

65th NSAUA ANNUAL MEETING

Saratoga Springs, NY • Oct. 30 – Nov. 3, 2013

Research, Racing, Relaxation: A WINNING TRIFECTA!

The Northeastern
Section of the American
Urological Association

PRELIMINARY PROGRAM 2013

Saratoga Springs City Center
and The Saratoga Hilton
Saratoga Springs, NY

DEAR COLLEAGUES AND FRIENDS,

On behalf of the Northeastern Section Board of Directors and the 2013 Program Committee, we would like to personally invite you to join us for this year's Annual Meeting in Saratoga Springs, New York, October 30 – November 3, 2013. The city of Saratoga Springs was the site of the first official convention of the AUA in 1902, and we are excited to return with the 65th Annual Meeting of the Northeastern Section!

We have a fantastic meeting planned, with a scientific program that will feature distinguished speakers from both inside and outside the Section, a full-day nursing/ allied health session and our own Barry Kogan as this year's Slotkin lecturer. And you don't want to miss this year's social events which include a ghost tour on Halloween and a trip to the famous Saratoga Casino and Raceway for Fun Night!

Fall is a beautiful time to visit upstate New York so come and join us for Racing, Research and Relaxation!

See you in Saratoga Springs!

Zahi Makuli, MD
President

Gennady Bratslavsky, MD
Scientific Program Chair

CONTINUING MEDICAL EDUCATION

Accreditation: The American Urological Association (AUA) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The American Urological Association designates this Northeastern Section Annual Meeting activity for a maximum of 17.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Evidence Based Content: It is the policy of the AUA to ensure that the content contained in this CME activity is valid, fair, balanced, scientifically rigorous, and free of commercial bias.

AUA Disclosure Policy: All persons in a position to control the content of an educational activity (i.e., activity planners, presenters, authors) participating in an educational activity provided by the AUA are required to disclose to the provider any relevant financial relationships with any commercial interest. The AUA must determine if the individual's relationships may influence the educational content and resolve any conflicts of interest prior to the commencement of the educational activity. The intent of this disclosure is not to prevent individuals with relevant financial relationships from participating, but rather to provide learners information with which they can make their own judgments.

Resolution of Identified Conflict of Interest: All disclosures will be reviewed by the program/course directors or editors for identification of conflicts of interest. Peer reviewers, working with the program directors and/or editors, will document the mechanism(s) for management and resolution of the conflict of interest and final approval of the activity will be documented prior to implementation. Any of the mechanisms below can/will be used to resolve conflict of interest:

- Peer review for valid, evidence-based content of all materials associated with an educational activity by the course/program director, editor, and/or Education Content Review Committee or its subgroup.

- Limit content to evidence with no recommendations
- Introduction of a debate format with an unbiased moderator (point-counterpoint)
- Inclusion of moderated panel discussion
- Publication of a parallel or rebuttal article for an article that is felt to be biased
- Limit equipment representatives to providing logistics and operation support only in procedural demonstrations
- Divestiture of the relationship by faculty

Off-label or Unapproved Use of Drugs or Devices: It is the policy of the AUA to require the disclosure of all references to off-label or unapproved uses of drugs or devices prior to the presentation of educational content. The audience is advised that this continuing medical education activity may contain reference(s) to off-label or unapproved uses of drugs or devices. Please consult the prescribing information for full disclosure of approved uses.

Disclaimer: The opinions and recommendations expressed by faculty, authors and other experts whose input is included in this program are their own and do not necessarily represent the viewpoint of the AUA.

Audio, Video and Photographic Equipment: The use of audio, video and other photographic recording equipment by attendees is prohibited inside AUA meeting rooms.

Reproduction Permission: Reproduction of written materials developed for this AUA course is prohibited without the written permission from individual authors and the American Urological Association.

Special Assistance/Dietary Needs: The American Urological Association complies with the Americans with Disabilities Act §12112(a). If any participant is in need of special assistance or has any dietary restrictions, please see the registration desk.
