Dermatologic Surgeons
October 18–20, 2013
The Breakers | Palm Beach, Florida

Florida Society of
Dermatologic Surgeons
11891 Magnolia Falls Dr.
Jacksonville, FL 32258

FSDS President's Message

It is with great pleasure that I invite you to attend the **"32nd Annual Meeting of the Florida Society of Dermatologic Surgeons, "Advances in Dermatologic Surgery"**. Our dedicated Program Chairmen, Keyvan Nouri, M.D., and Terry Cronin, Jr., M.D., have worked arduously to assemble an outstanding faculty of expert national and distinguished Florida colleagues who will share their knowledge in a comfortable, relaxed environment at the world-famous Breakers resort. No matter what interests you may have in dermatologic surgery there is something in our program for you. Presentations ranging from excisions, Mohs surgery, suturing techniques and reconstruction to fillers, toxins, and lasers, will focus on practical pearls you can use in your practice. Virtually no aspect of dermatologic surgery will go unaddressed.

Our Annual Business Meeting will be held Saturday over lunch. Dr. Lober, President of the FSDS, will update us on our sister society's activities and we will conclude with a presentation by Dr. Lober on legal issues in dermatologic surgery.

Plan to attend the Friday evening welcome reception in the exhibit hall. You will not want to miss the Saturday evening Casino Night. Wear anything from denim to diamonds. It will be a fun evening of games, food and fellowship. If a minimum of 10 children are registered by October 1, children ages 4 – 12 will have their own dinner and party.

This meeting promises to be a highly informative, exciting event. We continue to strive to update our membership on the latest innovations and techniques in dermatologic surgery that can be utilized when you return to your practice. I strongly encourage you to make plans to attend.

See you at the Breakers!

James M. Spencer, MD
President, Florida Society
of Dermatologic
Surgeons

This year, an exciting meeting awaits us. It gives me great pleasure to invite you to the **"32nd Annual Meeting of the Florida Society of Dermatologic Surgeons, "Advances in Dermatologic Surgery"**. Once again, our dedicated team was able to organize an outstanding educational session in a warm and inviting setting. We have congregated an exceptional team of colleagues to enlighten us with their knowledge and expertise in dermatological advances. I encourage you to participate in this year's reunion, as it has been previously recognized worldwide as one of the broadest and most informative sessions in dermatologic surgery.

I extend my most sincere gratitude to the program's committee which I had the opportunity to work with while organizing this year's meeting: Dr. James Spencer, FSDS President and Dr. Terrence Cronin Jr., FSDS Co-Program Chairman for their contributions and support to make this program an exceptional one; Dr. David Harvey, for his assistance in organizing the Laser/Filler and Toxins Workshop; Paula Baumgardner, FSDS Executive Director, and Judy Alfano for their excellent work and assistance with the program coordination. You were all fantastic! I look forward to working with the Program Committee in forming our future annual meetings, as it is a great learning experience for all of us.

Our most sincere effort was placed into organizing the activity, and we hope all will enjoy.

Best Regards,

Keyvan Nouri, MD

Program Co-Chairman

FSDS Program Co-Chairman's Message

The mission of the Florida Society of Dermatologic Surgeons is to maintain the highest standards of the dermatological surgery practice and to provide an educational opportunity where we can share our experiences, exchange ideas and expand our knowledge, in order to strengthen our expertise. It is a great honor for me to be the Program Co-Chairman for such a distinguished, respectable society, and I thank you all for your continuous support.

Course Description

Advances in Dermatologic Surgery™ is an educational program designed to give dermatologic surgeons the opportunity to gain knowledge on latest and most advance techniques of dermatologic surgery. The course includes didactic lectures presented by national and international experts, live demonstrations plus time for informal sharing of information. Topics include the diagnosis and treatment of melanoma, basal cell carcinoma, squamous cell carcinoma, suturing techniques, reconstructive surgery, advances in injectables and fillers, Mohs surgery, dermatopathology and other related topics.

Who Should Attend?

