

1st Annual

Treatment-Related Adverse Events Symposium: FOCUS ON MANAGEMENT

Friday, October 27, 2017

Zuckerman Research Center, New York City

Memorial Sloan Kettering
Cancer Center

1st Annual

Treatment-Related Adverse Events Symposium: FOCUS ON MANAGEMENT

COURSE OVERVIEW

Systemic anticancer therapies (cytotoxic chemotherapies, targeted therapies, immunotherapies), radiation, and therapeutic transplants have resulted in remarkable improvements in patient survival. Despite this remarkable success, the majority of patients will develop toxicities of various organ systems, which may impact overall health and activities of daily living, resulting in inconsistent antineoplastic therapy, all of which may affect clinical outcome. Therefore, prevention and management of untoward events is critical for the maintenance of quality of life and the optimization of anticancer therapies.

TARGET AUDIENCE

This course is intended for physicians and healthcare professionals in Breast Medical Oncology, Gastrointestinal Oncology, Genitourinary Oncology, Gynecologic Oncology, Head and Neck Oncology, Hematology & Oncology, Medical Oncology, Neuro-Oncology, and Palliative Medicine.

EDUCATIONAL OBJECTIVES

- Recognize the clinical presentation, impact on quality of life, and grading of treatment-related adverse events in cancer patients
- Understand mechanisms and interventions to prevent and treat acute and chronic adverse events in cancer patients and survivors
- Discuss procedures and clinical tools to assess treatment-related toxicities in cancer patients

SYMPOSIUM HIGHLIGHTS

- Therapy-related adverse events will affect the majority of treated patients, resulting in increased cost, inconsistent dosing, and decreased quality of life.
- There is no formal curriculum on adverse event management in most training programs, including residencies, specialties or fellowships.
- With increased survival and patients living longer on therapy than ever before, adverse events affecting quality of life command attention.
- This symposium provides up to date information on adverse event mechanisms and management, from specialists in the most commonly affected organ systems.
- Practical tools to help maintain patients' quality of life and dose intensity will be highlighted for the most frequently occurring events.

COURSE FACULTY

MSK COURSE DIRECTOR

Mario E. Lacouture, MD

Member, Memorial Hospital
Director, Oncodermatology Program
Dermatology Service
Department of Medicine

COURSE FACULTY

Thomas Atkinson, PhD

Counseling Center
Memorial Sloan Kettering Cancer Center

Kathryn Ciccolini, RN

Dermatology Service
Memorial Sloan Kettering Cancer Center

Christian Custodio, MD

Rehabilitation Medicine Service
Memorial Sloan Kettering Cancer Center

Cherry L. Estilo, DMD

Dental Service
Memorial Sloan Kettering Cancer Center

David Fernandez, MD

Division of Rheumatology
Hospital for Special Surgery

James Flory, MD

Endocrinology Service
Memorial Sloan Kettering Cancer Center

Jasmine Francis, MD

Ophthalmic Oncology Service
Memorial Sloan Kettering Cancer Center

Ilya Glezerman, MD

Renal Service

SCIENTIFIC AGENDA

8:00 AM REGISTRATION

8:30 AM **Introduction**

Mario E. Lacouture, MD

8:40 AM **Adverse Events Grading
and Patient Reporting**

Thomas Atkinson, PhD

9:00 AM **Triage and Acute Evaluations**

Kathryn Ciccolini, RN

9:20 AM **Gastrointestinal Toxicities**

Robin Mendelsohn, MD

9:40 AM **Cardiac Toxicities**

Anthony F. Yu, MD

10:00 AM **Questions and Answers**

10:20 AM COFFEE BREAK

10:40 AM **Renal Toxicities**

Ilya G. Glezerman, MD

11:00 AM **Endocrinopathies**

James Flory, MD

11:20 AM **Coagulation Toxicities**

Simon Mantha, MD, MPH

11:40 AM **Oral Toxicities**

Cherry L. Estilo, DMD

12:00 PM LUNCH

1:00 PM **Peripheral Neuropathy**

Efstathia Tzatha, MD

1:20 PM **Dermatologic Toxicities**

Mario E. Lacouture, MD

1:40 PM **Rheumatologic Toxicities**

David Fernandez, MD

2:00 PM **Exercise as Treatment**

Lee Jones, PhD

2:20 PM **Questions and Answers**

2:40 PM BREAK

3:00 PM **Ocular Toxicities**

Jasmine H. Francis, MD

3:20 PM **Long-Term Effects**

Emily S. Tonorezos, MD, MPH

3:40 PM **Hypersensitivity Reactions**

Timothy Mainardi, MD

4:00 PM **Lymphedema**

Christian Custodio, MD

4:20 PM **Discussion**

5:00 PM ADJOURN

REGISTRATION

	EARLY*	GENERAL
Physicians (MDs, PhDs and DOs)	\$250	\$300
Nurses and Other Healthcare Providers	\$200	\$250
Fellows and Resident	\$150	\$200
Industry Professionals*	\$525	\$525

*Early Rate Expires 8/1/17

REGISTER ONLINE:

www.mskcc.org/AdverseEvents

REGISTRATION DETAILS

- **30% Discounted Rate for MSK Alumni and MSK Alliance Members**
MSK offers a 30% discounted rate to all MSK Alumni and MSK Alliance members to attend a CME course. Please contact cme@mskcc.org for a promo code or more information.
- **MSK Staff Registration**
Registration is complimentary for MSK staff who wish to attend this course. However, you must register online by visiting the course website.

*Industry Members

Registration is complimentary for MSK staff. However, you must register online by visiting the course website, www.mskcc.org/AdverseEvents.

ACCREDITATION STATEMENT

MSK is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION STATEMENT

MSK designates this live activity for a maximum of **6.75 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURE

It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it sponsors as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity sponsored by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.

ACCOMMODATIONS

For information regarding traveling to MSK, including hotels in the area of MSK with discounted rates, please visit: www.mskcc.org/cme.
