

Imaging Warm-Up in the Caribbean

December 2-7, 2018

Four Seasons Resort & Spa
Nevis, West Indies, Caribbean

Featuring “Meet the Professor” Daily Sessions

CME Credits: 25 / SAM Credits: 22

Imaging Warm-Up

December 2-7, 2018

Four Seasons Resort, Nevis, Caribbean

UCSF Department of Radiology
and Biomedical Imaging
<https://radiology.ucsf.edu/cme>

Course Outline

This week-long course is designed for radiologists in clinical practice, and is intended to provide an overview of common clinical concerns in diagnosis. Lectures by leading UCSF Faculty will focus on practical tips, pointers and recognition of potential pitfalls that will aid the radiologist in the safe interpretation of images in the daily setting.

Subspecialties covered will include cutting-edge topics in abdominal, thoracic, breast, neuro and musculoskeletal imaging; as well as the appropriate utilization of CT, MR, US and interventional procedures in the corresponding organ systems.

“Meet the Professor” Daily Sessions

Each of the faculty will dedicate a session for the purpose of discussing interesting and challenging cases, answering attendee questions, responding to inquiries on clinical scenarios and protocols, and reviewing current standards of care and evolving imaging methods.

<i>Sunday</i>	Interventional	Dr. Kohi
<i>Monday</i>	Breast	Dr. Greenwood
<i>Tuesday</i>	Neuro, Abdominal	Dr. Talbott, Dr. Zagoria
<i>Thursday</i>	Musculoskeletal	Dr. Motamedi
<i>Friday</i>	Thoracic	Dr. Elicker

Self-Assessment

This course will offer 22 Self-Assessment credits (pending approval and subject to change): 3.5 in Breast, 4.0 in Abdominal, 3.5 in Musculoskeletal, 3.5 in Neuro, 3.5 in Interventional and 4.0 in Thoracic.

As of January 1, 2013, updated MOC Part 2 requirements: 75 CME credits every three years, at least 25 of which must be self-assessment activities (SA-CME, which includes SAMs).

For more information: www.theabr.org/moc-dr-comp2

Course Objectives

At the completion of this course, the attendee should be able to:

1. Select imaging approaches for oncology patients and patients with musculoskeletal/joint conditions;
2. Identify opportunities to screen for cancer, including for lung and breast cancer;
3. Recognize common pitfalls in medical imaging, including imaging after loco-regional therapies, in patients with suspected pulmonary embolism, and in patients being screened for breast cancer;
4. Apply knowledge of the strengths and weakness of imaging with PET/CT.
5. Differentiate between common and uncommon imaging manifestations of chronic disease, including injuries of the knee, shoulder, liver, pancreas and spleen;
6. Implement protocols to achieve low radiation doses and optimized scanning parameters.

Course Faculty

Brett M. Elicker, MD

Course Chair

Professor of Radiology

Chief of Cardiac and Pulmonary Imaging

Heather I. Greenwood, MD

Assistant Professor of Radiology

Maureen P. Kohi, MD

Associate Professor of Radiology

Chief of Interventional Radiology

Daria Motamedi, MD

Assistant Professor of Radiology

Jason F. Talbott, MD, PhD

Assistant Professor of Radiology

Ronald J. Zagoria, MD, FACR

Professor and Vice-Chair of Radiology

Chief of Abominal Imaging

Registration

www.cme.ucsf.edu

Pre-registration is encouraged to ensure your space in this course.

Pre-register by October 5, 2018 and save \$75 on your enrollment fee.

Tuition \$1,295 for all medical professionals; registration discounts are available for qualifying attendees, please review the registration form on the last page.

On-site Registration

Sunday, December 2, 2018 at 6:30 am

The Four Seasons Resort, Island of Nevis

Syllabus You must provide an email address with your registration to receive advance syllabus information, which will be distributed electronically prior to the course. A paper notebook for taking notes will be provided onsite.

