

Overview

Come one, come all! With the latest insights from research from Plants for Human Health Institute, Duke University, and the legendary Linus Pauling Institute, the clinical wisdom you get is sure to elevate your practice to incredible heights! Presenters will share the newest information on EMF & NO, integrative cancer treatments, cardiovascular disease, the neuroscience of emotional regulation and memory, immunology for Hashimoto's & other chronic illness, and the update on CBD research and treatments. This conference is for professionals in functional and integrative medicine and is pending up to 12.25

Credits: Up to 12.25 (Pending) **AMA PRA Category 1 Credits™. All other professionals will receive CEU certificate based on attended hours from eMed/YourCESource.**

Topic *FUN*ctional & Thriving! Southeast Regional Integrative Medical Conference

New this year! Integrative Medicine IMPACT Awards Celebration

You will not want to miss the fun of our cirque-themed casino night and awards celebration! The festivities include a fun-filled awards dinner, featuring world-renowned physician and clown, Dr. Patch Adams. We'll also announce the winners of the IMPACT awards! Wear your most fun cocktail attire (or add a silly accessory!) to show you are FUNctional & Thriving with our honorees, who have made the biggest contributions to the profession of integrative/functional medicine. After dinner, enjoy our cirque-inspired entertainment and

casino night fundraiser as we kick off our scholarship fund for medical students interested in functional medicine!
