CANCER

Health Disparities

Edward P. Junker III Auditorium
Penn State Milton S. Hershey Medical Center
Hershey, Pennsylvania

PENNSTATE HERSEY
 Cancer Institute

A continuing education service of Penn State College
of Medicine and Penn State Hershey Cancer Institute

Intent

This program is designed to acquaint participants with current trends of basic research and clinical applications in the field of cancer.

Audience

- Oncologists
- General Practitioners
- Family Practitioners
- Internists
- Nurses
- Residents
- Basic Scientists
- Surgeons
- Graduate Students

} ...and other health-care professionals can benefit from attending this program

Objectives

Upon completion, participants should be able to:

- 1 Discuss the interactions between genetic and environmental factors in determining cancer risk with a focus on underserved populations
- 2 Describe the risk of cervical cancer and the administration of the HPV vaccine in the rural setting
- 3 Identify the challenges encountered in recruiting and retaining minority populations in clinical trials

Access

Penn State encourages persons with disabilities to participate in its programs. If you anticipate needing any type of special accommodation or have questions about the physical access provided, please contact Continuing Education in advance of your participation.

Academic Coordinator

Andrea Manni, MD

Professor of Medicine; Chief, Division of Endocrinology, Diabetes and Metabolism
Penn State Hershey Cancer Institute
Penn State Milton S. Hershey Medical Center
Penn State College of Medicine
Hershey, Pennsylvania

Credit

Penn State College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Penn State College of Medicine designates this live activity for a maximum of **5.0 AMA PRA Category 1 Credit(s)TM**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

It is our policy to ensure balance, independence, objectivity, and scientific rigor in all of our sponsored educational programs. Faculty and course directors have disclosed relevant financial relationships with commercial companies, and Penn State has a process in place to resolve any conflict of interest. Complete faculty disclosure will be provided to program participants at the beginning of the activity.

This program was partially underwritten by the Building Industry Association of Lancaster County's Research Fund for Cancer, an endowment created in 1988.

This publication is available in alternative media on request.

The Pennsylvania State University is committed to the policy that all persons shall have equal access to programs, facilities, admission, and employment without regard to personal characteristics not related to ability, performance, or qualifications as determined by University policy or by state or federal authorities. It is the policy of the University to maintain an academic and work environment free of discrimination, including harassment. The Pennsylvania State University prohibits discrimination and harassment against any person because of age, ancestry, color, disability or handicap, genetic information, national origin, race, religious creed, sex, sexual orientation, gender identity, or veteran status. Discrimination or harassment against faculty, staff, or students will not be tolerated at The Pennsylvania State University. Direct all inquiries regarding the nondiscrimination policy to the Affirmative Action Director, The Pennsylvania State University, 328 Boucke Building, University Park, PA 16802-5901; Tel 814-865-4700/V, 814-863-0471/TTY. U.Ed. MED E5288-14

Speakers

Claudia R. Baquet, MD, MPH

Professor of Medicine
Associate Dean for Policy and Planning
Director, Center for Bioethics and Health Disparities Research
University of Maryland School of Medicine
Baltimore, Maryland

John Carpten, PhD

Professor and Director, Integrated Cancer Genomics Division
Deputy Director of Basic Science
Head, Cancer Gene Discovery and Molecular Validation Unit
The Translational Genomics Research Institute
Phoenix, Arizona

Nathan Ellis, PhD

Associate Professor of Pediatrics, Institute of Human Genetics
Academic Director of the Center for Genomics Research
University of Illinois at Chicago
Chicago, Illinois

Kent Hoskins, MD

Associate Professor of Medicine, Hematology/Oncology
Director, Familial Breast Cancer Program
University of Illinois at Chicago
Chicago, Illinois

Anna M. Nápoles, PhD, MPH

Assistant Adjunct Professor, Division of Internal Medicine
Co-Leader of the UCSF Center for Aging in Diverse Communities
University of California San Francisco
San Francisco, California

Mahboobeh Safaeian, PhD

Investigator
Division of Cancer Epidemiology and Genetics, Infections
and Immunoepidemiology Branch
National Cancer Institute
Bethesda, Maryland

Moderators

Eugene Lengerich, VMD*

Professor of Public Health Sciences

Craig Meyers, PhD*

Professor of Microbiology and Immunology

* Penn State Milton S. Hershey Medical Center
Penn State College of Medicine
Hershey, Pennsylvania

Agenda

8:00 a.m. Final Registration and Continental Breakfast

8:45 a.m. Welcome and Introduction

Andrea Manni, MD

Moderator **Craig Meyers, PhD**

9:00 a.m. Oncogenomics in Cancer Disparities

John Carpten, PhD

9:45 a.m. Individual Breast Cancer Risk Assessment
in Underserved Populations

Kent Hoskins, MD

10:30 a.m. Morning Break

10:45 a.m. Advancing the Science of Cancer Health
Disparities: The Case for Public Trust,
Bioethics, Research Literacy and
Biospecimen Science

Claudia R. Baquet, MD, MPH

11:30 a.m. Question and Answer Session

11:45 a.m. Lunch (provided)
University Conference Center (a ticket is required)

Moderator **Eugene Lengerich, VMD**

1:30 p.m. Cancer Susceptibility in African
American Colorectal Cancer:
Progress Towards Personalized Medicine

Nathan Ellis, PhD

2:15 p.m. HPV Vaccine Administration
in Resource Settings

Mahboobeh Safaeian, PhD

3:00 p.m. Afternoon Break

3:15 p.m. Advancing the Science of Recruitment
and Retention of Ethnically Diverse
Populations

Anna M. Nápoles, PhD, MPH

4:00 p.m. Question and Answer Session

4:15 p.m. Closing Remarks
Program Evaluation and Adjournment

Thursday, October 31, 2013