Course Program page 1 of 2

SUNDAY, December 2, 2018

6:30 am	Registration and Continental Breakfast	
7:00	Imaging of Anterior Knee Pain: How Do I Do It?	Daria Motamedi, MD
7:30	ACL Graft Reconstruction Imaging	Daria Motamedi, MD
8:00	Top 5 "Can't Miss" Vascular Diagnoses in the ER	Maureen P. Kohi, MD
8:30	Hot Topic: Femoroacetabular Impingement	Daria Motamedi, MD
9:30	Recess	
9:45	Pulmonary Embolism: Tips, Tricks and Controversies	Brett M. Elicker, MD
10:15	CT Angiography: Is There Anything New Going On?	Maureen P. Kohi, MD
10:45	Acute Aortic Syndromes	Brett M. Elicker, MD
11:15	Updates on MR Angiography	Maureen P. Kohi, MD
11:45	<u>Meet the Professor: Interventional</u> Discussion of Issues, Controversies and Cases	Maureen P. Kohi, MD
12:15 pm	Adjourn	

MONDAY, December 3, 2018

6:30 am	Continental Breakfast	
7:00	Imaging of Pulmonary Infection: the Key Patterns	Brett M. Elicker, MD
7:30	Imaging Spinal Trauma: Conventional and Advanced Techniques	Jason F. Talbott, MD, PhD
8:00	New Innovations in Breast Cancer Imaging:	Heather I. Greenwood, MD
	Tomosynthesis, MRI, Localization Methods	
9:00	High-Resolution CT of the Lungs: Key Findings and Patterns	Brett M. Elicker, MD
9:30	Recess	
9:45	Rings and Pillars: Anomalies of the Craniovertebral Junction	Jason F. Talbott, MD, PhD
10:15	Multi-modality Breast Imaging Case Review	Heather I. Greenwood, MD
10:45	Spine Infections: Pattern-Based Approach	Jason F. Talbott, MD, PhD
11:45	<u>Meet the Professor: Breast</u> Discussion of Issues, Controversies and Cases	Heather I. Greenwood, MD
12:15 pm	Adjourn	

TUESDAY, December 4, 2018

6:30 am	Continental Breakfast	
7:00	Work-up of the Palpable Breast Lump	Heather I. Greenwood, MD
7:30	Intracranial Infection	Jason F. Talbott, MD, PhD
8:00	Breast Radiology-Pathology Correlation	Heather I. Greenwood, MD
8:30	<u>Meet the Professor: Neuro</u> Discussion of Issues, Controversies and Cases	Jason F. Talbott, MD, PhD
9:30	Recess	
9:45	Imaging Renal Tumors: No Cancers Left Behind	Ronald J. Zagoria, MD
10:15	Stroke Imaging Update	Jason F. Talbott, MD, PhD
10:45	Kidney Tumor Ablation and Follow-Up: a Success Story	Ronald J. Zagoria, MD
11:15	Traumatic Brain Injury: an Outside-In Approach to Imaging	Jason F. Talbott, MD, PhD
11:45	<u>Meet the Professor: Abdominal</u> Discussion of Issues, Controversies and Cases	Ronald J. Zagoria, MD
12:15 pm	Adjourn

Course Program page 2 of 2

WEDNESDAY, December 5, 2018

No formal course program.

THURSDAY, December 6, 2018

6:30 am	Continental Breakfast	
7:00	Optimizing and Simplifying CT Urography	Ronald J. Zagoria, MD
7:30	Imaging Urinary Tract Infection: Action Items	Ronald J. Zagoria, MD
8:00	Checklist Approach to Arthritis Imaging	Daria Motamedi, MD
8:30	Basic Prostate MRI with PIRADS 2: Making It Fast and Easy.....	Ronald J. Zagoria, MD
9:30	Recess	
9:45	Demystifying LI-RADS	Maureen P. Kohi, MD
10:15	Wrist MRI with Surgical Correlation	Daria Motamedi, MD
10:45	Post-Embolization Liver: What's Expected	Maureen P. Kohi, MD
11:15	Pearls & Pitfalls in Shoulder MRI.....	Daria Motamedi, MD
11:45	<u>Meet the Professor: Musculoskeletal</u> Discussion of Issues, Controversies and Cases.....	Daria Motamedi, MD
12:15 pm	Adjourn	

FRIDAY, December 7, 2018

6:30 am	Continental Breakfast	
7:00	Diagnosing Lung Cancer: Lessons from Tumor Boards	Brett M. Elicker, MD
7:30	Peri-Procedural Care	Maureen P. Kohi, MD
8:00	Approach to Treated Lung Cancer: Is It Nothing or Something?	Brett M. Elicker, MD
8:30	Ultrasound of Pelvic interventions.....	Maureen P. Kohi, MD
9:30	Recess	
9:45	Breast Ultrasound: BI-RADS.....	Heather I. Greenwood, MD
10:15	The Enemy Within: Non-Traumatic Bowel Emergencies	Ronald J. Zagoria, MD
10:45	Breast MRI: BI-RADS and Basics.....	Heather I. Greenwood, MD
11:15	IV Radiographic Contrast: New and Improved Guidelines.....	Ronald J. Zagoria, MD
11:45	<u>Meet the Professor: Thoracic</u> Discussion of Issues, Controversies and Cases.....	Brett M. Elicker, MD
12:15 pm	Adjourn	

All lectures include Self-Assessment (SAM) questions.

