

6th ANNUAL MEETING OF ISPNS

MARCH 3 - 5, 2017
PGIMER, CHANDIGARH

Theme : KAIZEN – ETERNAL AMELIORATION

Dear Colleagues

The ISPNS is a renowned Association of Surgeons including Plastic Surgeons, Neurosurgeons & Orthopedic surgeons aiming to improve research and treatment of peripheral nerve injuries. We feel honoured to invite you to the 6th Annual Meeting of ISPNS to be held at PGIMER Chandigarh from 3rd to 5th March 2017. It is a privilege to host this stupendous event.

The event will bring together the experts under one roof to contribute their expertise in form of discussion, presentation and preconference cadaveric workshop. The workshop aims to overcome the challenges about brachial plexus and peripheral nervous system practice and techniques. This time we would like to incorporate other peripheral nerve surgery like sciatic, peroneal, and special session on extracranial facial nerve injury management. As the saying goes “Excellence is not a destination it's an endless journey”. Our aim is to practice the philosophy of continuous improvement in our domain. Hence the theme KAIZEN – ETERNAL AMELIORATION.

The meeting will be held at PGIMER, Chandigarh. The City Beautiful, Chandigarh, is famous for its architectural design, excellent shopping avenues, beautiful surroundings destination and above all ambience of warm hospitality.

Looking forward to seeing you at this academic feast at Chandigarh in March 2017.
