UCLA CME Offerings

Please visit our website at www.cme.ucla.edu.

Early registration is recommended, as space is limited.

Accreditation

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, designates this live activity for a maximum of 7 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement

The FDA has issued a concept paper that classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is "truly independent" and free of commercial influence. In addition to independence, the FDA requires that non-promotional, commercially supported education be objective, balanced and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program's participants. In addition, Accreditation Council for Continuing Medical Education policy mandates that the provider adequately manage all identified potential conflicts of interest prior to the program. We at UCLA fully endorse the letter and spirit of these concepts.

Women’s Health: Imaging and Treatment Guidelines for Primary Care Providers

COURSE DESCRIPTION

The goal of this course is to review the latest developments in imaging, screening and management of women’s health for primary care providers. A multidisciplinary team of physicians will present the imaging and treatment fundamentals of common topics in women’s health including pelvic, thyroid, cardiovascular and lung pathology. State-of-the art interventional and minimally invasive techniques will be presented as management options for common women’s health issues. Physicians specializing in the treatment of breast cancer will present fundamentals in breast imaging, breast oncology, surgery, and pathology. Updated screening and management guidelines will be provided for each women’s health topic.

COURSE OBJECTIVES

At the conclusion of this course, participants should be able to:

- Utilize updated screening and imaging ordering guidelines in women’s health
- Identify common pelvic disorders including uterine and adnexal pathology and pelvic pain with associated diagnostic and treatment paradigms
- Describe thyroid and lung cancer imaging, screening and work-up guidelines
- Understand presentation and management of diabetes and cardiovascular disease in women
- Follow breast imaging screening and ordering guidelines of 2D and 3D mammography, breast ultrasound and MRI
- Interpret the breast imaging report and understand how to manage the patient at increased risk for developing breast cancer
- Understand breast pathology, management and treatment of breast cancer

TARGET AUDIENCE

Primary Care Providers, OB/GYN, Family Medicine, Internal Medicine, and Radiology.

COURSE DIRECTORS

Simin Bahrami, MD

Assistant Clinical Professor of Radiology*
Abdominal Imaging and Interventions
Department of Radiological Sciences

Melissa Joines, MD

Assistant Clinical Professor of Radiology*
Breast Imaging
Department of Radiological Sciences

COURSE SPEAKERS

Katrina Beckett, MD

Assistant Clinical Professor of Radiology*
Abdominal and Acute Care Imaging
Department of Radiological Sciences

Kathleen Brown, MD

Professor of Clinical Radiology*
Section Chief of Thoracic Imaging
Department of Radiological Sciences

Rena Desai Callahan, MD

Assistant Clinical Professor of Medicine*
Hematology, Medical Oncology and Internal Medicine
Department of Medicine

Jane Dascalos, MD

Assistant Clinical Professor of Radiology*
Breast Imaging
Department of Radiological Sciences

Nicole Ann Dawson, MD

Associate Professor of Pathology and Laboratory Medicine*
Anatomic Pathology and Clinical Pathology
Department of Pathology

Laura Doepke, MD

Associate Clinical Professor of Radiology*
Breast Imaging
Department of Radiological Sciences

Cheryce Fischer, MD

Professor of Radiology*
Breast Imaging
Department of Radiological Sciences

Anne Hoyt, MD

Professor of Radiology*
Medical Director and Section Chief of Breast Imaging
Department of Radiological Sciences

Amy Marie Kusske, MD

Associate Clinical Professor of Surgery*
Division of General Surgery
Department of Surgery

Sanaz Memarzadeh, MD, PhD

Professor of Obstetrics and Gynecology*
Gynecologic Cancer Surgeon
Director, G.O. Discovery Laboratory
UCLA Broad Stem Cell Research Center

Maitraya Patel, MD

Associate Clinical Professor of Radiology*
Medical Director of Ultrasound
Department of Radiological Sciences

Kara-Lee Pool, MD

Assistant Clinical Professor of Radiology*
Pediatric and Breast Imaging
Department of Radiological Sciences

Marcella Press, MD, PhD

Associate Clinical Professor of Cardiology*
General and Interventional Cardiology
Department of Medicine

Ashley Prosper, MD

Assistant Clinical Professor of Radiology*
Thoracic and Diagnostic Cardiovascular Imaging
Department of Radiological Sciences

Pablo J. Villablanca, MD

Professor of Radiological Sciences*
Director, Radiology Pain Service
Department of Radiological Sciences

*David Geffen School of Medicine at UCLA
