Westin Resort & Marina We are pleased to offer you the resort in Key West with the absolute best location of any hotel in the area. The Westin Resort & Marina is located in the heart of historic old-town Key West, directly on the beautiful Gulf of Mexico, next to Sunset Pier. This lovely hotel is in traditional Key West romantic Victorian-style and offers elegantly appointed rooms with the Heavenly Bed®. Just steps from your door are all the famous attractions of Key West. All around you will find wonderful restaurants, bars, clubs, and souvenir shops.

When you want an escape from the attractions and need to feel the tropical breeze, the Westin is ready to oblige with their own private tropical island retreat just 500 yards off the coast. This tranquil beach area provides access to cool drinks and cabanas. The Westin also boasts one of the best restaurants in Key West with dramatic water views. Don't wait to book your room; our group rates are deeply discounted for this premier property and sell out early each year.

HOTEL RATES: A portion of the room rate is used to partially offset the cost of refreshments served during the meeting for participants only.

- Run of House: \$330**
- Single or double occupancy plus 12.5% tax
 - Additional adults \$20 each
 - All rooms are non-smoking

\$25 plus tax, per room per night Resort Fee is WAIVED for those who book their room through NWS/NWWT ONLY.

Resort Fee* Includes:
Toll-free and local long-distance phone calls, wireless high speed internet access, lobby refreshments including Starbucks® brewed coffee, fresh Florida orange juice in the morning, virgin Mojitos in the afternoon, in-room bottled water on arrival/checkout, in-room coffee service, in-room safe, in-room umbrellas/ponchos, two bathrobes/slippers in guest room, and pool towels for all watersports activities as needed. Poolside refreshments daily, including fresh fruit kabobs and popsicles, as well as iced towels, sunglass polishing, and 24-hour access to the business center and the fitness center.

***Resort fee inclusions are subject to change without notice.**

CANCELLATIONS: Cancellations of room reservations accepted without penalty until five days prior to arrival.

COURSE DIRECTOR: Eric D. Katz, MD, FAAEM, FACEP, Chairman and Professor of Emergency Medicine, Maricopa Medical Center and University of Arizona COM, Phoenix Arizona

MEDICAL DIRECTOR: Mark Murphy, MD, MSN Education, Austin, Texas and Northwest Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, physician assistants, registered nurses, paramedics, pre-hospital emergency medicine care providers and all other medical care providers who must maintain state-of-the-art knowledge of not only the specialty, but also of additional related disciplines which both impact and are impacted by it.

PROGRAM PURPOSE: The practitioner of emergency medicine must possess evidence-based scientific background for competent clinical practice; maintain state-of-the-art knowledge of the specialty and all additional related disciplines; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures; manage self and colleagues to function toward common goals in providing consistent care in all settings in which emergency care is provided; serve as an expert in matters involving quality, safe and equitable health care delivery and support of other service providers, departments, institutions, and organizations dependent upon professional expertise. Presentations are designed to facilitate the acquisition of cognitive and technical skills as defined through evidenced based data translated to best practice standards by the pertinent governmental and professional organizations including the American College of Emergency Physicians, American College of Surgeons and the Emergency Nurses Association and abilities in one or more of the disciplines vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences as they impact and are affected by the planning, delivery, and monitoring of services inherent in the professions

Explain the selection, dosing considerations with methods of administration, safe use, contraindications and precautions of drugs based on their chemical and pharmacologic properties

Outline comprehensive patient management plans for the special patient population

Apply the principles of safety and asepsis in the performance of all aspects of patient care regardless of the clinical environment in which the practice resides

Incorporate the published tenets of pertinent, recognized external organizations, institutions, and professional groups defining medical, legal, philosophical, ethical, and health care management standards.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas and Northwest Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Health Care System, Dallas, designates this live activity for a maximum of **20 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Anesthesiologist Assistants: The National Commission for Certification of Anesthesiologist Assistants (NCCAA) will accept CME credit for programs approved for continuing medical education by the AMA, AAPA, and ACCME.

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: See our website www.northwestseminars.com for CEC approval information.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for **AMA PRA Category 1 Credit™** from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category 1 credit for completing this program.

Registered Nurses: NNAS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), and the Georgia Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

“ Snorkeling and diving enthusiasts can enjoy exploring the only living coral reef in the continental U.S. ”

Key West has something for everyone, from dynamic Duval Street to the splendid Victorian architecture of Old Town. Aficionados of fine art will find Key West teeming with museums, art galleries, and an active theatrical community. Ernest Hemingway's home and Tennessee Williams Fine Art Center are fascinating.

Water lovers can enjoy unmatched Key West water sports. Just beneath the breathtaking aqua and deep turquoise waters are intricate coral reefs that protect tiny Key West from the Atlantic Ocean. Snorkeling and diving enthusiasts can enjoy exploring the only living coral reef in the continental U.S. For those who seek excitement above the water, Key West is truly a fisherman's paradise.

For the land lover, Key West offers charming lanes to meander, quaint shops to explore, and fabulous old "Conch Homes" with wide verandas and lush tropical landscaping. Shopping is a delight with unique treasures found nowhere else. Dining options are abundant and diverse, whether you're barefoot or ready for china and silver. The Key West Golf Club, designed by golf legend Rees Jones, offers lush tropical landscaping and is suited to players of all abilities. Fall in love with this fun-loving island city that celebrates the sunset every night with a variety of special activities.

We have a block of rooms for seminar participants. Once this block is sold, rooms are based upon availability only and may be at a higher rate. Rooms are available only through us (800) 222-6927.

Call Universal Travel for your airfare needs. Be sure to mention Northwest Seminars when booking. Booking fee applies. Contact Kellee Kilmer: Phone: (858) 456-7887 Email: kellee@universaltravel1.com
