Conference Overview

Conference Overview

This intensive two-day program combines lectures, interactive seminars and question & answer sessions to allow you to interact with faculty in solving the problems you encounter every day in practice.

Target Conference Attendees

This program is designed for pediatricians, family practitioners, pediatric nurse practitioners and nurses who want to learn the latest trends and hear expert speakers discuss hot topics in pediatric medicine.

Conference Objectives

- Utilize current FDA guidelines to prescribe pediatric medications effectively and safely.
- Identify recent AAP Red Book changes and apply these changes to the diagnosis and management of pediatric infectious diseases.
- Evaluate children with fevers of unknown origin and refer these patients to the appropriate sub-specialists as indicated.
- Recognize the long-term effects of concussions in children and identify criteria for determining readiness to return to play.
- Using current AAP guidelines, prescribe evidence-based antibiotic therapy for children with otitis media.
- Discuss the evolution of disability rights in the United States.
- Choose appropriate follow-up testing for newborns with abnormal newborn metabolic screens.
- Provide a medical home for infants who are neonatal intensive care unit graduates.

Accreditation Statement

The Inova Office of Continuing Medical Education is accredited by the Medical Society of Virginia to provide continuing medical education for physicians.

Credit Designation

The Inova Office of Continuing Medical Education designates this live activity for a maximum of 13 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physicians may claim up to 13 credits in Type 1 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license in Virginia.

Acknowledgements

We are pleased to name this conference in memory of Dr. Mohsen Ziai, former Pediatric Chairman at Inova Fairfax Hospital for Children. Major support for this conference is provided by the Ziai Endowed Pediatric Chair Fund of Inova Health System Foundation. You can learn how to support the Ziai Endowed Pediatric Chair Fund by contacting Kate Luke at 703-776-3422.

Other major supporters include:

**Inova Children's Hospital
Virginia Chapter of the AAP**

This continuing medical education activity is also made possible by generous educational grants and commercial exhibits from various companies who will be recognized at the event.

Mohsen Ziai, MD

Dr. Mohsen Ziai, an Iranian native who represented the eighth generation of his family to pursue a medical career and who played a crucial role in the growth of what is now Inova Children's Hospital in Fairfax County, passed away March 27 at his home in Great Falls, Virginia.

In 1982, Dr. Mohsen Ziai became the Chairman of Pediatrics at Inova Fairfax Hospital, inspiring the physician community with his vision of a children's hospital in Northern Virginia. His 17 years as Chairman of Pediatrics produced rapid growth including establishment of the only PICU in Northern Virginia, the opening of the Women's and Children's Building, the inception of the Inova Pediatric Center, the initiation of the pediatric cardiac surgery program and establishment of a pediatric residency program. The establishment in his honor of this continuing medical education conference is a natural extension of Dr. Ziai's approach to the promotion of child health through service to the community.

Registration Pricing

Registration online at www.inova.org/pedscme

Early Registration (until October 11)

Virginia AAP Members	
Full Conference	\$325
Friday or Saturday ONLY	\$175