The target audience is Dermatologic Surgeons, Dermatology Residents and Otolaryngologists, Plastic Surgeons and Ophthalmologists who are interested in dermatologic surgery.

Course Objectives

Upon completion of this program participants should be able to:

- Integrate new surgical techniques for improved healing with less complications and scarring.
- Incorporate new laser treatments for more effective treatment of skin conditions.
- Recognize the results and value of current research on skin diseases, cutaneous oncology and dermatologic surgery.
- Employ advances in the diagnosis, management and treatment of skin cancer.
- Discover innovative ways to use fillers in various combinations for optimal results.
- Integrate new ideas into everyday practice.

Disclosure and Conflict of Interest Resolution

All conflicts of interest of any individual(s) in a position to control the content of this CME activity will be identified and resolved prior to this educational activity being provided. Disclosure about provider and faculty relationships, or the lack thereof, will be provided to learners.

Services for the Disabled

If special arrangements are required for an individual with a disability to attend this conference, contact Florida Society of Dermatologic Surgery at 904.292.0051 or FSDS@FSDS.ORG

Cancellation Policy

Refunds will be made only if written notice of cancellation is received prior to October 1, 2013. A \$25.00 fee will be deducted. After October 1, no refunds will be made.

Accommodations

The Breakers

The Breakers is a luxury oceanfront hotel and one of America's legendary resort destinations. Listed on the National Register of Historic Places, the resort has invested \$250 million over the past decade in its ongoing revitalization and expansion. Its timeless atmosphere reflects the elegant comforts and personalization of a grand residence, but energized with a youthful, family-minded philosophy. Originally The Palm Beach Inn, constructed in 1896 by Henry Morrison Flagler, The Breakers was destroyed by fire in 1903. Rebuilt in 1904 as The Breakers and again taken by fire in 1925. The Breakers, as it is known today, re-opened its doors December 29, 1926, rebuilt in a record breaking 11½ months at a cost of \$7 million.

Created in the Italian Renaissance-style, inspired by the magnificent Italian villas of the 1400s. Exterior: Twin Belvedere towers with graceful arches, patterned after the Villa Medici in Rome. Front drive: Re-designed and landscaped 1,040-foot main drive leads to Florentine Fountain patterned after the fountain at the Boboli Gardens in Florence. Main lobby: Inspired by the Great Hall of the Palazzo Carega (circa 1560) in Genoa. For more information on The Breakers visit www.thebreakers.com.

Amenities: Two 18-hole championship golf courses, a 20,000-square-foot oceanfront spa with ocean view fitness center, Mediterranean-style beach club overlooking one-half mile of private beach, five swimming pools, luxury beach bungalows, variety of water sports, 10 lighted tennis courts and an extensive program of family and children's activities. Also features an outstanding selection of nine restaurants and an array of on-site boutiques with distinctive merchandise.

Climate: Due to its close proximity to the Gulfstream, Palm Beach enjoys a sub-tropical climate noted for year-round breezes and moderate temperatures ranging from 75-85 degrees.

Location: The Breakers is located at One South County Road, Palm Beach, Florida 33480, seven miles from Palm Beach International Airport, and 42 miles from Ft. Lauderdale International Airport and 72 miles from Miami International Airport. Both Interstate 95 and the Florida Turnpike provide easy access to South County Road (via Okeechobee Boulevard), which leads to the entrance of The Breakers.

Hotel Reservations: Reservations can be made on line by going to <https://resweb.passkey.com/go/FSDS13>. If you prefer to make your reservation via phone, you should identify yourself referencing the Florida Society of Dermatologic Surgeons 2012 Meeting and the booking code: FSDS13. The Reservations Department can be reached at 888-BREAKERS (273-2537). Make your reservation by September 17th to be assured of the group rate. Group rates are \$285 for a Superior King and \$310 for a Deluxe Room.

Resort Parking: Parking is valet only at the reduced rate of \$14.00 per night.

Saturday Dinner and Children's Party:

Plan to attend **Casino Night** on Saturday, October 19. Wear anything from denim to diamonds. It will be a fun evening of games, food and fellowship. If a minimum of 10 children are registered by October 1, children ages 4 – 12 will have their own dinner and party.

