

Advanced Paediatric Life Support Course

Thursday 6th and Friday 7th September 2018

South Tees Institute of Learning, Research and Innovation
The James Cook University Hospital, Marton Road, Middlesbrough, TS4 3BW

This course will provide the knowledge necessary for the effective treatment and stabilisation of children with life threatening emergencies

Practical procedures will be taught that are necessary to effectively manage the paediatric emergency and testing in these skills will take place at the end of the course in simulated scenarios.

The course includes:

- Demonstrations – new born resuscitation, serious injury simulation
- Skills sessions and workshops – basic and advanced life support, vascular access
- Interactive sessions – assessing the acutely ill child, structured approach

Duration	3 day course with the first day being a flexible one-day on-line component (VLE) and a two-day face-to-face component (F2F) which is the part of the course held at The James Cook University Hospital on the dates above.
Min / max attendance	24 candidates
Aimed at	Consultants, Advanced Nurse Practitioners and Resuscitation Training Officers from Accident and Emergency, Anaesthetic and Paediatric departments
Cost	£515 per candidate
Certification	Once candidates have completed both elements of this course, it will allow them to be a certified APLS provider. Candidates can continue to access the on-line learning environment for a period of 4 years whilst your APLS certificate is valid and can be used as part of your CPD
