Family Medicine Update Conference

11-13 May 2025

London
Heathrow

This course is designed to facilitate interactive sessions between primary and secondary care physicians. Specialists in their respective fields will provide an overview of common conditions and emerging developments in their areas of expertise. They will cover a broad spectrum of topics during these three days. Primary care physicians will have the opportunity to share their daily practice experiences and engage in constructive group discussions.

Accreditation

You will be able to claim 6/8 CPD points for each day. A total of 20 CPD points can be claimed by attendees over three days.

Ethical Statement

This program is not affiliated with any external business, political party, or organization. We are committed to maintaining complete transparency and openness in our operations.
