About NAPS-India:

It's an endeavour for the development, representation and advancement of different areas of psychology as a science. Many psychological organizations are functional globally but the NAPS endeavour's is to introduce scientific platform for professionalism in psychology and allied sciences. The aim of the association is to promote, advance and disseminate the interests of scientifically oriented researches and application for complete well being of an individual and society concern. The National Association of Psychological Science (**NAPS**) also promotes its aims and objectives by publishing a bi-annually research journal "**Indian Journal of Psychological Science** and organizing psychological Science Congress (IPSC) annually.

About Psychology Department:

Since its inception in **1959**, at the Chandigarh campus, the faculty of the department has contributed immensely to the field of psychology. The department of psychology has a multidimensional image in terms of excellent research and teaching and has been a leader in the region. The faculty has attained international recognition and the alumni have excelled as professionals in different parts of the world. Major areas of research are clinical psychology, personality, guidance and counselling, sport psychology, organizational behaviour, mental training, cognition, media psychology, positive psychology and health psychology.

The Department invites distinguished visiting scholars and holds workshop and conferences. The Department offers teaching and research programs for M.A., Post MA Diplomas and Ph.D. levels.

Life Without Anger: Learning to Live Peacefully with E.Q

17th October, 2019**Dean of International Peace Prize (DOIPP):**

This award, honouring the late Dr. Dean Van Leuven (the “Dean of Peace”), has been given since 2014 to a member of the psychological community who has most clearly advanced lasting peace in our world.

Best Paper Award IPSC-2019 (Please mention this at the top of your paper):

Only empirical, original and single author papers are invited from the scholars of up to 40 years (as of 10 September 2019) of age to present their paper in a special session during the conference. A self-declaration mentioning that the paper is ever never presented or published before is to be submitted.

The screening committee will select 5 (five) research papers for this purpose. The rest are to be presented in their respective scientific session. The winner will be announced and felicitated with cash prize of Rs. 1100/- with certificate at valedictory.

Young Scientific Award IPSC-2019 (Please mention this at the top of your paper):

Only the scholars of up to **35 years of age** (as of 10 September 2019) can compete for this award. All remaining conditions and felicitation will be the same as mentioned above for Best Paper Award.

Note: Compete for only one award, even if you are eligible for both. Mention your respective category to compete at the top of your paper.