The Florida Society of Dermatologic Surgeons 32nd Annual Meeting

2013 Annual Meeting • October 18–20, 2013

Friday, October 18

7:00 am – 1:00 pm Registration

7:00–8:00 am	Buffet breakfast with Exhibitors
8:00–8:05 am	Call to Order – Keyvan Nouri, MD
8:05–8:15 am	President Welcome – James M. Spencer, MD

Members Forum I – Terrence A. Cronin Jr, MD, Moderator

8:15–8:30 am	Dermatopathology for the Mohs Surgeon Ashraf Hassanein, MD, PhD
8:30–8:45 am	Radiation Therapy: Appropriate Use in a Dermatology Office William I. Roth, MD
8:45–9:00 am	Update on Appropriate Use Rules for Mohs Surgery Terrence A. Cronin, Jr, MD
9:00–9:15 am	Update on Botulinum Toxins A Susan Roper, MD
9:15–9:30 am	Suturing Techniques—New Approach to Old Problems J. Robert Hamill, MD
9:30–9:45 am	Q & A
9:45–10:15 am	Break and Networking with Exhibitors

Members Forum II – Keyvan Nouri, MD, Moderator

10:15–10:30 am	Novel Approaches to Scar Therapy Jill Waibel, MD
10:30–10:45 am	Surgical Considerations in the Tattooed and Pierced Patient Terrence A. Cronin, Jr, MD
10:45–11:00 am	Contemporary Management of Malignant Melanoma Alan J. Durkin, MD
11:00–11:15 am	Management of the Aging Neck Alan J. Durkin, MD
11:15–11:30 am	Mohs Micrographic Surgery of the Eyelid, Review David T. Harvey, MD
11:30–11:45 am	Injectable Fat Reduction: My Long-Distance Relationship with Sodium Deoxycholate S. Manjula Jegasothy, MD

11:45 am–12:00 pm Q&A

12:00–1:00 pm	Buffet Lunch with Exhibitors
1:00–1:15 pm	Barbed Sutures for Mohs and Dermatologic Surgery John Strasswimmer, MD
1:15–1:30 pm	Skin Cancer Syndromes Leonard Slazinski, MD
1:30–1:45 pm	Alar Reconstruction Basil S. Cherpelis, MD
1:45–2:00 pm	Photodynamic Therapy and the Mohs Surgeon John Strasswimmer, MD

2:00–2:15 pm Q&A

Member's Forum II - James Spencer, MD, moderator

2:15–2:45 pm	Grafts on the Hand Terrence A. Cronin, Sr, MD
2:45–3:15 pm	<i>Terrence A. Cronin Sr, MD Surgical Lecture</i> The Spectrum of Squamous Cell Carcinoma Thomas Stasko, MD
3:15–3:45 pm	<i>FSDS Presidential Lectureship</i> ID Update for the Derm Surgeon Kenneth Tomecki, MD

3:30–4:00 pm Q&A

4:00–5:00 pm	Erivedge: Transform the Treatment of Advanced Basal Cell Carcinoma: The role of an oral Hedgehog Pathway Inhibitor in Dermatology Snehal Amin, MD Sponsored by Genentech (non CME)
--------------	---

6:00–8:00 pm Welcome Reception in the Exhibit Hall

Saturday, October 19

7:00 am – 1:00 pm Registration

7:00–8:00 am Buffet Breakfast with Exhibitors

Members Forum III – Keyvan Nouri, MD - Moderator

8:00–8:30 am	<i>Terrence A. Cronin Sr, MD Surgical Lecture</i> Skin Cancer in Organ Transplant Recipients Thomas Stasko, MD
--------------	---

8:30–9:00 am *Henry “Bud” Menn Memorial Lecture*
Ten Commandments of Dermatologic Surgery
 Perry Robins, MD

9:00–9:30 am *Leonard Lewis Memorial Lecture*
High Risk Squamous Cell Carcinoma Recognition and Management
 Désirée Ratner, MD
