey Uppington, MD
- 12:15 **Adjourn**
- 12:30 **Lunch for Workshop Participants**

**ANESTHESIA-CENTRIC ACLS RENEWAL
1:00 PM - 5:00 PM**

Additional fee, registration required, lunch included, registration limited, four (4) AMA PRA Category I Credits™
The ACLS renewal course is taught by anesthesiologists for anesthesia providers and emphasizes resuscitation skills within the perioperative period. Participants will receive training in effective team behaviors and have the opportunity to practice as a team member and team leader. Simulated cardiac arrest scenarios will test knowledge of core case material and skills, knowledge of algorithms, understanding of arrhythmia interpretation and use of appropriate basic drug therapy. After successful completion of the course, participants will receive an ACLS renewal card valid for two years.

The AHA strongly promotes knowledge and proficiency in CPR, ACLS, and PALS and has developed instructional materials for this purpose. This material is supplied on a cost basis. Its use in an instructional course does not represent sponsorship by the AHA. Any fees charged for such a course do not represent income to the AHA.

Drs. Rajvinder Dhamrait, Anna Kowalczyk, Brian L. Pitts

6:30 – 7:45 AM

PROBLEM BASED LEARNING SESSIONS

Additional fee, registration required, breakfast included,
registration limited, 1.25 AMA PRA Category I Credits™

- *5. **Effective Treatment of Systemic Local Anesthetic Toxicity**
Brian L. Pitts, MD
- 6. **Intraoperative Cardiac Arrest in a 10 Year Old Undergoing Lower Limb Surgery**
Rajvinder Dhamrait, MD, FRCA
- 7. **The Anesthetic Management of an Aspirated Foreign Body in a 4 Year Old Child**
Niroop Ravula, MD
- 8. **My Patient has a Cardiac Implantable Electronic Device (CIED) - Do I put a Magnet on It?**
Harmeet Bhullar, MD
- 9. **Joint Arthroplasty: A Surgeons Perspective**
Mauro Giordani, MD

7:00 **Registration, Continental Breakfast, Visit Exhibits**

7:45 **Welcome and Course Objectives**

Moderator: Jeffrey Uppington, MD

8:00 **Pediatric Anesthesia. Strategies for an Enhanced Recovery. PART 1**

Rajvinder Dhamrait, MD, FRCA

8:55 **Pediatric Anesthesia. Strategies for an Enhanced Recovery. PART 2**

Niroop Ravula, MD, FRCA

9:45 **Refreshment Break, Visit Exhibits**

10:15 **Do Anesthesia Techniques & Drug Choices Influence Enhanced Recovery After Vascular Surgery?**

Harmeet Bhullar, MD

11:15 **Thoracic Anesthesia - More than Just A Double Lumen Tube**

Anna Kowalczyk, MD

11:55 **Panel Discussion, Q & A**

Rajvinder Dhamrait, MD, FRCA, Niroop Ravula, MD, FRCA, Harmeet Bhullar, MD, Anna Kowalczyk, MD

12:15 **Adjourn**

ENROLLMENT

Please register early – space is limited. Tuition is \$625. Confirmation of registration will be sent within two weeks after receipt of enrollment form. The fees will increase after September 9, 2013.

Tuition includes continental breakfasts, refreshment breaks, electronic syllabus, and an online certificate of attendance. Tuition may be paid by check, American Express, Discover, MasterCard or VISA. Cash is not accepted. UC Davis Health System and UC Davis School of Medicine faculty and staff are eligible for tuition discounts. See enrollment form for details. Program materials cannot be guaranteed unless enrollment is received by October 28, 2013. The Department of Anesthesiology & Pain Medicine reserves the right to cancel to cancel this program. In such a case, a full refund will be given.

Registration forms received without payments will not be processed until payment is received, and payment must follow within 10 days. Early discount rates are honored if payment is received by the date noted on the enrollment form. After that date, the late fee is applied.

On-site Fees: At door registrations will be charged at a higher rate. Please see enrollment form for details.

Cancellation and Refund Policy:

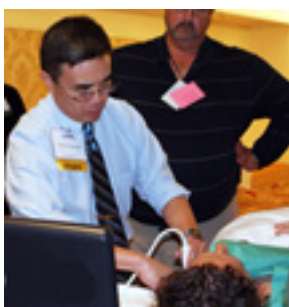

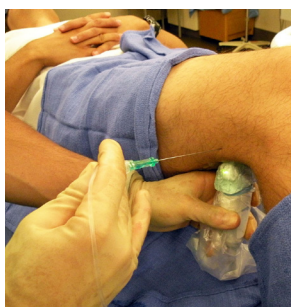

A refund of tuition, less \$75 administrative fee, will be allowed if requested in writing by October 28, 2013. **No refunds will be provided after this date.**