Accreditation

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of **25 AMA PRA Category 1 Credits**.™

Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The total credits are inclusive of 10.25 in CT, 9.0 in MRI, 1.25 in Ultrasound and 3.5 in Breast.

This live activity also qualifies for credit for physician assistants (PA) and registered nurses (RN).

Please check with your state licensing board to ensure compliance.

This educational activity meets the requirement under California State Assembly Bill 1195, continuing education and cultural and linguistic competency.

Imaging Warm-Up

December 2-7, 2018

Four Seasons Resort, Nevis, Caribbean

UCSF Department of Radiology
and Biomedical Imaging
<https://radiology.ucsf.edu/cme>

Accommodations

Four Seasons Resort Nevis, Charlestown
PO Box 565, Pinney's Beach / Tel 1-869-469-1111 / Fax 1-869-469-1112

Please note that the hotel room block for the meeting has been filled. A limited number of Palm-Grove multi-bedroom villas are available at a special rate for UCSF course registrants; to inquire, please call the hotel directly at 869-469-6238.

Alternate accommodations can be found on the Nevis tourism website:

<https://www.nevisisland.com/hotels>

Alternate accommodations options include:

The Hermitage: <https://hermitagenevis.com>

Montpelier Plantation & Beach: <https://www.montpeliernevis.com>

Nisbet Plantation Beach Club: <https://nisbetplantation.com>

Oualie Beach Resort: <https://www.oualiebeach.com>

Air Travel

www.nevisisland.com/getting-here

Commercial Flights to St. Kitts (SKB) and Nevis (NEV)

American Airlines has **regular daily flights** to St Kitts, most flights are routed through MIAm airport.

Flying into St. Kitts (SKB) requires a ferry or water taxi over to Nevis (see "getting-here" link above).

The Four Seasons roundtrip airport transfer from St. Kitts airport is \$170 per adult/teen, \$85 per child 5-12 years.

Additional seasonal routes to St Kitts and Nevis are added at the discretion of the airlines, those carriers include the airlines listed below:

Airline	Via Airport	Weblink	Promo Code
United	EWR (Newark)	https://tinyurl.com/www-united-com-book	ZYUF559912
Delta	ATLanta	https://tinyurl.com/www-delta-com-book	NMQR6
Air Canada	YYZ (Toronto)	www.aircanada.com	NA
American	JFK (NYC) CLT (Charlotte)	www.americanairlines.com	NA

Commuter Planes to Nevis (NEV)

American, United, Delta and Jet Blue are partnered with regional Seabourne Airline, which offers connecting shuttle flights to Nevis from neighboring Caribbean islands such as San Juan, Puerto Rico (SJU) and St. Maarten (SXM).

Travel Information and Tips

www.nevisisland.com/getting-here/travel-essentials

Passports US and Canadian citizens are required to present a valid photo passport and a return airline ticket.

Departure Tax for St Kitts (SKB) airport is included in the airline ticket fees; upon leaving Nevis (NEV) airport is US\$20.50, which includes an environmental levy and airport security tax.

Time Zone Nevis is on Eastern Standard Time year-round (does not change for daylight saving time).

Tipping A service charge of 18% is generally included in restaurant bills, but you should check (you are welcome to tip more). Hotels often add both a service charge and 12% VAT to restaurant bills.

Voltage standard throughout the island is 110 volts (rather than 220).

Currency is the East Caribbean (EC) dollar, which can be obtained at any bank. As of November 2017, the exchange rate was US\$1.00 = EC\$2.70. Most stores and businesses accept US dollars or travellers' cheques, but change will be given in EC. Banks and stores accept US paper bills, but will not accept US coins.

Drinking Water is pure and safe to drink, but if you are sensitive to food and water changes, you may prefer commercially bottled water.

Car Rentals can be arranged through the Four Seasons concierge desk, and require purchase of a \$25 temporary Visitor's Driver's License. Cars drive on the left lane.
