15th Annual

ASTRO Review 2013

Saturday, October 26, 2013

8:00 a.m. – 12:15 p.m.

Embassy Suites, Independence
Independence, OH

About the Course

This course will provide radiation oncologists, radiation therapists, medical oncologists, hematologists, and nurses with current data and information that was presented at the 55th Annual ASTRO meeting in Atlanta, September 22-25, 2013. As a result of attending this course, the participant will be able to:

- Review important abstracts from the 2013 meeting
- Describe current treatment options for various malignancies.
- Discuss ongoing clinical trials in radiation oncology.

Faculty Disclosure

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.

Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 3.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association Council for Continuing Medical Education for Category 2 credit.