DISCLOSURE OF RELEVANT FINANCIAL RELATIONSHIPS

As a provider accredited by the Accreditation Council for Continuing Medical Education, the University of California, Davis Health System Office of Continuing Medical Education must ensure balance, independence, and objectivity in all CME activities to promote improvements in health care and not proprietary interests of a commercial interest. The provider controls all decisions related to identification of CME needs, determination of educational objectives, selection and presentation of content, selection of all persons and organizations that will be in a position to control the content, selection of educational methods, and evaluation of the activity. Course directors, planning committee members, presenters, authors, moderators, panel members, and others in a position to control the content of this activity are required to disclose relevant financial relationships with commercial interests related to the subject matter of this educational activity. Learners are able to assess the potential for commercial bias when complete disclosure, resolution of conflicts of interest, and acknowledgment of commercial support are provided prior to the activity. Informed learners are the final safeguards in assuring that a CME activity is independent from the influence or control of commercial interests. We believe these mechanisms contributes to the transparency and accountability of CME.

MISSION STATEMENT

To educate health care providers through evidence-based activities that emphasizes advances in medicine, new medical technology, biomedical research, and changes in health care delivery to improve clinical outcomes.

EDUCATIONAL OBJECTIVES

At the end of the program, participants should be able to:

- Discuss the perioperative management of acute perioperative pain following orthopedic surgery.
- Discuss the perioperative management of acute pain in the opioid dependent patient.
- List 4 categories of adjuvant perioperative pain medications that are opioid sparing and discuss their mechanisms of action.
- Discuss economic aspects of regional anesthesia and various models of regional anesthesia systems.
- Describe the advantages of outpatient peripheral nerve blockade over general anesthesia.
- Implement effective methods to help prevent post-operative surgical infections.
- Discuss the current strategies aimed at reducing hospital acquired pressure ulcers (HAPUs)
- Identify how ACLS is modified when cardiac arrest due to local anesthetic systemic toxicity (LAST) occurs.
- State the proper dose of fatty emulsion (Intralipid™) for LAST.
- Demonstrate improved performance of peripheral nerve blockade using ultrasound guidance.
- Discuss the anesthetic management of a child undergoing lower limb surgery.
- Identify the appropriate management of local anesthetic toxicity consistent with current evidence based guidelines.
- Highlight analgesic techniques available to the anesthesiologist including regional blocks specific to the pediatric population.
- Identify intraoperative techniques/drug selection to facilitate improved patient outcomes after vascular surgery.
- Recognize the comparative effectiveness of regional analgesic techniques for thoracic procedures.

TARGET AUDIENCE

The course is designed for anesthesiologists, pain medicine physicians, nurses, nurse anesthetists, residents, and fellows involved with the perioperative care of surgical patients.

ELECTRONIC EVALUATION AND CREDIT

The link to your electronic syllabus, evaluation and certificate of credit will be available for 30 days after the last day of the conference. Once you have completed the evaluation process your certificate will be available.

The electronic syllabus will be available to pre-registered attendees online prior to the meeting for downloading and printing. **Printed syllabus will not be available.**

NEEDS ASSESSMENT

There has been a paradigm shift in the delivery of healthcare over the past several years. Utilizing multimodal perioperative clinical pathways, the goal is to enhance patient recovery following major surgery. Supplanting traditional approaches to health care with evidence based “best practice” enhanced care clinical pathways can improve patient pain control, decrease length of hospital stay and decrease the incidence of post-operative complications. Some of the topics to be covered in this year’s conference include: an overview of the concept of “enhanced recovery after surgery”, optimal pain control for total knee arthroplasty, outpatient continuous pain catheters, perioperative strategies for the opioid tolerant patient, prevention of hospital acquired infections and pressure ulcers and optimal anesthetic techniques in the pediatric patient, and patients undergoing vascular and thoracic surgery. Our goal is to improve the quality of health care while reducing complications and expenses.

This year’s conference will specifically address these identified education needs and provide practitioners with state-of-the-art tools to provide improved treatment options for their patients. Faculty presenting and interacting with participants at this activity have been selected on the basis of their comprehensive clinical experience and academic excellence.

ACCREDITATION

The University of California, Davis Health System is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION

Physician Credit: The University of California, Davis Health System designates this live activity for a maximum of 22.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AMA PRA Category 1 Credits™ acceptable for interprofessional team members

Nurse: For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credits™ issued by organizations accredited by the ACCME. For the purpose of relicensure, the California Board of Registered Nursing accepts AMA PRA Category 1 Credits™ (report hours of credit and fill in "CME Category 1" for the provider number).

