

#### Saturday, April 25, 2020

2:00 PM **Golf at the West Course at Hershey Country Club** (additional payment of \$150)

#### Sunday, April 26, 2020

7:30am—8:00am

#### **Registration and Continental Breakfast**

8:00 am—Noon and 1:00 pm—5:00 pm

Presented by **Daniel B. Spagnoli, DDS, MS, PhD**

Dr. Spagnoli's lecture will discuss the following:

- Bone graft strategies for Edentulous Maxilla and Mandible
- Facial analysis prior to full arch implant therapy
- Digital records and workflow prior to implant reconstruction
- Guided full arch implant surgery and guided transitional restoration
- Printed full arch restorations
- Development of soft tissue flaps and soft tissue augmentation

Dr. Spagnoli completed his oral and maxillofacial surgery residency at Louisiana State University (LSU) School of Dentistry and Charity Hospital in 1989. In 1991 Dr. Spagnoli became certified by The American Board of Oral and Maxillofacial Surgeons and is a past board examiner.

Currently, Dr. Spagnoli is in private practice at Brunswick Oral & Maxillofacial Surgery, Brunswick, North Carolina.

Dr. Spagnoli is the author of over 30 articles and book chapters. He has served as a section editor of the Cleft Palate-Craniofacial Journal and AAOMS Knowledge Update. In 2005 and 2006, he co-authored two award-winning papers published in the Journal of Periodontology and the Journal of Oral and Maxillofacial Surgery related to Bone grafting and Bone Morphogenetic Protein. Recent articles include "Dental Implants and the Use of rhBMP-2," coauthored with Dr. Bob Marx which appeared in the May 2011 issue of Oral and Maxillofacial Surgery Clinics of North America, and was reprinted in Dental Clinics of North America the same year. His Chapter authored together with Dr. Christopher Choi on Extraction Socket grafting with BMP was published in the Oral Maxillofacial Surgery Clinics of North America in 2013, and his recent book Co edited with Dr. Myron Tucker and Dr. Brian Farrell on Orthognathic surgery was published in the Oral and Maxillofacial Surgery Clinics of North America in 2014. His research, numerous lectures, and continuing education courses are focused on Bone grafting, Dental Implants, Tissue engineering, Reconstructive surgery, Temporomandibular joint surgery, and Preprosthetic surgery.

PDA is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between PDA and PSOMS. PDA designates Dr. Spagnoli presentation for eight (8) continuing education credits.
