AIRLINE AND HOTELS

Be sure to book your travel arrangements early. We are unable to reserve hotel rooms or airfare for attendees of the symposium. We suggest online travel services such as hotels.com, travelocity.com or orbitz.com. If you would like assistance with hotel arrangements, please contact our Housing Manager, Denise Newman by email: dnew229@aol.com or Ph: 718-835-4911.

NEW YORK CITY www.nyctourist.com

Whether it's magnificent shopping, fine dining, the theater, or sightseeing, New York City has it all!

For registration information cme@mssm.edu or (212) 731-7950

For program information (212) 659-9530 or

www.mssm.edu/cme/courses/dermatology_2013

GOALS & OBJECTIVES

At the conclusion of the symposium, participants will be able to:

- Apply the most current research on the diagnosis and treatment of psoriasis, eczema, actinic keratosis, rosacea, and skin cancer.
- Improve skills by observing live patient demonstrations using newly approved devices for the treatment of photodamage and age related skin changes.
- Compare and contrast new surgical techniques including surgical closures and cosmetic procedures and apply them to their practice.
- Recognize, manage and appropriately treat unusual skin conditions, including the use of new relevant injectable and IV infusion treatment.
- Identify new cosmetic agents, including fillers and neurotoxins, and learn injection techniques that can improve patient safety and outcomes
- Identify and analyze new and important studies in medical, surgical and cosmetic dermatology, and dermatopathology.

WHO SHOULD ATTEND?

Dermatologists, cosmetic surgeons, physician assistants, nurse practitioners, residents, fellows, medical students and other allied health professionals.

Faculty Disclosure

It is the policy of the Icahn School of Medicine at Mount Sinai to ensure objectivity, balance, independence, transparency, and scientific rigor in all CME-sponsored educational activities. All faculty participating in the planning or implementation of a sponsored activity are expected to disclose to the audience any relevant financial relationships and to assist in resolving any conflict of interest that may arise from the relationship. Presenters must also make a meaningful disclosure to the audience of their discussions of unlabeled or unapproved drugs or devices. This information will be available as part of the course material.