Physician Assistant: The National Commission on Certification of Physician Assistants (NCCPA) states that AMA PRA Category 1 Credits™ are acceptable for continuing medical education requirements for recertification.

ADDITIONAL CREDIT DESIGNATION

Nurse Anesthetists: This program is approved by the American Association of Nurse Anesthetists for 16 CE Credits: Code Number 1028061, Expiration Date 11/17/13. CRNA's must pay for and attend all optional sessions to receive 16 CE credits.

Pain Management

California Business and Professions Code (Section 2190.5) requires physicians and surgeons to complete 12 hours of mandatory continuing education on pain management and the treatment of terminally ill and dying patients. Physicians licensed prior to January 2002 were to have completed this requirement by December 31, 2006. Physicians and surgeons licensed on or after January 1, 2002 must complete this requirement within 4 years of their initial license or by their second renewal date, whichever occurs first.

Cultural And Linguistic Competency Requirement

All continuing medical education (CME) courses with patient care components are required by California State statute to include curriculum on cultural and linguistic competency in the practice of medicine (California Business and Professions Code, Section 2190.1). Those who have developed this UC Davis CME activity have been encouraged to address cultural and linguistic differences for a diverse patient population related to this topic. A variety of resources are available that address these competencies. Additional resources and information can be found on our website, <http://cme.ucdavis.edu>.

GENERAL SESSION

Up to 12 AMA PRA Category 1 Credits™

PAIN CREDIT

Up to 10.25 AMA PRA Category 1 Credits™.

OPTIONAL BREAKFAST ROUNDTABLE SESSIONS

Up to 2.5 AMA PRA Category 1 Credits™ (1.25 each)

OPTIONAL AFTERNOON WORKSHOPS

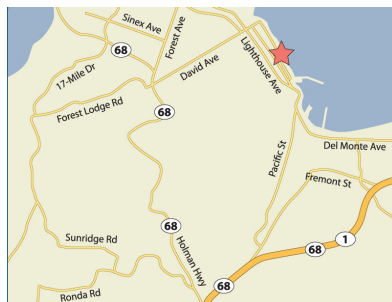

Up to 8 AMA PRA Category 1 Credits™

LOCATION

Monterey Plaza Hotel

400 Cannery Row, Monterey, California 93940
(831) 646-0285

A block of rooms is being held for conference participants at the special rates of:

INLAND VIEW:	\$209
PARTIAL OCEAN VIEW:	\$239
OCEAN VIEW:	\$305
OCEAN VIEW BALCONY:	\$350

After October 16, 2013, reservations will be on a space and rate available basis. Reservations should be made directly with the hotel. Please be aware that a limited number of rooms in each category have been reserved and the hotel will likely sell out prior to the reservations deadline of October 16.

By staying at the host hotel, you help the University of California, Davis, meet its contractual obligations with the Monterey Plaza Hotel and keep future registration fees reasonable. Please consider that when making your accommodation decisions. We encourage you to stay at the host hotel.

The symposium will convene at the majestic Monterey Plaza Hotel on picturesque Cannery Row. Dramatically overlooking the Monterey Bay, the Monterey Plaza Hotel combines elegant European architecture, wide-sweeping coastal views and sophisticated style to create the perfect vantage point by which to enjoy the gentle sounds of the surf, the fresh scent of sea air and the sight of sea otters at play.

The hotel's central location on Cannery Row makes it easy to enjoy the area's many attractions and activities including the world-renowned Monterey Bay Aquarium just three blocks away. Launch an ocean kayak from the beach adjacent to the hotel, play a round of golf at one of 19 championship courses, or skate along a nearby recreation trail. Sail, whale watch or scuba dive in the protected marine sanctuary of Monterey Bay. Walk to Fisherman's Wharf, Old Town Monterey, or the Maritime Museum, or take a scenic drive to Carmel, Pebble Beach, 17-Mile Drive, or Big Sur. The holiday shopper has a wide variety of stores from which to choose - whether one seeks department store shopping, boutiques, art galleries or factory outlets - all are awaiting you for a memorable shopping experience.

Layered clothing is recommended as the meeting room temperature may be uncomfortable for some, depending on personal preferences. If you have any special needs due to a disability as specified in the Americans with Disabilities Act, please call the Department of Anesthesiology & Pain Medicine at (916) 734-1574 so we may make the necessary accommodations for you.

AIR TRAVEL TO MONTEREY PENINSULA AIRPORT (MRY)

For the Monterey Peninsula and the California Central Coast, regular flights are available from San Francisco, Los Angeles, Phoenix, Denver, Las Vegas, Salt Lake City, LA/Ontario and San Diego. The five carriers that currently provide service to Monterey are affiliated with airlines around the world.
